The 1959 FRANCISCAN

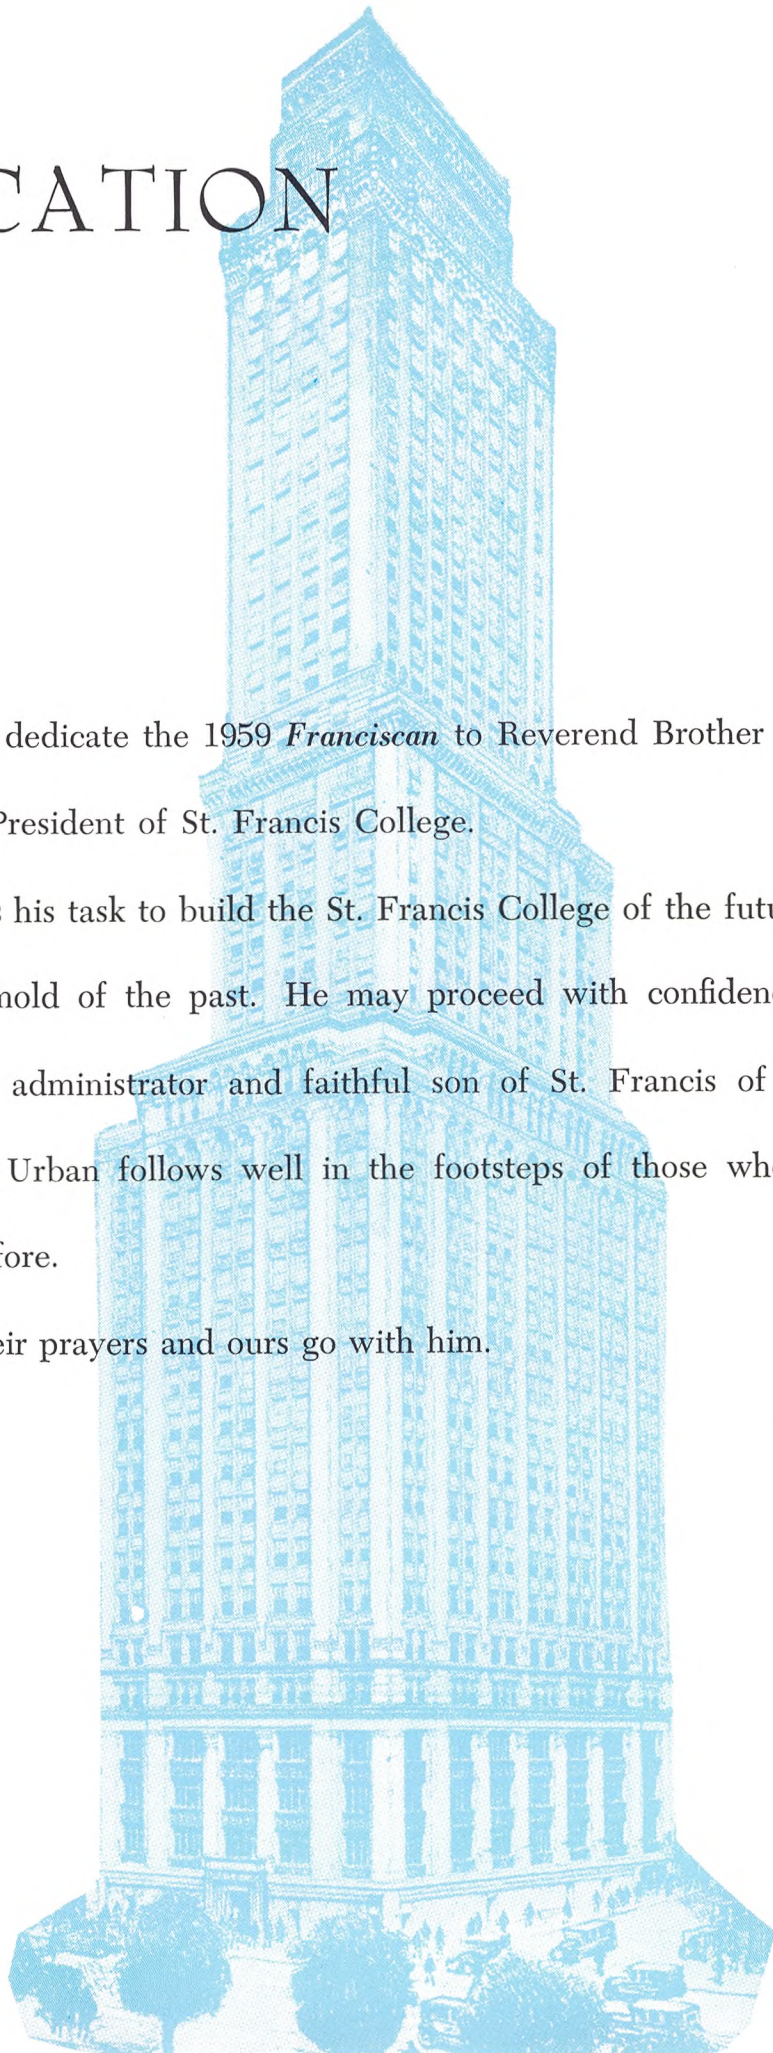

REVEREND BROTHER URBAN, O.S.F., Ph.D.

DEDICATION

We dedicate the 1959 *Franciscan* to Reverend Brother Urban O.S.F., President of St. Francis College.

It is his task to build the St. Francis College of the future out of the mold of the past. He may proceed with confidence. As teacher, administrator and faithful son of St. Francis of Assisi, Brother Urban follows well in the footsteps of those who have gone before.

Their prayers and ours go with him.

A building under construction is a symbol of hope.
As it rises toward the skies, its future is dependent
upon its architects and the materials used for its
construction.

The Bishop and the General-to-Be . . .

A newly-consecrated Bishop, veteran of more than 25 years of missionary work in Korea, flies thousands of miles from New York to his adopted land to take over as first Vicar Apostolic of Chong Ju province . . .

A newly honored Air Force Colonel, veteran of 105 combat missions in two wars, flies thousands of miles from the Caribbean War Games to Washington, D.C. . . . the National War College . . . and an eventual General's Star . . .

The St. Francis College Alumni Association salutes the new Bishop — *Jim Pardy of the Class of 1927* — and the General-to-Be — *Tim O'Keefe of the Class of 1941* — for the honor their achievements have brought to Alma Mater, fittingly in the Franciscan Centenary year.

In like manner, we salute the Class of 1959 . . . and hope there is another Bishop . . . or another General-to-Be among you.

But, whatever your hopes or ambitions might be, you may be assured that your years at St. Francis have well-equipped you for the moral challenge that lies ahead.

For, as Bishop "Jim" and General-to-Be "Tim" will well attest, little St. Francis College has a tradition of endowing men of modest means with the riches of loyalty and leadership.

Welcome!
