Debate Team Joins National Honor Fraternity

The topic for this year's debate team was "Land Use, should the Federal Government adopt a comprehensive program of land use control?" The team was moderated by Professor Monahan and Kieran Larkin (SFC '75) was the director. Pete Maloney, president, and the other officers Paul Januszewski, Jim Purpura, Donna McDermott, and Larry Becker coordinated events throughout the year. The team competes on the novice and varsity levels against Columbia, Princeton, St. John's and other colleges.

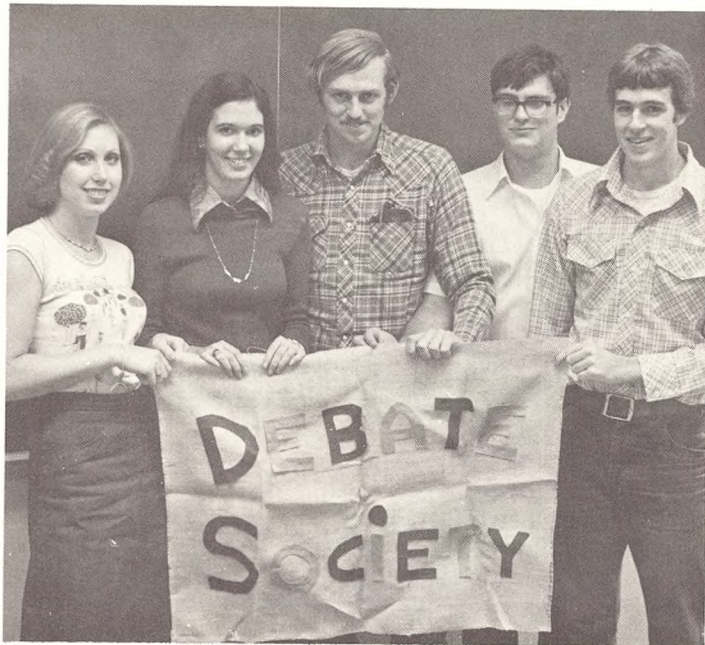

This year is the first year for Pi Kappa Delta, an honorary forensic society, at St. Francis. It provides recognition for selected members of the team.

Omicron Delta Epsilon

Although the Economic Society and Omicron Delta Epsilon—Eta Chapter are two separate entities, they work together running lecture series, tutoring programs, and assisting with registration. The Economic Society is open to all students. The society sponsors field trips and informs the students of job opportunities. Representatives from the General Accounting Office and the Internal Revenue Service have spoken this year about the positions available.

Omicron Delta Epsilon is the Honor Fraternity of Economics which accepts those students that meet the requirements.

The Math Club is heading towards its quarter-century mark. This year the officers are Jane Barbara—President, Steve Virgadamo—Vice-President, and the club is moderated by Brother Leo Quinn.

Throughout the years it has served those students interested in mathematic programs outside the classroom. The Math Club has sponsored a wide variety of films from Theory films to Super Bowl highlights and also presented many distinguished speakers.

For the past ten years the Math Club has actively participated in Math Bowls. Three times each year the Terriers compete against Molly College, and St. John's University.

Many members are also in the National Mathematic Honor Fraternity, Kappa Mu Epsilon.

Spanish Club

Angel Lebron and Osbourne Miranda

Since its reactivation in 1968, the Spanish Club has been involved in bringing the Spanish culture to St. Francis College. Under the direction of Prof. Garcia, moderator, the cultural activities presented by the club have included dancing groups from Spain, the Choir of the Polytechnic Institute

from Chile, and guest lecturers. This year the club sponsored the Cathedral College Choir from Douglaston.

A traditional event is the annual fiesta presented in the fall at St. Francis. The members of the club are Americans and natives of countries such as Puerto Rico, Cuba, Jamaica, Trinidad, Columbia, Italy, Spain and Costa Rica.

Theta Nu is the St. Francis chapter of Phi Alpha Theta, the International History Honor Society. It was established in 1962 with the intention of advancing the study of history. Currently, the society sponsors a Metropolitan Historical Convention at which students present scholarly papers and meet with members of other schools. This year their second annual dinner was held. In addition to a field trip to Washington D.C., they sponsored events to celebrate the Bicentennial. Phi Alpha Theta held a career program for all students of the college outlining the opportunities available to liberal arts majors.

Dr. Arthur Hughes, Chairman of History and Political Science, is moderator of the chapter. The current President is Marie Imbriano. Other officers include Robert Genalo (Vice-President), Stephen Bruce (Secretary), and Stephen Figliozi (Treasurer).

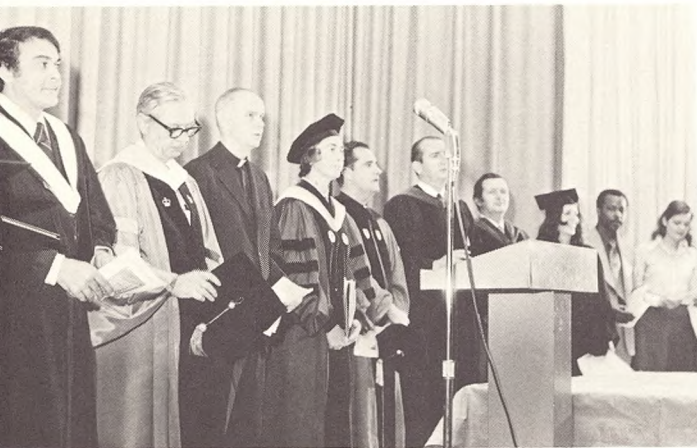

THE DUNS SCOTUS HONOR SOCIETY

Dr. Daniel A. Walsh, Jr., Moderator.

Founded in 1935, the Society is named for Blessed Duns Scotus, a Franciscan scholar and champion of Our Lady's Immaculate Conception. Pope Pius IX incorporated the explanation of Blessed Duns Scotus into the dogma proclaimed in 1854. In 1209, St. Francis of Assisi dedicated the Franciscan Order to the Blessed Mother, which celebrates on its calendar the Feast of Mary, Queen of the Franciscan Order, December 15th, the octave of the Immaculate Conception.

Election to membership in the Society is based on high scholastic standing, participation in extra-curricular activities, evidence of loyalty to the ideals of St. Francis College and demonstration of a true Franciscan spirit. At commencement, each member has the privilege of wearing the distinctive red and blue tassel on the cap. Membership does not cease at graduation.

Established in 1910, the St. Francis College Business Club continues to promote the principles of "scientific management." Two years later the first Professional Management Society was formed. Today, the Society for the Advancement of Management (S.A.M.) is our chapter of the American Management Associations.

Through the interaction of students, faculty and professionals these two clubs assist in the communication and practice of management. This year's officers were: Vincent Bagarozza, President; Ellen Sagona, Vice President; and, Lisa Gallotta, Secretary-Treasurer.

Science Society

The Science Society provides a means for students of chemistry and biology to get acquainted with the many fields open to science majors. By stressing the importance of Science in today's world, the Science Society hopes to develop a professional attitude among its members. Fairly new to St. Francis is the American Institute of Biological Sciences chapter known to many as the Biological Society. Officially chartered in 1975, the society provides an opportunity for students of the biological sciences to have the benefits of a professional association. Preparing and presenting scientific material before a biological audience is excellent experience for the society's members. All programs are designed to create a professional spirit and pride in biology.

Since the creation of the Botanical Society in 1974, a touch of greenery has been added to our college. The Society's extensive projects include their annual plant sale, as well as the maintenance of the roof garden; planters in front of school, and plants in the student lounge. The members raise their own plants for school use and

publish a semi-annual booklet about plant care. The purpose of this Society is to offer to the students and faculty a chance to learn horticultural skills and gain respect for living things.

Sr. Virginia Cotter is the moderator while Joseph Anelli, Cathy Bontke and Gail Kolks are the respective officers. Chairman of the plant sales is Fran Celentano.

Vice President Cathy Bontke and President Joe Anelli conduct a meeting of the society.

Black Student Association

Organized in 1974, the Black Student Association was created to stimulate a greater interest in student unity and to develop the conception of individual and collective sound responsibility on the part of students. In its attempt to achieve its purpose in a spirit of tolerance and liberality, the Black Student Association strives to maintain attitudes and procedures that are strictly non-sectarian, non-partisan, and non-ethnic in nature.

German Club

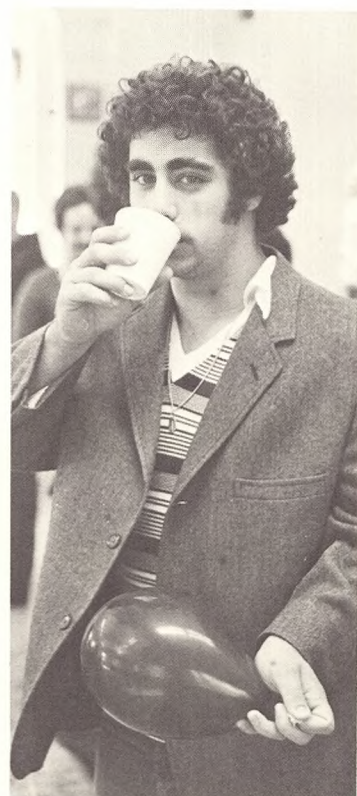

For more than 10 years the German Club has been bringing to St. Francis a touch of German culture through activities such as the Oktoberfest and the Christmas Sing-A-Long. The Oktoberfest is a German tradition of singing, eating, drinking and merry making. The Christmas Sing-A-Long includes a repertoire of German carols. The Club also sponsors films about life in Germany. The members of the German Club represent St. Francis in the annual Steuben Day Parade. They also include a German Mass which they attend at St. Joseph's each year.

Prof. Rutar, Bernard Reiss, Fran Celentano, and Joe Anelli.

Students from other activities enjoy the German celebration.

Psychology Club

The Psychology Club of SFC was formed in order to promote greater involvement of psychology majors in their field of study. The club has a library consisting of various psychological journals and graduate school catalogs. It has been beneficial to students. This past year has been highlighted by a lecture series, combined seminars with the Science Society, field trips, and a spring raffle. The President, Tony Fiore, Secretary-Treasurer, MaryLou Scherquist, and club members have aided all psychology majors.

Accounting Society

The Accounting Society has completed four years of informing its members of the opportunities and developments in accounting. Under the leadership of its president, June Carroll, they have welcomed guest speakers from the Public, Private and Governmental sectors of the field. The accounting interns also spoke about their work experience with the Big Eight firms at one of their meetings.

St. Thomas More

Pre-Law Society

The St. Thomas More Pre-Law Society was founded in 1963. Its purpose is to direct and advise prospective students hoping to enter law school. During the year, representatives of law schools and other professionals address the members. In the twelve years that the society has been in ex-

istence, it has coached and prepared many students for taking the Law School Admissions test. The majority of the time, they have been successful. On May 1st, the annual Law Day Luncheon was held and the "Albert J. Conway" award was presented to an outstanding member of the law profession.

The history of the St. Francis College Ski Club has been erratic and inconsistent for the past six years. An informal club was formed last year and a weekend trip was organized by Frank Spinosa.

This year, a constitution was drawn and adopted by the club. The purpose of the club is principally to sponsor ski trips, show films, and to gather technical information on the sport in order to stimulate an interest in it. A weekend trip was held once again this year.

(l-r) Charles Mason, Jonathan Trenchfield, Blessings Aruzu, Hazel Blackman, Ian Mahoney, and Felix Miranda

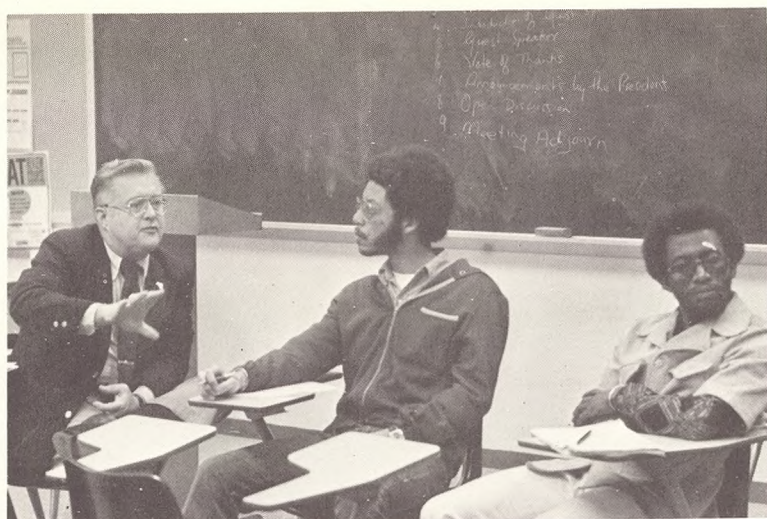

There are many people in the St. Francis community. Some come from the Far East, the West Indies, Africa, the Americas and Europe. To give the growing body of foreign undergraduates an opportunity to be together and to be active in the College, the Foreign Students Association was formed in 1973 and is steadily growing.

The Association has worked to encourage its members to participate in the social, academic, and general activities at St. Francis College.

The present moderators of the Association are Professors Monaghan and Languili. Dr. Flynn is the president of the Foreign Students Alumni Association.

Mr. Donald Paulussen was guest speaker at F.S.A. meeting.

The Health Science Association has been active in St. Francis for three years. Aside from aiding Health Science majors in choosing a career through professional speakers, field trips, health fairs and films, it attempts to maintain a healthy environment at SFC. This spring the Association attended a professional convention which was held in the Poconos. It also conducted an award ceremony for its members.

Knights of Columbus

Having been formed to foster the four principles of the Order—Charity, Unity, Fraternity and Patriotism the Council at SFC boasts of total membership of 150. It consists primarily of Graduates of the early seventies and present students.

In conjunction with the state councils they run two chance book drives each year for the handicapped. Four

masses are organized for the members and their families at Easter, Thanksgiving and the beginning and end of the school year. Time, money, food and toys are donated regularly to charitable organizations. Socially the Knights of Columbus hold a dance, conduct parties and participate in sports events at the college during the year.

In order to provide an alternative form of entertainment and involvement for the students at St. Francis, a group of individuals began Treaty Stone five years ago. In the past the members have published a literary magazine and a newsletter. The club's most successful venture has been the Folk Fests.

Students and alumnae provide relaxing evenings of entertainment three or four times each year. The selections played include Pop and Country, Traditional and Contemporary. The performers are given the chance to present their talent free of the pressures of a professional engagement. The small but dedicated group of students are the key to Treaty Stone's success.

This year, as in the past, the Saint Francis College Student Government has managed to enhance the school by bringing new, enjoyable areas of interest and activities to the students. Meetings of the Student Senate and the Executive Committee headed by President Al Risicato led to such

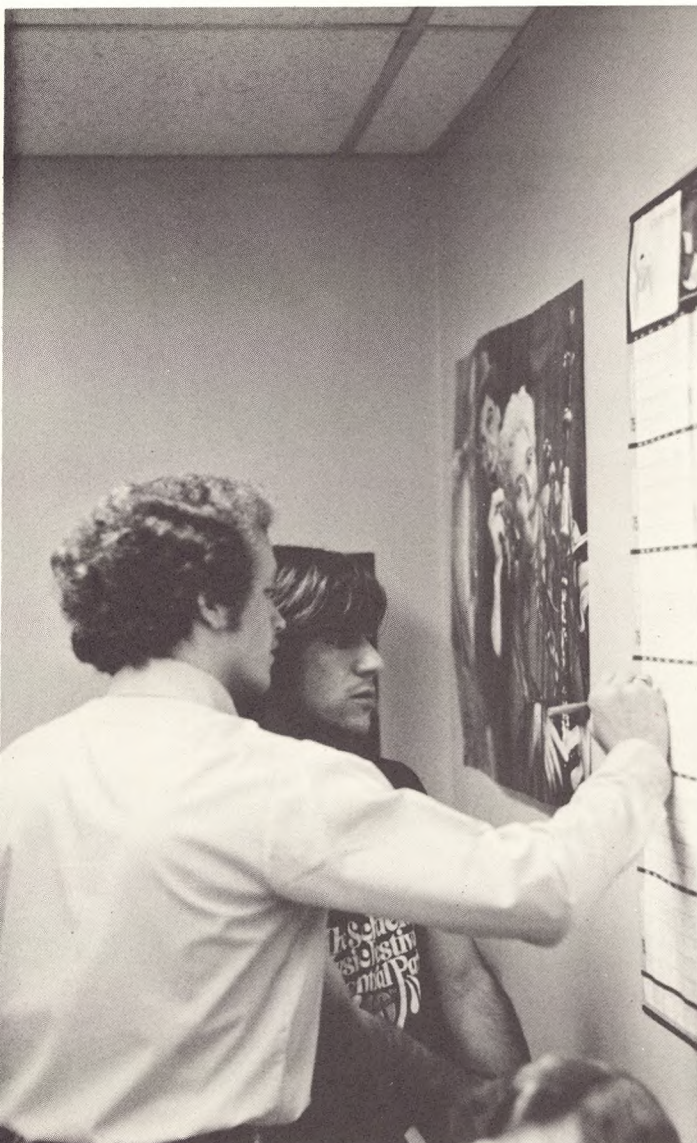

innovations as Party in the Park. This Saint Francis College first allowed the students and faculty alike, to partake in an enjoyable afternoon get-together this fall at Belmont Lake State Park. Other school functions which served to unify the student body were several weekend mixers held in the cafeteria, and well appreciated popular movies shown in Founder's Hall. Other events sponsored were the traditional Soph-Frosh Ball and Senior Prom, new additions to the game room, and the opening of the new sun roof.

Saturday Barbecue—Finale for

For a change of pace the Freshman Orientation Program lasted a full week this year. Various activities were sponsored for the freshmen in order to get acquainted. There was a brown bag lunch, a movie, a pool party, tours of Brooklyn Heights, and the annual barbecue.

Although the weekday events suffered from poor attendance, Saturday's turn out was favorable. The faculty was available during the morning hours to discuss the courses offered in their departments and members of various clubs and fraternities recruited during lunch on the roof. The day ended with a volleyball game between the faculty and the students. "Them" beat "Us" two games to one.

Action...

St. Francis received visitors from the film community. On September 28, they were here to shoot scenes for a film entitled "A Secret Space." It was the story of a young Jewish boy's conflict with his parents. The film revolved around the boy's struggle to maintain an Orthodox lifestyle in his home. The film was directed by Ms. Roberta Hodes, who together with Rosalyn Regelson wrote the screenplay.

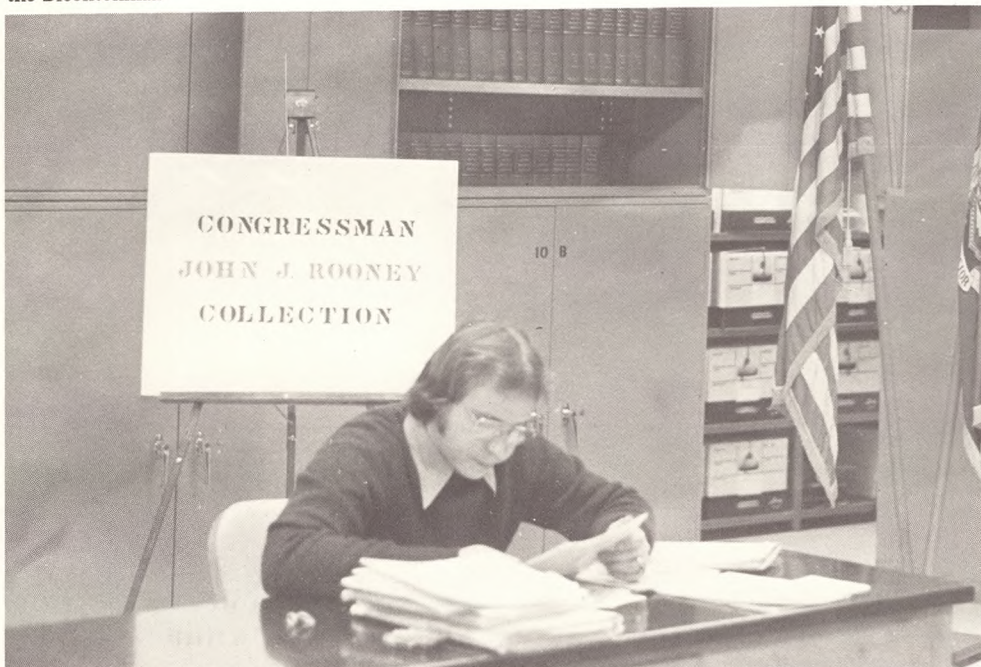

The scenes of a community center were filmed in our gymnasium. The film, which was seen in March on Channel 13, starred Robert Klein, Phyllis Newman, and Virginia Graham. The part of the boy was played by 11 year old Jon Matthews.

JAMES A. KELLY HISTORICAL INSTITUTE

Arthur J. Konop received calls from neighboring states as they prepared for the Bicentennial.

John Grzanka helps to organize and decode original documents.

The James A. Kelly Institute for Local Historical Studies of St. Francis College was created in 1973 and named for the late Borough Historian of Brooklyn.

It houses one of New York's largest collections of primary source records on Local History. Original charters of the Dutch and English Governors, Indian deeds, Town Records and miscellaneous documentations account for over three million pieces.

The map used for the front endsheet as well as the line drawings used for divider pages were obtained from the Institute's collection.

The Congressman John Rooney and Congressman Eugene Keogh Collections, Alderman Peter McGuinness Collection and Francis Sinott papers as well as a number of political scrapbooks and memorabilia have been added for the scholars and students of Urban Politics to research.

The Institute is open to the general public, teachers and students alike.

Since its inception, THE VOICE has served the all important function of presenting a focal point for student opinions, as well as serving the college community as its sole student newspaper.

During any typical year the staff and editors offer coverage of major news events, human interest stories, the arts, and sports to the student body. But much more is necessary for the publication of a student run and operated newspaper. Others work diligently during production sessions to proof-read, type, and paste-up the pages of each bi-monthly issue.

1976 has seen the addition of another club to the college community. The Physical Education Club, open to all students, was begun to stimulate interest and develop pride in the areas of Health, Recreation, and Physical Education.

One of the highlights of the year was the clubs' atten-

dance at the Eastern District AAP Convention held at the Concord Hotel on January 21-25 with the hopes of meeting prospective employers and gaining an insight into the current trends and changes in Physical Education.

The club should prove an important and valuable addition to St. Francis in the years ahead.

The Zeta Iota chapter of Alpha Kappa Psi has been at St. Francis since 1964. As a Professional Business Fraternity they have sponsored programs for the business major. The entire student body may take advantage of their income tax assistance available from Feb. through April, free of charge. For the past few years the fraternity has helped out the JFK Scholarship Fund Drive. This year the chairman of this committee was the frat's president, Richard Cardiff. The brothers of Alpha Kappa Psi also serve as ushers at graduation each year.

ALPHA PHI DELTA

Alpha Phi Delta is a national fraternity which was founded in 1914. Today, there are seventeen active chapters and fifteen alumni clubs spread over the United States. Beta Sigma, the chapter at St. Francis College, was established in 1961. Since that time, they have been actively involved in school and community affairs.

Alpha Phi Delta co-sponsored a mixer this year as well as attending their national convention. Each year they attend their district's picnic and Christmas Dinner Dance. For the past ten years they have maintained a fraternity house at 140 Lawrence Street for their business and social activities.

PI ALPHA

In 1906, Pi Alpha Fraternity was established. The twofold purpose for its inception was to promote friendship and loyalty. Through the seventy years that Pi Alpha has been in existence within St. Francis, the brothers have striven to fulfill these goals. Being a socially oriented fraternity, open parties for all brothers, students and friends of St. Francis College are thrown throughout the year. Three important events held annually are the two pledging periods and the Pi Alpha Ball which is held in early May.

PI SIGMA

Pi Sigma Sorority celebrated its fifth anniversary at St. Francis College this past November. Formerly Phi Kappa Chi; Pi Sigma, Delter Chapter, became a national sorority in 1970. There are three other "sister" chapters in schools throughout the New York area.

Pi Sigma is a social sorority whose enrollment consists of thirty active sisters and over twenty alumni members. Besides its pledging periods, the sorority sponsors its annual Formal each spring.

The Officers for the 1975-76 term are:

PRESIDENT:
Ellen Priolo
VICE PRESIDENT:
Doreen Loughren
SECRETARY:
Denise Duggan
TREASURER:
Maddie Towers
SOCIAL CHAIRWOMAN:
Patty Farrenkoph
HOUSE CHAIRWOMEN:

The St. Francis College soccer squad faced a rugged 12-game schedule this fall in addition to competing in the Hartwick College Tournament at Oneonta, New York.

In Division I Met Soccer Conference games, the Terriers met Fairleigh Dickinson University, Long Island University, Pratt Institute, Fordham University, Brooklyn College and Adelphi University.

The schedule also included contests with York College, City College of New York, University of New Haven, Hunter College, New York University and Manhattan College.

The team has benefited from the excellent coaching of Carlo Tramontozzi. Coach Tramontozzi captained the L.I.U. team in his playing days and later served as their assistant coach. He came to St. Francis in 1968 and has compiled a record of 60 wins, 38 losses and 9 ties.

FRONT ROW: Martin Dedvukaj, Herman Petsche, Philip LaSpisa, Tarcisio Fava, Dragon Radovich, Louis Valdes, John Carollo, Asst. Coach Joseph Marano. TOP ROW: Head Coach Carlo Tramontozzi, Gaetano Messina, Alfred Carrabotta, Gregory Kourtesis, Harold Harrison, Michael Wiles, Flaviano Vozila, Stephen Hiris, Lionel Payan, Errol Sebro, Manager John Charles.

In their SPARE time

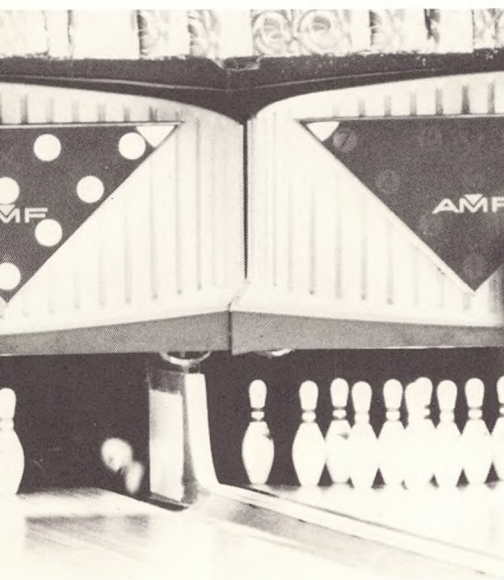

Moderated by Prof. Ernest J. Petrucelli, the Bowling Team met every Sunday to play other members of the Eastern Intercollegiate Bowling Congress. Teams of five played three games a week rotating on a seven point system. They have participated in MECCA, College Union, and New England Intercollegiate Tournaments. Co-captains Edward Lee and Barbara O'Brien have led the team against schools such as St. John's, St. Peter's, Stonybrook, Baruch, and Pace University.

Barbara O'Brien strikes again.

Steve Russo, Glenn Rivano, and Sam Ronda watch keglers in action.

The St. Francis College Ice Hockey Club plays the varsity teams within the metropolitan area. The home games take place at the Coney Island Arena. This year the Ice Hockey Club competed against: Fordham, Fairleigh Dickinson, Brooklyn, Ramapo, Morris, Nassau, Iona, CCNY, and Wagner.

Determination and the Student Government Budget has kept this sport alive at SFC.

STUDENT LIFE

Searching, studying, stumped, shy, stored

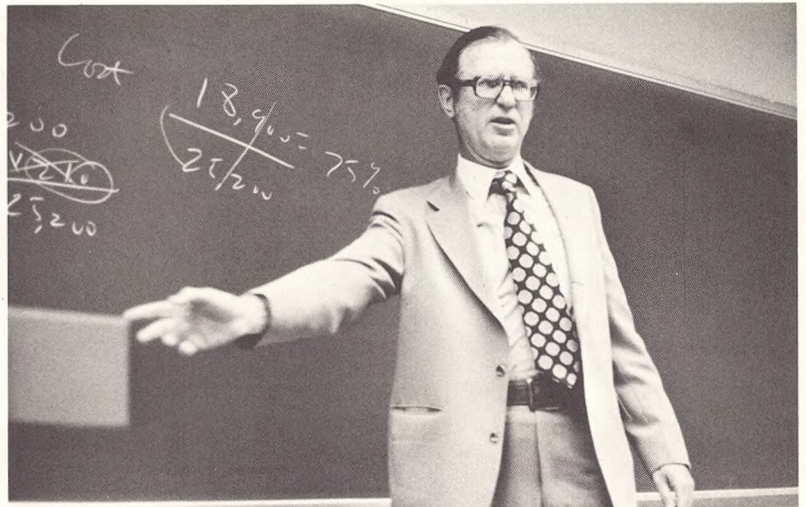

Is this any way to put together a paper?

Tough, tense, tired, tests, tears

SFC—a life of fun and games.

"Alright, which one of you took my chalk?"

unpleasant, unique, united, useless

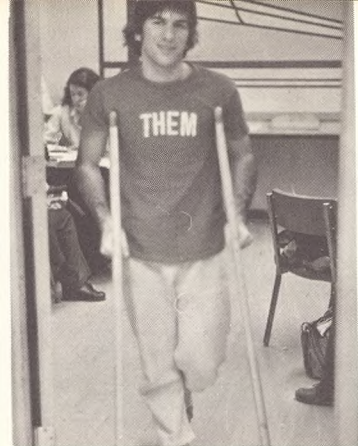

"Boy, this burger is the cat's meow."

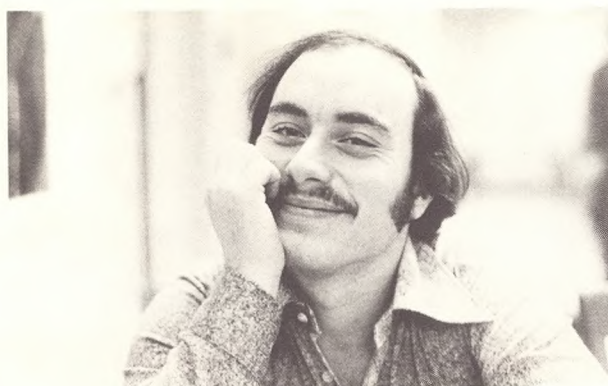

"That's because it's a Rana-burger, 'Two all-cat patties, special sauce, lettuce . . .'"

The Jim Mahon Maintenance Award. ►

"You should see the guy that got away."

I think, therefore I must be.

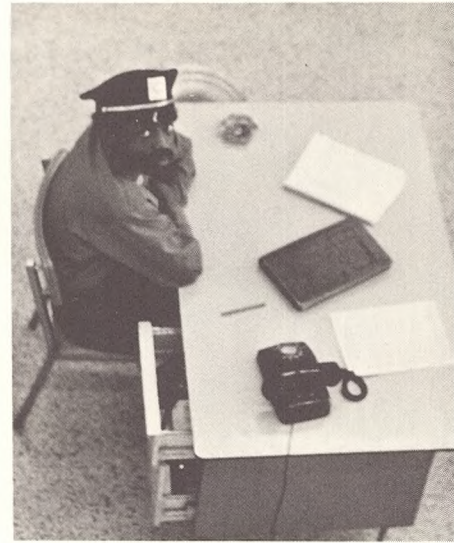

daydream, discover, dilly-dally, drunk

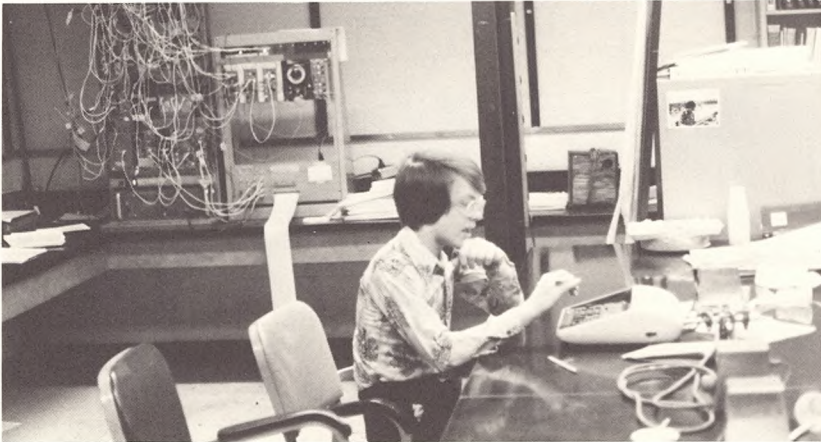

"Hi! I'm Lorraine, Fly me."

Juliet, Juliet, wherefore art thou my Juliet!

escape, excited, ego, eating

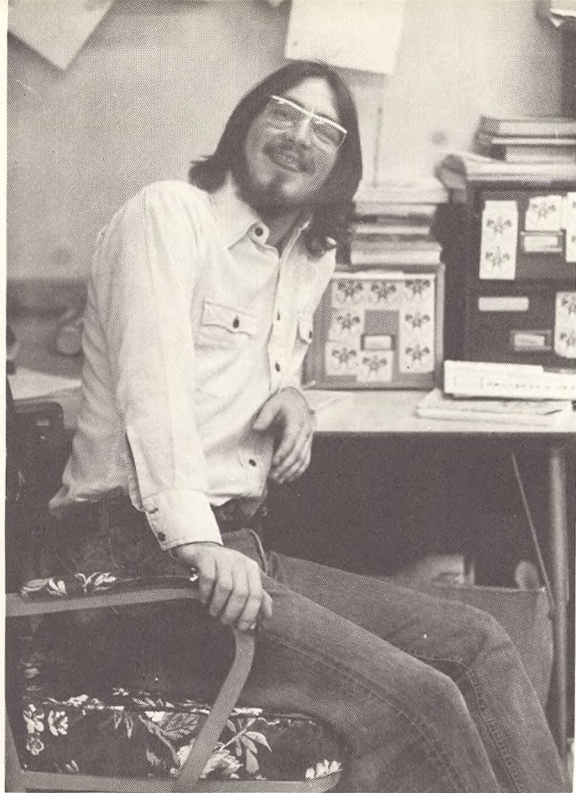

"Beam me up, Sulu."

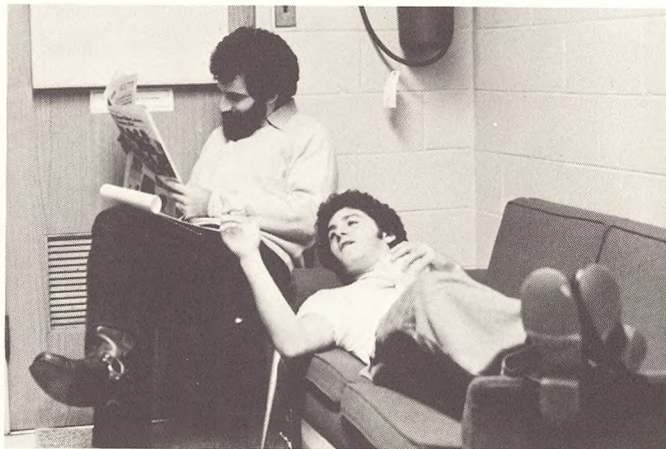

"Hmmm, food goooooood."

Everyone wants to get into the act.

"And now for my impression of Jerry Ford."

"Well, Doctor, I have this fear people think I'm boring."

nutty, neurotic, noisy, nincompoop

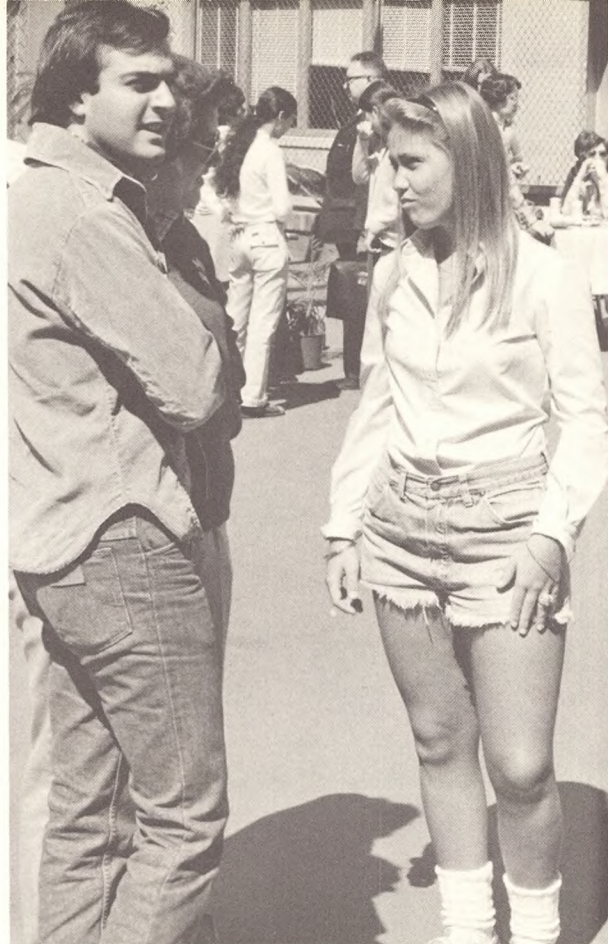

"Leggs, Leggs, Leggs are here!"

Do the Hustle—Come to Diane Nolan's Dance Studio.

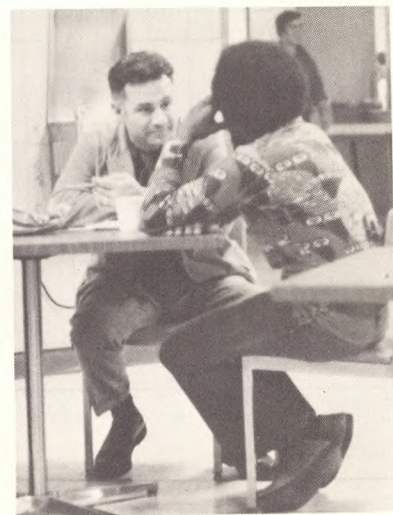

talking, teaching, thanks, time, trivia

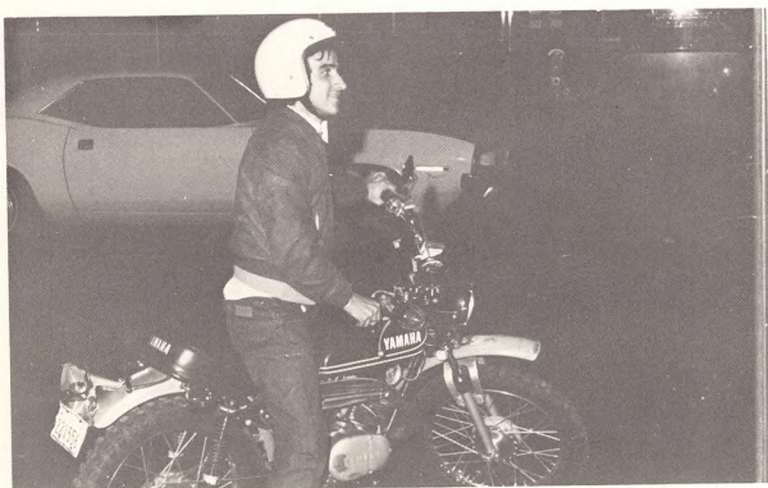

"She did that on the first date!" ▶

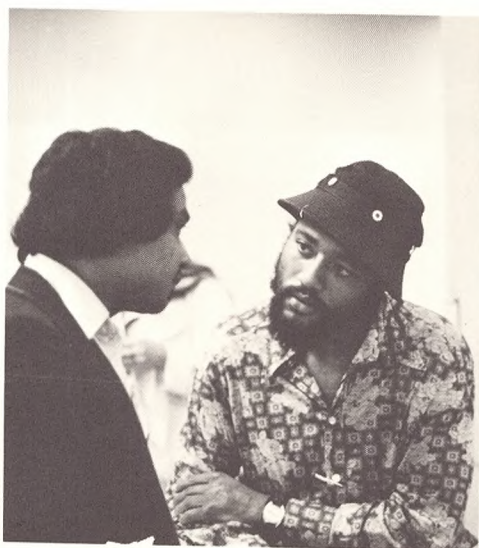

Maybe if you write Dear Abby . . .

laughter, loving, lackadaisical, lucky

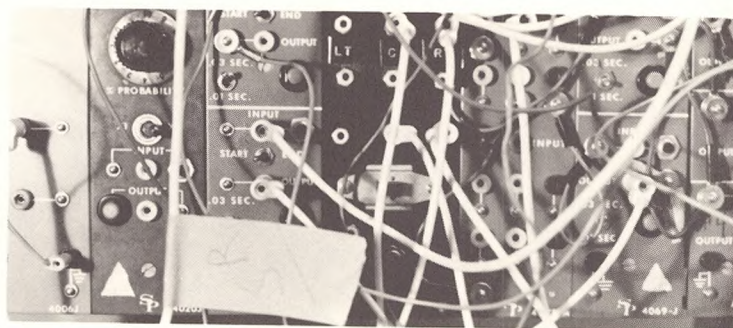

◀ Then came Lomuscio.

(Sigh) . . . if I only had a brain . . .

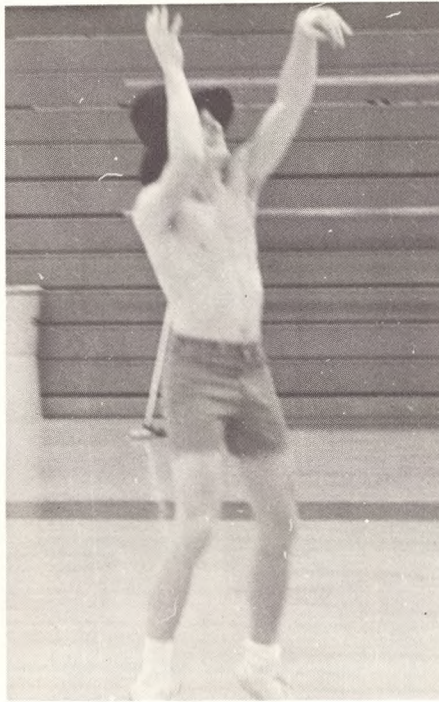

intellectual, impossible, inquisitive

Are you serious? Was
this really catered by
Rana's?

... once in a lifetime ...

To each his own.

Today the cafeteria, tomorrow the world.

THIS
IS
YOUR
PROUDEST
HOUR

..... Culminating a period in your life you will always want to remember. As your official photographer, we feel elated to have been able to document this cherished era with photographs pulsating the very life you lived - the very thoughts you spread - the very feeling you so warmly and sincerely shared. This reality though captured in a split second will be an everlasting record for posterity.

The future holds many events for you that you will want to remember - Please feel free to call upon us for all of your photographic needs.

As you paged through this book I hope you will remember the sights you have seen on your journey through college. Upon entering St. Francis we all had the same graduation destination in mind. However, the roads we chose to travel tended to differ among the various majors and individuals. The way each of us reached graduation depended upon the type of vehicle driven as well as the maps and signs followed.

The Class of 1976 had quite a few graduates who test drove a new highway called C.L.E.P. They merged with the other travelers for the remaining three years of tolls, detours and other obstacles.

Do you remember those tolls? They were not spaced very evenly, were they? Twice a year tuition payments were due, along with a toll for books, a toll for labs, a toll for fees, and another for supplies. Then it was free riding, until we approached the next semester's toll booths.

For some, the toll zones were just a slow down as they threw their monies into the basket. For others, it was a time when toll collectors reported their numbers to the highway patrol. They were subsequently pulled off the road because of an outdated registration or invalid inspection sticker. It was quite frustrating to have pre-registered and then have all your courses cancelled. Occasionally, you were stopped due to an administrative error. Other times, you just forgot to pay on time.

Do you remember the flat tires, overheated radiators and engine troubles? You were stopped for an hour or two under the boiling, hot sun without a spare. There were days when you were not prepared for those tests. You failed them and, therefore, had to spend more time on repairs. You had to study harder to make-up that low grade in order to receive a higher one as your final mark. Yes, there were times when you had to slow down a little and carry a lighter load, so

that you could make it all the way.

The weather conditions and the contour of the road added to the difficulty in driving. Occasional glances at the roadside warned you about dangerous grounds. The guard rails were dented by careless drivers. Their C's and D's hampered future traveling but they were able to continue their journey. However, some other cars were not as fortunate. Their F's remained on the road as do wrecked and abandoned cars. These people had to get another vehicle before they could get back on the highway.

Let us not forget the stops for food, fuel, rest and relaxation. We met former traveling companions of the Core Curriculum. We compared notes on the routes taken and joined them in the variety of extra-curricular activities available along the way.

No matter what maps we followed or roads we traveled, each was patrolled. We were warned that any traffic violators would be prosecuted and also that people in distress would be assisted in times of need. Both the Administration and Faculty were skilled for this highway patrol.

Each time you look at this book, I hope you remember the roads traveled during the 1975-1976 academic year. I would like to extend my appreciation to all those who have helped in the production of this log. To Raymond Domkowski, my assistant; to my family and friends for their encouragement; and to my staff for all their time and effort.

Seniors: You have reached your destination—congratulations on receiving your degree. Good Luck to you on your next trip in whatever direction it takes you.

Underclassmen: Keep your eyes on the road. It has been traveled before and there are cars coming up behind you.

To All: Have a safe trip on your continuing journey through life.
