VOICE STAFF

The professor is an alumnus of St. Francis, having graduated magna cum laude in June 1952. He completed the requirements for graduation in three years, receiving approximately fifty A grades, four B's and one C (Speech). He was a member of the Duns Scotus Society and Phi Rho Pi. In addition he was President of the Indicator Club, the forerunner of the present Science Club.

From St. Francis he went to Polytechnic Institute where he earned his master's degree in slightly more than a year's time. The subject matter of his paper was, "The Kinetics of Catalyzed Decomposition of Diazo-Hydrocarbons." While studying for his degrees, he taught both here and at Polytech.

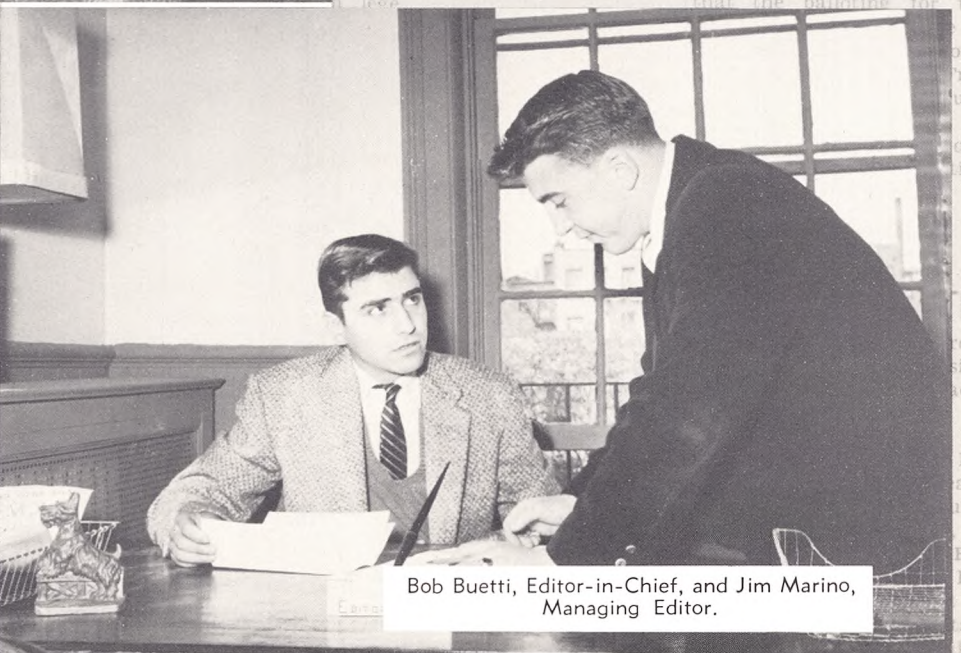

Presently, in addition to his teaching, he is working on a research project sponsored by the Atomic Energy Commission. He also received an offer of a research fellowship at Princeton University which he declined. As to his future plans, he is undecided whether he

Anything from the operation to an automobile accident may call for the most vital of fluids — blood. Where would you get it?

There is a blood bank at St. Francis College which is open to all the members of the College, their families, and their friends. The College's balance in the bank, however, is very low at the moment.

There seemed to be a strong difference of opinion between the lead article and the editorial column in the recent issue of the VOICE. Two questions were raised in the letter and directed to the Student Council and, as President of that body, I submit the following remarks and consider them undebatable.

Question one: "Why was there a dual... to... rds? and e of The qual its im- any ance d to stu- tify- ever in the duty man cor- ncil. body bers dent

body. The policy of an individual receiving this award twice, which up until last year was common practice, has been stopped and justly so. During this period the number of juniors receiving the award grew and that of seniors decreased, which is precisely the problem faced by the members of the council, to thoroughly exhaust the membership of the senior class for potential recipients and then turn to the juniors for supplements and alternates. The final vote comes from the Council Body.

Question two: Why did approximately twelve out of the fifteen Franciscan Spirit Awards go to Student Council members, men who voted the awards.

Answer: This question seems to imply that past individuals reneged upon their philosophy; the individuals newly appointed are unfit or that perhaps the list was too confining. The membership of the council is usually a better than average measurement of individuals particip-

Niagara Fells Rams; Terriers Bite Loyola

Buffalo, Dec. 3 (AP).—Niagara's Purple Eagles recovered from a bad case of nerves tonight to turn back Fordham, 72-70, in the opener of the season's Memorial Auditorium basketball doubleheader as Tom Hemans poured in 40 points.

In the second game, Canisius entertained the crowd of 10,510 with an easy 87-75 victory over Syracuse after rolling up a 30-point lead midway in the second half.

Hemans, playing in the shadow of Niagara's great tournament-team stars of the past two years, came into his own by missing the Auditorium's major college record by only two points.

St. Francis Terriers Top Fairfield Cagers, 85 to 47

As expected the strong St. Francis Terriers defeated the Fairfield University cagers, 85 to 47, in the Brass Recreation Center last night. Paced by Walt Adamusko and Jimmy Murphy, who each scored 18 points, the Brooklyn team went to the front 24-14 in the first nine minutes and ruled at halftime, 48 to 26.

A crowd of approximately 400 fans saw the Red Stags suffer their third straight defeat. Previously the charges of Coach Jim Hanrahan had lost to Hofstra, 42-39, and Iona College, 63-49. The Stags will play two games next week, meeting Providence College Wednesday in the College and Wednesday in the Teachers College team of

St. Francis College defeated Adelphi, 101-83, Tuesday night at 2d Corps Armory, Brooklyn.

At halftime the score was 49-33. St. Francis, Jim Murphy's great ball handling and action under the boards kept the Terriers ahead.

High scorers for St. Francis were Murphy with 28 points, Tony D'Elia 17 points and Capt. Dan Mannix, 13 points. Tops for Adelphi was Lawrence McDonough with 14.

Lynch in 8th Year At St. Francis Helm

Dan Lynch, the popular forthright mentor at St. Francis College, started his eighth year of coaching with three new titles. Lynch, who hails from the Greenpoint section of Brooklyn, is the colleges new athletic director, he is also secretary of the newly-formed Middle Eastern Colleges Athletic Association, and along with this he is chairman of District 31 of the N.A.A. This district takes in schools of the New York, New Jersey, Washington, D. C., and Maryland area.

Professor Lynch, after being successful at the helm of the St. Francis Preparatory basketball and baseball squads, returned to his Alma Mater in the fall of 1948 to succeed Joe Brennan as head coach of basketball and Lew Malone as head coach of baseball.

A graduate of St. Augustine's where he first attracted attention by being named to both the 1932 and the 1933 New York City All-Scholastic Basketball teams, Lynch entered St. Francis College in September 1934, and a few months later won for himself a starting berth on the varsity five. When his court activities came to an end in 1938, the year in which he received his A.B. degree, Lynch had proved himself to be one of the great Terrier hoopers, testimony of which is to be found in the fact that twice he had been voted to the Metropolitan Collegiate All-Star squads.

Dan, was not only a cracker-jack player, but also starred at second base with the St. Augustine's and St. Francis College nines.

The coach first became a basketball mentor in 1941 when he relieved Rody Cooney at St. Francis Preparatory. After being discharged from the Army in 1946 with the rank of first lieutenant, he resumed coaching at the Prep.

Brooklyn Five Hands P.C. 3rd Setback, 91-67

By BOB ENGLERT

Breaking the game wide open in the final five minutes of the first half, a rugged and hard-driving St. Francis quintet from Brooklyn handed Providence College its third straight setback of the season last night when it thumped the Friars, 91-67, before 1,500 at Alumni Hall.

The undefeated Terriers from the Borough of Churches drove continually as they outthustled and outbounded the Friars all

St. Francis' all-conquering Terriers dropped Yeshiva from the unbeaten ranks last night with a 93-68 rout of the Washington Heights club at the II Corps Armory, Brooklyn. With Mannix, Murphy and D'Elia hitting on one-handers and jump shots from the outside, the Terriers were never in trouble despite Yeshiva's floating zone defense. St. Francis led at the half, 47-38. The win gave the Frankies a 7-0 record and made Yeshiva's record 5-1.

And Don't Forget Lynch: Speed and Spirit Make Terriers Click

By Warren Pack

What makes the St. Francis basketball team click? Plenty of spirit and a round-faced Irishman by the name of Danny Lynch.

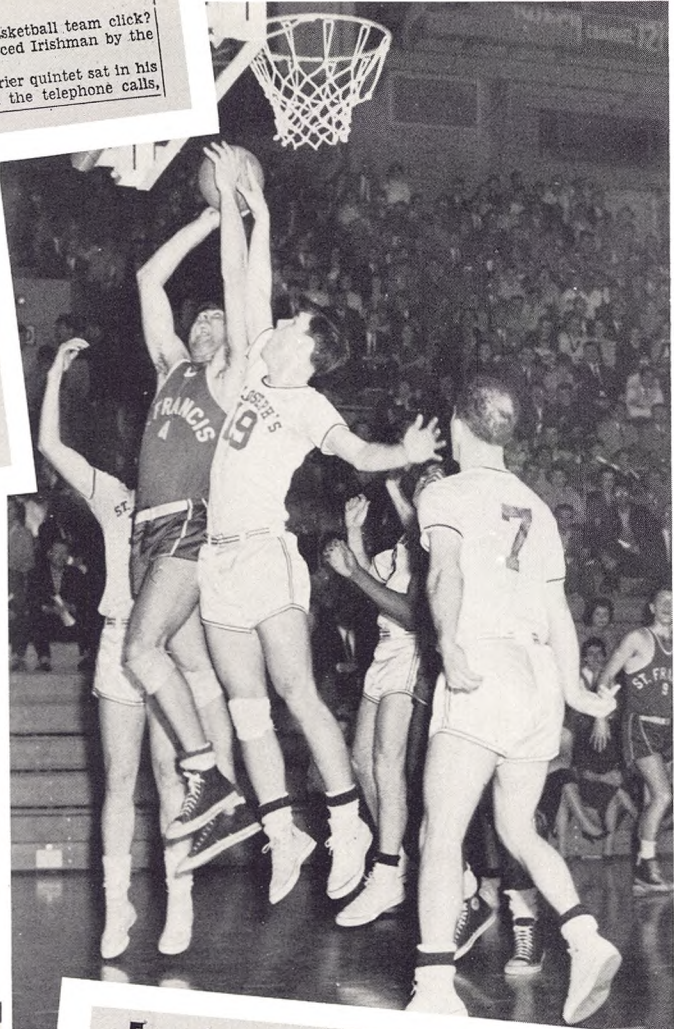

The coach of the unbeaten Terrier quintet sat in his office, trying to keep up with all the telephone calls, following a victory over Seton Hall.

"Everybody wants to call up and wish us the best," Lynch said. "Television has really been a big boost for us. Fred Sayles (of WATV) tells me we have the greatest bar and grill following in the country."

The success of St. Francis has been as big a surprise to Lynch as it has been to everyone else.

WIN ON SPEED, SPIRIT.

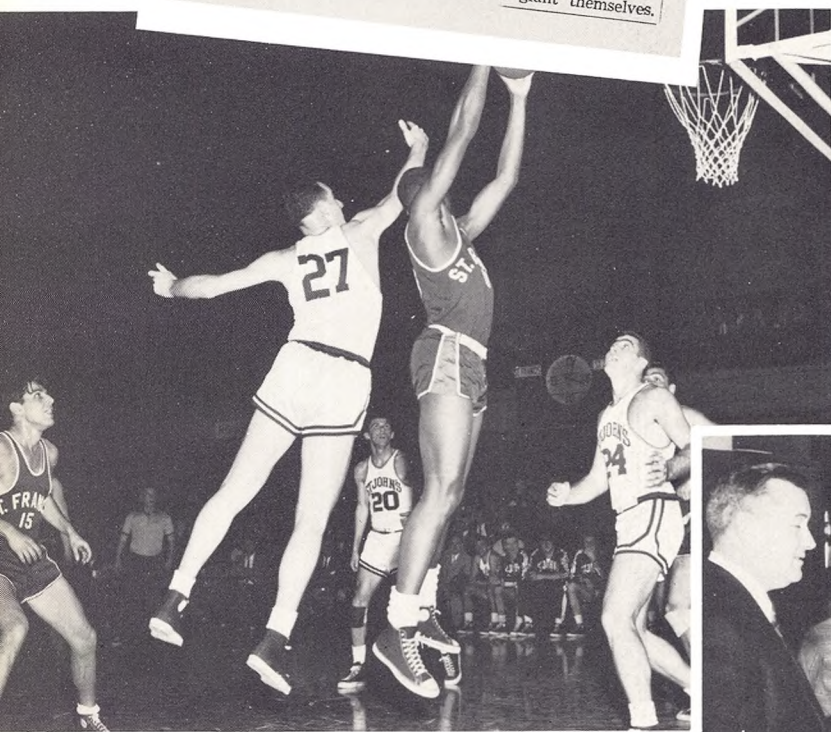

"I knew that we were going to have a fine team, but I thought it would take another year for us to jell," Lynch added.

Experienced Sophs Will Be Big Help to Terriers

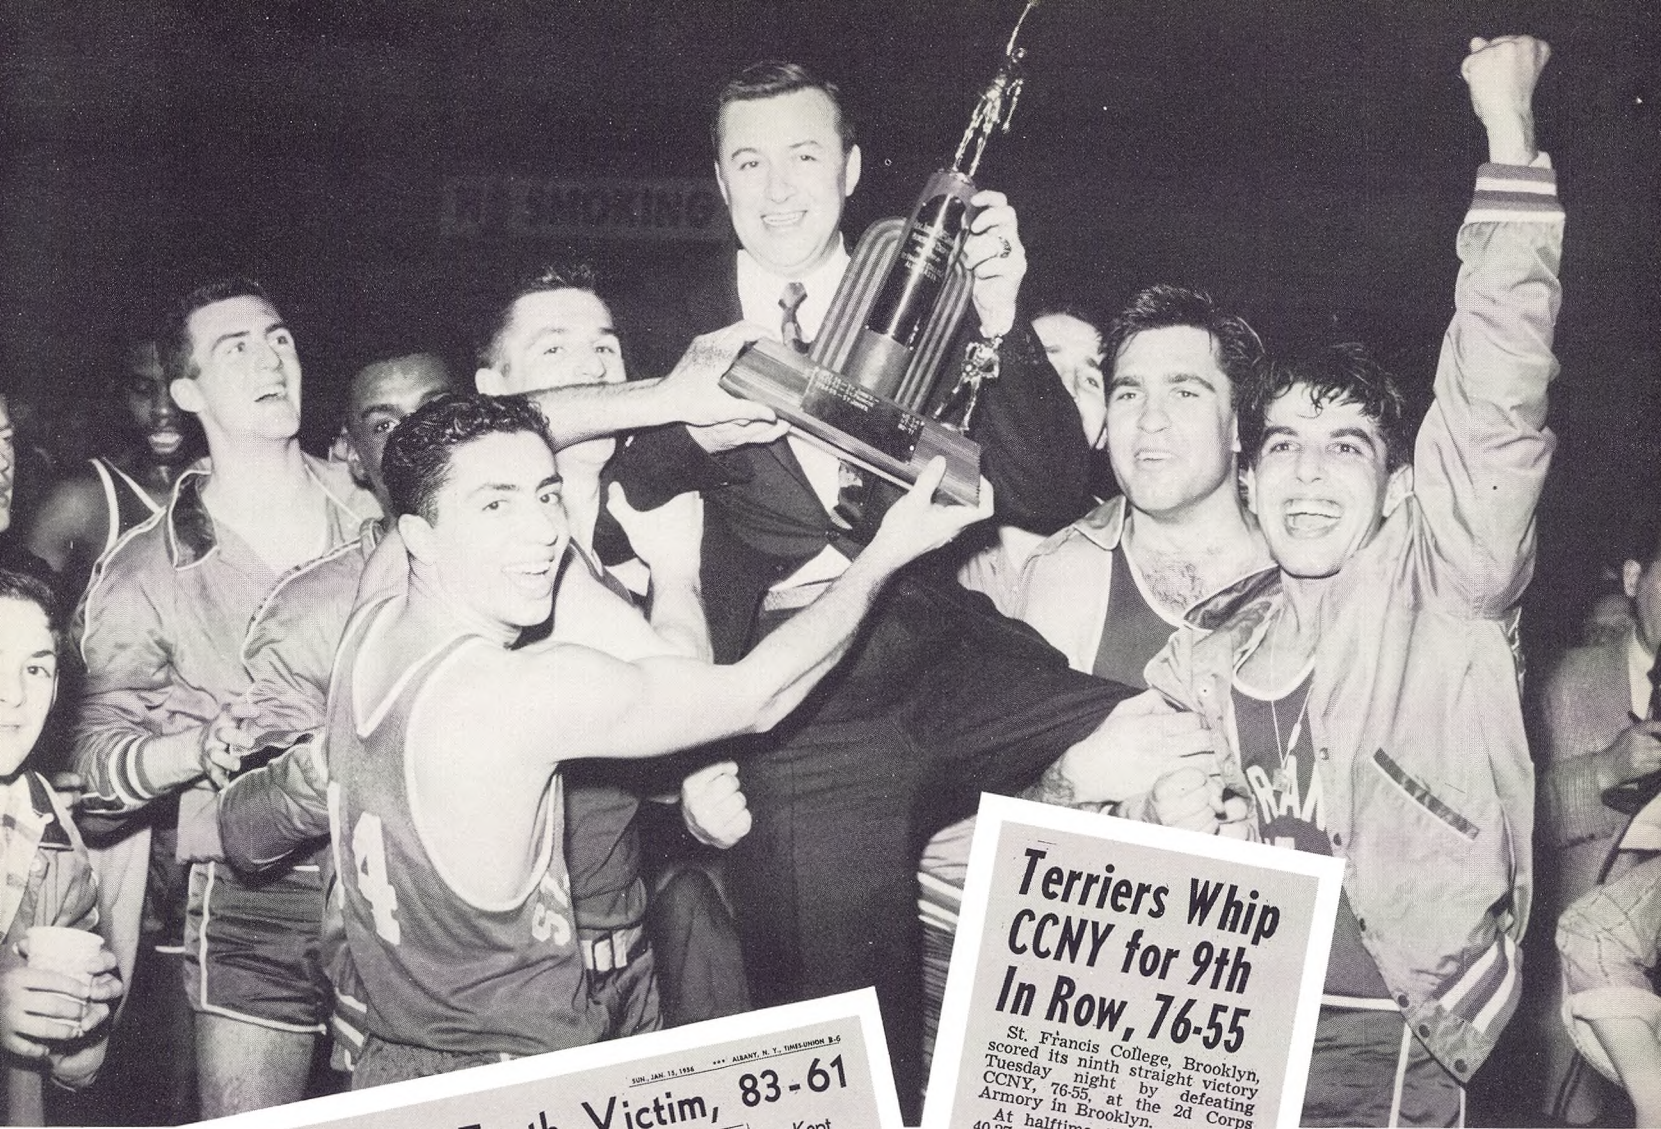

By MURRAY JANOFF

St. Francis College had less than 500 students last year and that's the break that can pay off for the Terriers this basketball season. They were allowed to use freshmen on the varsity. Three of them are now an unusual brand called experienced sophomores. They are 6-7 Al Inniss, who was the team's best rebounder and No. 2 scorer: 6-9 Lea Yella and 5-10 Tony D'Elia. This year, there are more than 500 students . . . and so there aren't any freshmen.

Also returning to the group which is liable to do very well against such teams on its schedule as Creighton, Providence, St. Joseph's, Ithaca, St. Bonaventure, LeMoyne and the locals, are 5-10 Jimmy Murphy, a sharpshooter who many times takes over the

St. Francis College, Brooklyn, scored its ninth straight victory Tuesday night by defeating CCNY, 76-55, at the 2d Corps Armory in Brooklyn.

At halftime the Terriers led, 40-27. In the second half they rolled ahead through the efforts of Tony D'Elia's fine ball handling and control of the boards, by Walter Adamushko and Al Inniss.

High scorers for St. Francis were Tony D'Elia with 19 points and Al Inniss with 15. Top gun for CCNY was Syd Levy with 11 points. The Beavers came within nine at 44-35 after five minutes in the second half. This was City's sixth loss.

Terriers Nip Redmen, 76-73, for 11 in Row

By Dana Mozley

Making it seem that the mounting pressure was on the other team—instead of on them, as it should have been—St. Francis' quick, determined Terriers last night moved into big time basketball, and continued winning. Still one of the four unbeaten major fives left in the nation, they made it 11-0 by upsetting St. John's, 76-73, before a screeching crowd of 4,500 at the 69th Regiment Armory.

Terriers Defeat Pirates, 81-78, for 12th Straight

By FRANK BLAUSCHILD

St. Francis, one of the nation's four unbeaten major colleges, visited Seton Hall in South Orange Thursday night with three things in mind: (1) to run its streak to 12 straight, (2) national recognition, and (3) a bid to the NIT. Seton Hall, loser in one out of 14, also was out for a berth in the Garden post-season classic. A standing room crowd of better than 3,500 sardined its way into the Pirates' gym.

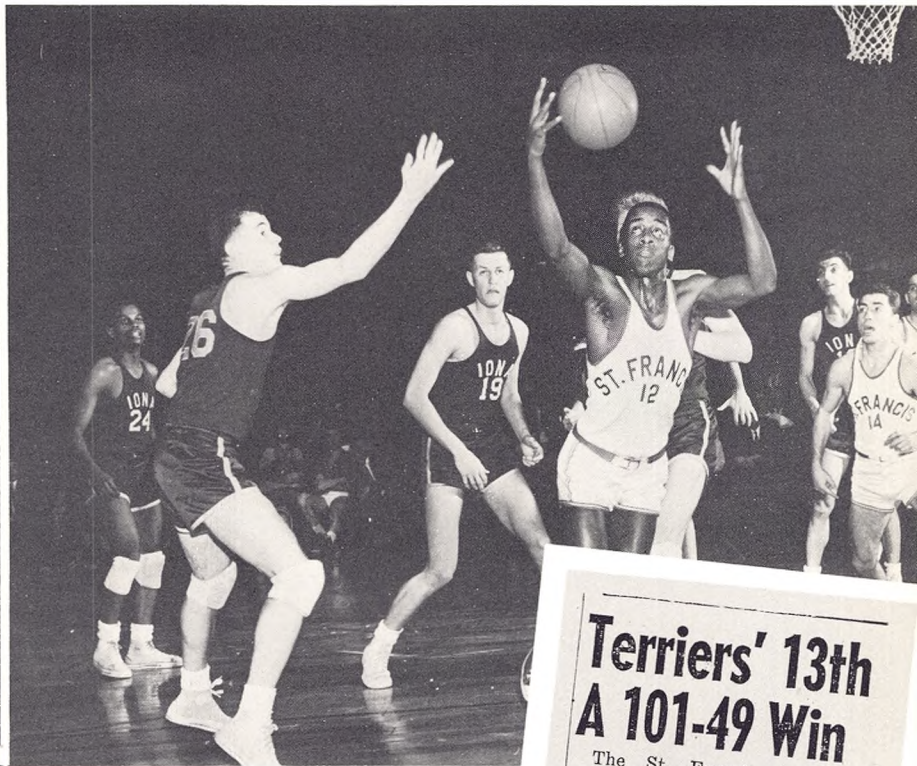

Down 45-40 at halftime, St. Francis came back in the second half to win a thriller, 81-78.
