The Franciscan presents the year 1989 in review. It displays the manifestation of hardwork and achievement pervade in the minds and actions of all students at St. Francis. Captured within these pages are new friends, old buddies, favorite professors; immortalized are the special events, the celebrations, and the victories.

It is a looking glass for all to view. It is a mirror giving forth the spirit of the young, the confidence of the old and the determination of all. The Franciscan represents a speculum reminding us of our hopes, dreams, and aspirations. It is a reflection . . . A Reflection Of How Life Used To Be.

# OFFICE OF ADMISSIONS

---

Left to Right: Cindy Villaman, Samuel Zucker, Steve Broder, Ingrid Henry, Jackie King.

The Admissions office deals with accepting qualified students into St. Francis. These are the people who review Freshmen High school transcripts and decide which are S.F.C. "material." The material being a competitive average, decent S.A.T. scores and no set plans, other than college, for the next four, five, maybe six years. This is the department that continually sent you mail about your acceptance and then had you come in on the hottest day of the summer to take a placement test. S.F.C. may be private and catholic yet they welcome all individuals to apply. It is the policy of St. Francis to admit as matriculated students only those applicants who present evidence that they can successfully pursue courses leading to a degree.

# FINANCIAL AID

---

Left to Right: Arlene Scotto (Secretary), Bro. Alfred J. Kinzig, F.S.C. (Financial Aid Counselor), Evelyn Perez (Secretary), Bro. Thomas O'Neil, O.S.F. (Director of Financial Aid).

If there is one department all S.F.C. students are familiar with it is this one. The Financial Aid department is designed to insure that no otherwise — eligible student is prevented from attending the college solely because of inadequate finances. These are the folks who sacrifice their summer in order to help you understand the F.A.F. Personally, if a student accepts the challenge of filling out the forms they should be entitled to something. The only qualifications a student needs is to be registered for at least six credits and demonstrating program eligibility. So when January comes and you see students in rags humbling moaning on 1M you know it is time to fill out your F.A.F.

# COLLEGE RELATIONS

---

Ann Amore  
Vice President/College Relations

Left to Right: Rachelle Bucchieri, Lillian Ortiz, Lanoa Inness (Administrative Assistant), Ann Maria Fazio (Director of Public Relations/Publications), Phyllis Bria (Secretary), Brother Michael Russo, O.S.F. (Director of Alumni Relations), Janine Nardone.

# REGISTRAR

---

Left to Right: Jacqueline Rauert, Thomas McGwynn, Cheryl Isles, Brother Robert Schaefer, O.S.F., Angela George

The Registrar's office not only puts up with the students' impatience during registration but they also provide us with other services such as transcript requests, diplomas and the ever fearful semester grades. No, really they don't accept bribes. The registrar also accepts applications for degree forms (if you think you'll be graduating anytime soon) and withdrawal forms, which you may submit after you've failed your midterm exams. Overall the registrar's office is a very busy office and you could bet you will find yourself there more than once.

“WE KNEW WE WOULD LOOK BACK AT THE TEARS WITH LAUGHTER, BUT WHO WOULD HAVE THOUGHT WE WOULD LOOK BACK AT THE LAUGHTER WITH TEARS.”

— ANONYMOUS —

How can I sum up four years at St. Francis? Difficult? Of course, but I'll try. These four years at St. Francis have been the most challenging and yet they have been the most rewarding four years of my life.

St. Francis has enabled me to grow as an individual and to strive to be the best. There are many memories that will be everlasting in my heart and in my mind. True friendships that have been made over the years that have encountered many obstacles, yet in doing so has made the bonds of friendship even stronger.

I will be forever indebted to St. Francis College, faculty and students. To St. Francis which provided the arena, to the faculty for the training and guidance, to the many students who provided support and encouragement to meet the challenges. All have given me the opportunity to strive for excellence. Through all my endeavors at St. Francis, I felt I was never alone. I will be forever grateful for this.

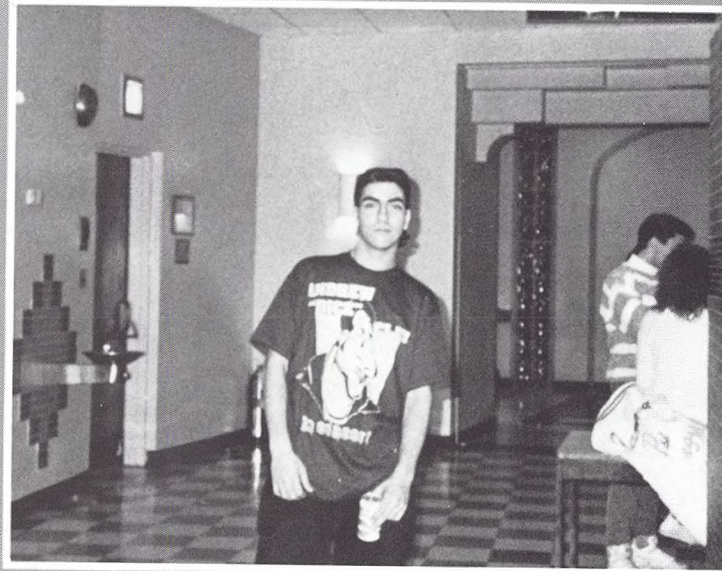

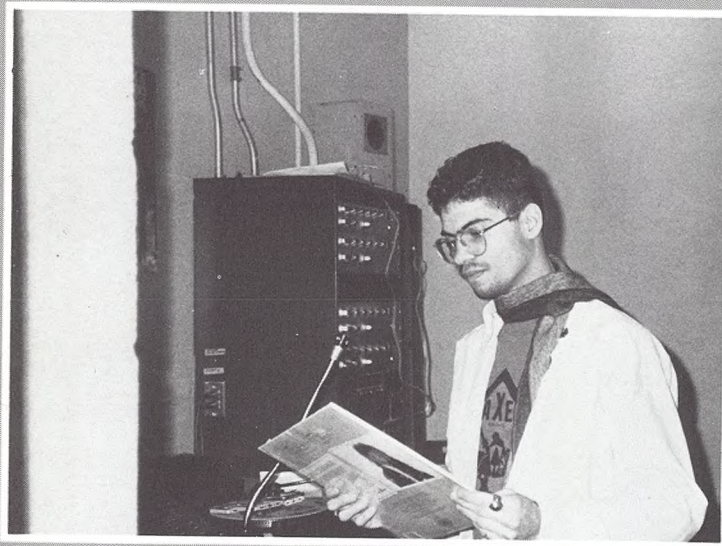

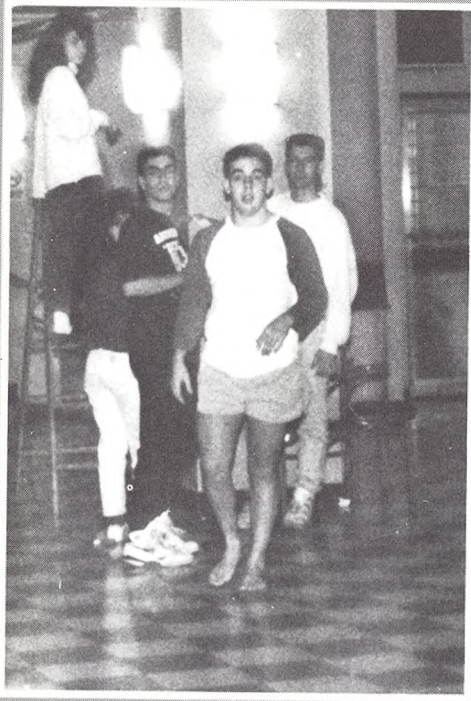

To the graduating class thanks for the memories, I'll be honest in saying that I don't know how to say goodbye. So I will leave you with this thought . . . The next time we meet, if there is a smile on my face and a tear in my eye you will know at that moment I will be reminiscing about the good times we've shared at S.F.C.

GOOD LUCK AND GOD BLESS!

IN THE SPIRIT OF ST. FRANCIS

# DIRECTORS OF ATHLETICS

(left) Carlo Tramontozzi, (right) Sam Carrington

**T**he Athletic Department of St. Francis College is headed by two dedicated men, Carlo Tramontozzi and Sam Carrington. These two men are responsible for running and keeping up athletics in the St. Francis tradition.

Carlo Tramontozzi, the Athletic Director, enters his fourteenth year as Athletic Director at St. Francis College with high hopes for the beginning of a new era in athletics for the Terriers. Tramontozzi is responsible for the changeover from six men's teams to eight male and female teams. And after 21 years of leading the men's soccer program, he will step down to devote his full attention to the Athletic Department as a whole. St. Francis College has honored him with a 15 year medal of distinction as a teacher/administrator and by being named to the St. Francis College Hall of Fame.

Sam Carrington is another of the highly dedicated St. Francis faculty. Carrington, the Assistant Director of the Athletic Department, handles the business end of the department. When sweats need to be ordered and keys need to be made, Sam is called. He also budgets the sixteen teams and makes all the traveling plans for the Terriers.

Patrick Horne handles the publicity of all our St. Francis teams. Our school newspaper features articles written by Patrick himself. Brochures are written and organized by Horne as well as team stats. Another job of the Athletic Administrator is to monitor grades and make sure all team players are eligible grade wise and to compete for St. Francis.

Irma Garcia is not only the Women's Head Basketball Coach but also the Women's Athletic Director. All of the women's sports are moderated by Irma. Her duties include team staffing, and monitoring grades. Irma monitors Women Athletic scholarships too. The St. Francis Athletic Department certainly has some dedicated and talented directors.

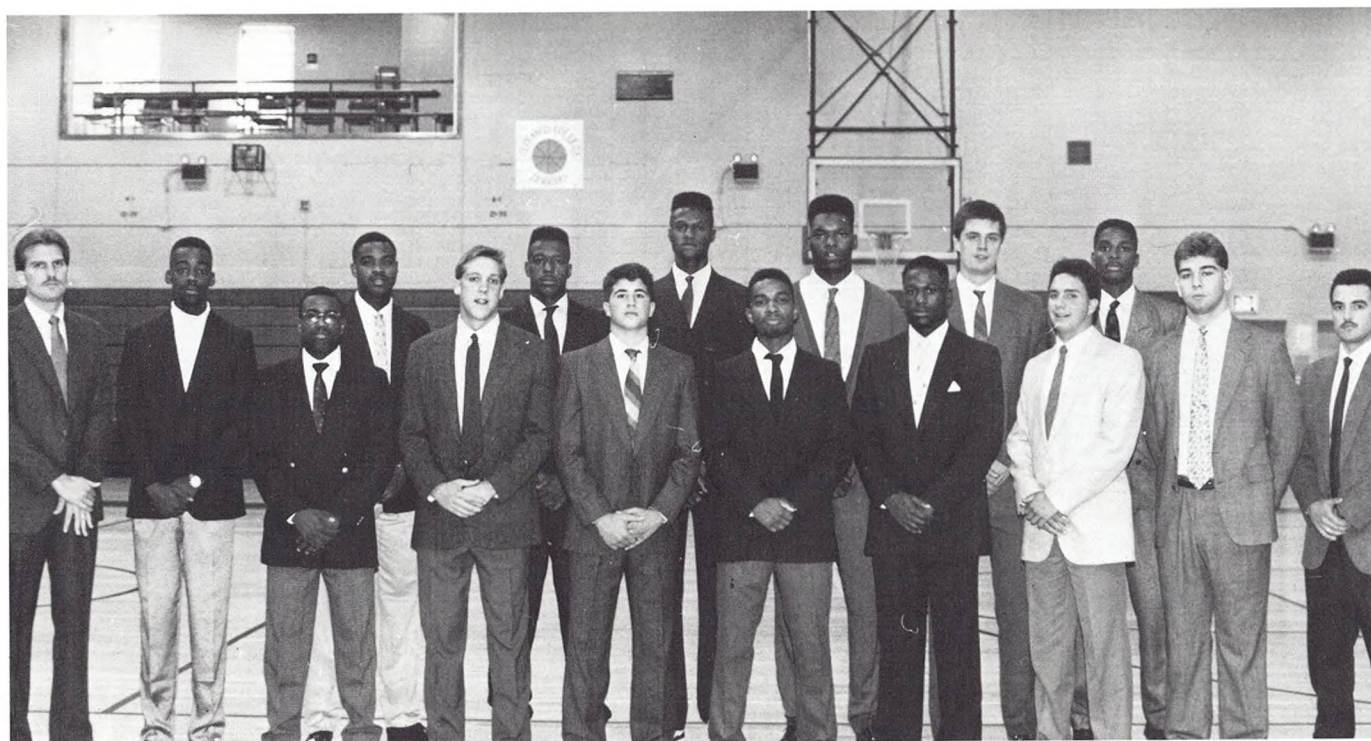

The newcomer in the Athletic Department is Eva Gamboi. She is our new Intramural Director. She also coaches the Cross Country/Track team. Eva is an alumnus to St. Francis, a graduate of the Class of 1980. Her main job is organizing intramurals and sport recreation time. She makes sure that visiting teams have their needs taken care of and makes sure that there are lifeguards at the pool for the students.

**R**ich Zvosec enters his second year as head basketball coach at St. Francis College. Coach Zvosec says that "it is my responsibility to help each player mature as a total person, not just a basketball player." Asst. Coaches Chris Casey and Glenn Braica are on staff for the first year at St. Francis.

Senior players include Tony Robinson, Steve Mickens, and John Flannigan. Tony earned a spot on the All Newcomer Team and was MVP in the Coca Cola Beaver Foods Classic. Steve set the St. Francis record for most 3 pointers in a season and percentage in the 1988-89 season. He was also named to the All Tournament Team. John appeared in all 30 games for the Terriers last year and contributed a lot defensively and finished second on the squad in steals with 41.

"By finishing on a strong note, I feel we accomplished the goal of establishing a winning attitude," emphasized Zvosec. "Now its a question of maintaining momentum and fitting the new players into the puzzle."

The Lady Terriers are going for the gold in 1990. The Terriers worked a lot without the ball; they trap as much as on defense, forcing teams to play man to man so as to create as many turnovers as possible. And at the other end of the court, the Lady Terriers depend on their strong point — perimeter shooting.

Irma Garcia starts her second year at the helm for her alma mater. Garcia earned a B.S. degree in Physical Education in 1980. "We have a very positive attitude, and we're healthy," Garcia said. Garcia will be assisted by coaches Eddie Boles and Cynthia Coles.

Senior Pam Curcio is striving for the all time scoring leader in St. Francis history. If she can average a 22.9 ppg, she'll win the title. Karen Erving, a junior, needs 94 points to reach the 1000 plateau. With eight letter winners, including all five starters, returning, 1989-1990 should be a much improved season.

With 11 freshmen in his squad, head coach Frank Del George's baseball Terriers posted a 14-10 record, which includes a 2-0 sweep of conference rivals Wagner College and Fairleigh Dickinson University, and splitting its two games each against Monmouth College and Long Island University.

Coach Del George has every reason to be proud of his ball club. If this record is an indication of what is to come this spring, then St. Francis should very well be in the running for the Northeast Conference title.

The 1990 Lady Terriers softball team is filled with promise and new faces. Of the 13 members on this year's squad, eight are new, which leaves a great deal of responsibility for the five returnees. Third-year coach Darlene Crowe feels that this mix of freshman enthusiasm and upperclass experience would provide a winning chemistry for the season.

This year's team is led by co-captains Lisa Paskewitz and Gina Lynch. The team finished 8-21 last year.

"When I see all this talent in practice, my most difficult decision in games will be who to play at which position," said Crowe. "It's going to be nice to have this flexibility in personnel; everyone should contribute."

Crowe feels that the Lady Terriers' hectic schedule will judge the team's ability to compete against other NCAA Div. 1 teams. The season's highlight is the Northeast Conference tournament, in which the champion gets an automatic bid to Eastern College Athletic Conference regional playoffs, a goal the team is striving for.

Sam Carrington is the new head coach of a 10-8-2 team that is ranked 10th in New York State but has only seven letter winners, including two starters returning. Sam Carrington expects to also start nine freshmen this year.

The Terriers return one veteran at midfield, senior co-captain Anthony Carollo (3 goals, 5 assists). Alongside him will be a variety of skilled players.

The 1989 Northeast Conference soccer first and second teams were announced, recently, and four St. Francis booters were recognized for their consistent play throughout the season. Andy Haynes was named to the first team as a fullback while Terriers top scorer Irving Ellison won a spot in midfield.

Senior Captain Jimmy Gannon and sophomore goalie Chris Hynes made the Mid-Atlantic Conference All Tournament Team during the Conference at Navy. Their performances helped propel the team into the Eastern Intercollegiate Water Polo Championships, also at Navy. The St. Francis Men's Water Polo team are not forgotten men anymore.

Coach Carl Quigley's team finished the tournament 1-2; it beat George Washington University, 8-5, and lost to Cornell, 8-6, and Penn State, 7-4. The Terriers went into the tournament with a 9-12 overall record and 4-4 in the Conference.

The 1989-1990 Men's Swimming Team suffered through a tough season going 2-6. Two of these losses were heartbreaking in that they were point losses — St. Peter's 97-96, and Queens 107-106.

With these team losses came personal victories. Led by team captain, Senior James Gannon, the Terriers accomplished much. Gannon's personal best was 5:53 in the 500 yard freestyle. Kevin Brennan succeeded in his best, 2:43, T, M and 2:29 in the 200 yard freestyle.

With the improvement of personal times, and a good recruiting year, St. Francis swimming will be noticed in the future.

The 1989-1990 Women's Swimming Team had a good year in going 7-3 following a disappointing 1988-89 season. The team is led by Alicia O'Donnell, captain. Alicia's season's best includes 6:02 500 yard free-style and 1:05 100 fly. The underclassmen did equally well in times. They achieved excellent times in breaststroke, freestyle, and fly. Danielle Reichart, the Terrier diver, proved the team proud.

With the continued personal improvement of times, and the added addition of an incoming freshman class, the Lady Terriers will be forced to be recognized.

As a two-time varsity player and a starter for the 1989 Lady Pioneer Team, Darlene has the experience to guide the St. Francis Volleyball team to victory in the future. Eileen Guzman enters her first season as assistant coach after graduating from St. Francis in June 1989. She was a four year starter in volleyball as well as team captain.

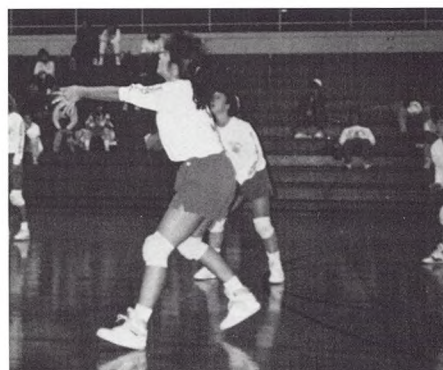

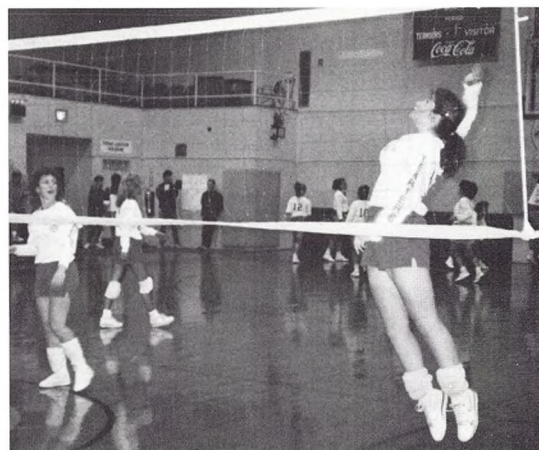

The team finished with a 13-19 overall record. The outstanding players include Senior Teresa Stuto, Junior Lisa Paskewitz and Karen Erving. Crowe commented on her senior player, "Teresa has given four good years to St. Francis. When she played, she gave 110 percent every time." "She played her heart out — held the team together." Lisa Paskewitz was a strong spiker and improved tremendously. Karen Erving's "aggressiveness made her unstoppable." The whole team proved strong and very competitive.

The St. Francis College Men's Tennis Team is comprised of several returning veterans — Senior Jose Rodriguez, team captain Lonnie Green, number one singles player Mike Fagebaemi, John Morgan and Bob Ramon. Talented newcomers include Gary Groes, John Mascialino, and Jose Calderon.

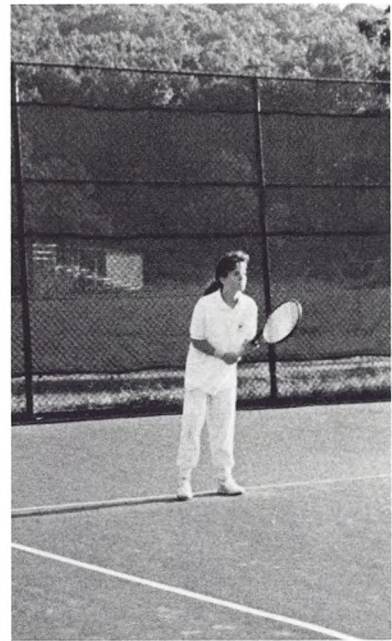

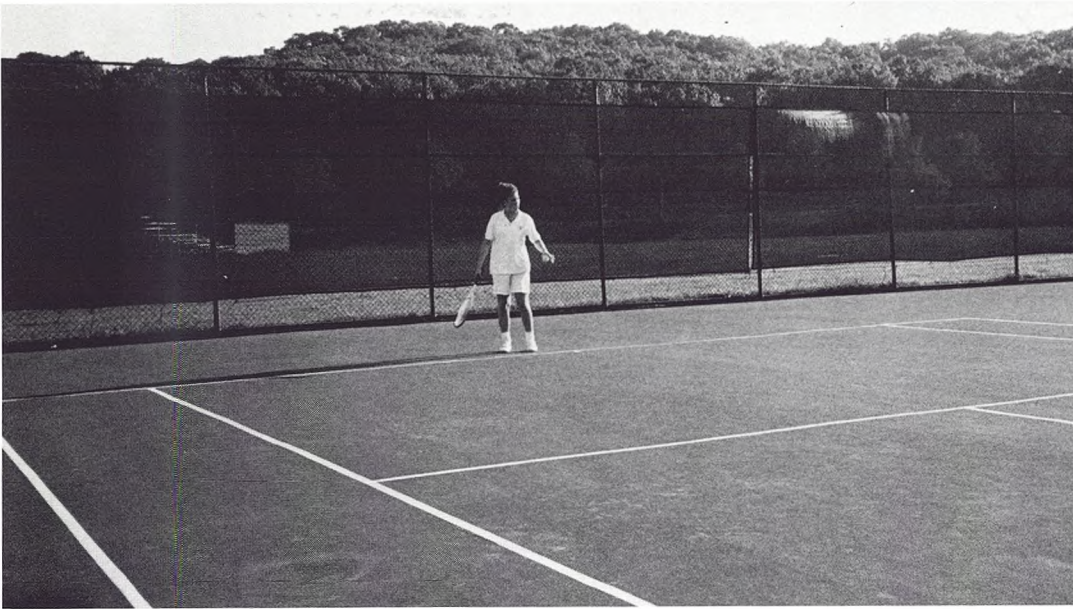

The team starts workouts in February and by late March is in full swing. Coach Cassidy says that we have one of the most talented teams St. Francis has had in several seasons. If the players work hard, it could be a very exciting season.

The Terrier women swung their rackets more positively this fall, finishing with an 8-4 overall record, a major improvement over last spring's 2-7 finish and 1988's 0-3 campaign. "It took a concerted effort on the team's part," said second year coach Tom Cassidy, a St. Francis alumnus, who also coached Xavier High School to two Mayor's Cup tournaments in the last five years.

The Lady Terriers had some big wins during their season. They dominated conference rival LIU, beating it twice during the season, 5-2 and 4-3; they toppled Adelphi, 7-2; beat Molloy 9-0; and set back Mt. St. Vincent 7-2. The College of S.I. also fell victim to the Lady Terriers, 5-3.

Senior Valerie Waterman finished 8-2 in singles play and 5-7 in doubles. The rest of the team did equally well in both single and double play, showing that great St. Francis spirit and talent. The Lady Terriers finished in eighth place in the Northeast Conference.

Lady Terriers junior center Karen Erving, who toiled hard under the boards the past two and a half seasons for the Terriers to accumulate 643 total rebounds, is ranked 20th in the nation in rebounding by the latest NCAA Div. 1 women's basketball poll. This accomplishment is the second of its kind for Erving as she was ranked 23rd in scoring by the same poll last year.

John Arnold, a sophomore guard from St. Francis, was named the Most Valuable Player of the 15th annual "Battle of Brooklyn" basketball game. Arnold helped pace his team to a 74-63 victory in the Northeast Conference game in which he scored 10 points, 6 free throws, 6 rebounds, 6 assists, and was credited with 1 steal in 40 minutes of action.

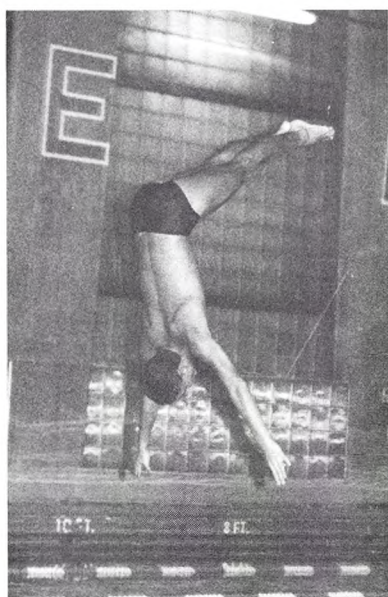

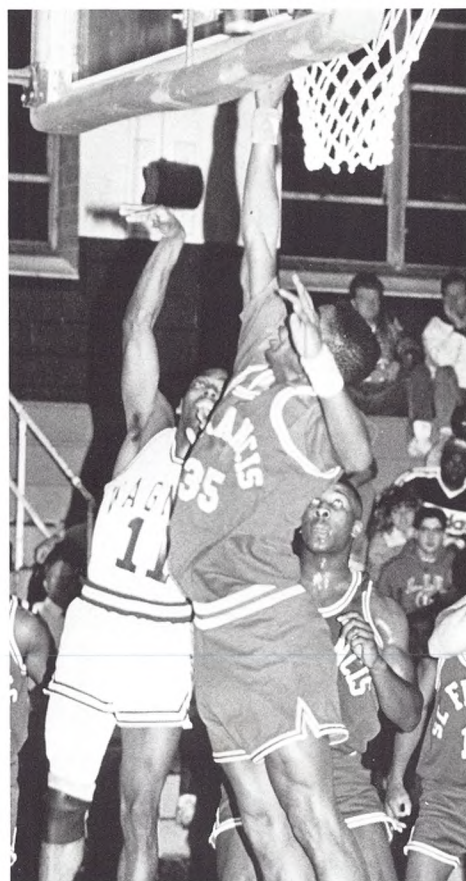

Terrier center Terryl Coombs was named Northeast Conference Newcomer of the week, taking the honor for the second straight week. Coombs was also ranked nationally by the NCAA in field goal percentage and rebound categories.

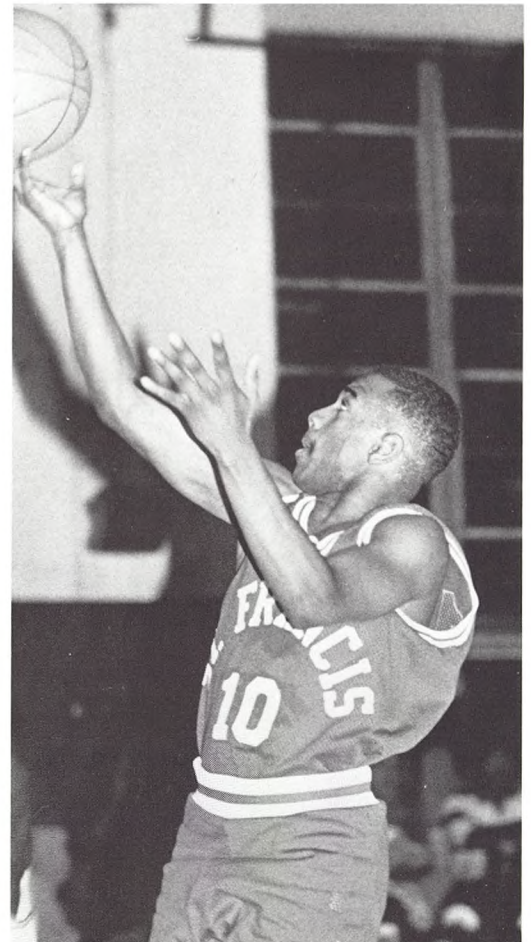

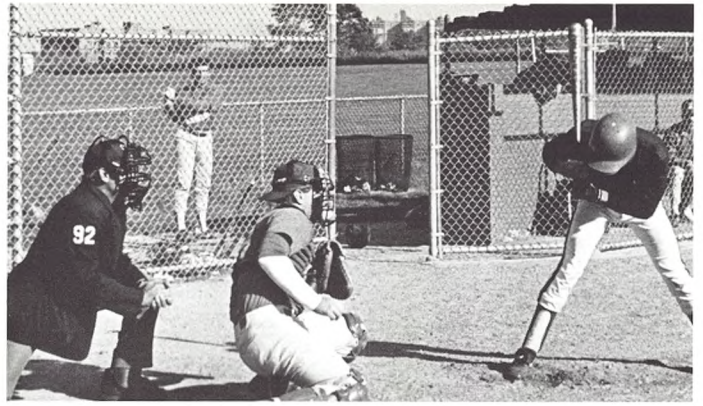

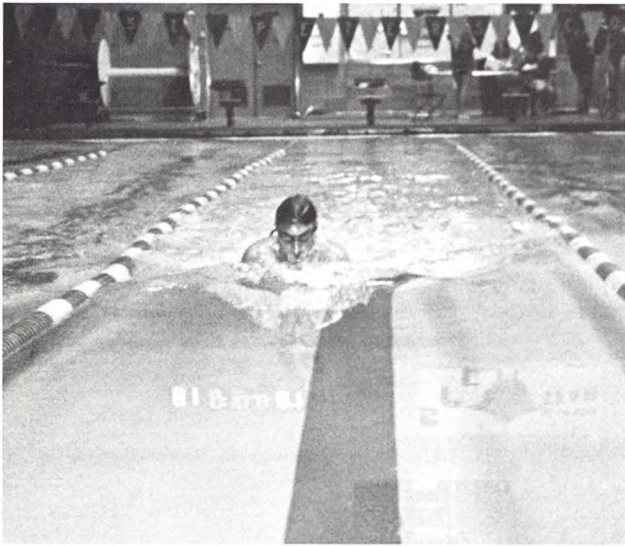

Anthony Robinson was also ranked nationally by the NCAA. He was ranked no. 12 in rebounding averaging 11.5 boards after six games. He was the third leading rebounder in the NEC at season's end last year. Robinson was NEC Newcomer of the Week also.

“The power of determination.” When we began the Franciscan this statement had no meaning, now it is our philosophy to difficult tasks.

Whenever we felt we could not accomplish this task or things got rough we turned to you the Graduates; without your input, support, and complete coopera-

tion and spirit this book would not be the masterpiece it is.

Being a college yearbook, we assumed the seniors would not be as involved but the worn path to our door proved us wrong. At first we thought you were all a bit high strung but we persevered and found you were simply concerned, since we're only sophomores. Your constant need to motivate us was appreciated but we wonder, were you trying to convince us we could do it or yourselves?

In the future, when you turn the pages of your yearbook, we hope it is a “Reflection” of the culmination of triumphs which led to your Graduation. For us it will always be a “Reflection” of our first great triumph on the road to our Graduation.

# GOODBYE . . .

Alicia, Kathleen and Liz,

It's been great having allies in high places. We had fun getting to know you. Congratulations and good luck in the future.

Kevin,

Good Luck and congratulations. Auto-focus camera — blurry pictures, great shots of water, psycho-bitches from Hell, never early, never late, never here, it may not be your body but you think it's your right. We hope journalism isn't in your future but whatever you chose may you be happy.

Gail,

Thanks for always volunteering your time when you didn't have it to spare. Congratulations, we'll miss you but we know we'll see you in O'Keefs.

Angel,

Thanks for taking pictures for us but sorry there is still no discount on the yearbook. Maybe if you buy one in 1991. Glad we got to know you and hope you do great in the future. Take care of Melissa.

Roberto Franco,

Thanks for making our first semester at St. Francis so much fun and keeping the fun alive for the next three. Maybe one day we'll tell you what was in the box and why we wore the bows. We will miss you!

Jerome Roberson and Anthony Layne

Jerome — what is your last name? Congratulations and thanks for all your help guys, especially your typewriter.

Moni,

For all the weekends I missed this is what I have to show  
Love, Your partner in Crime.

To All the Graduates, Good Luck and much Happiness in the Future.

Love,

# S.F.C. EVENTS

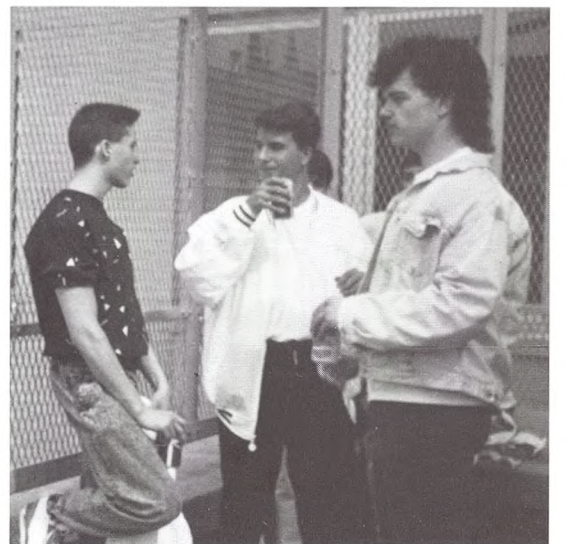

# FRESHMAN ORIENTATION

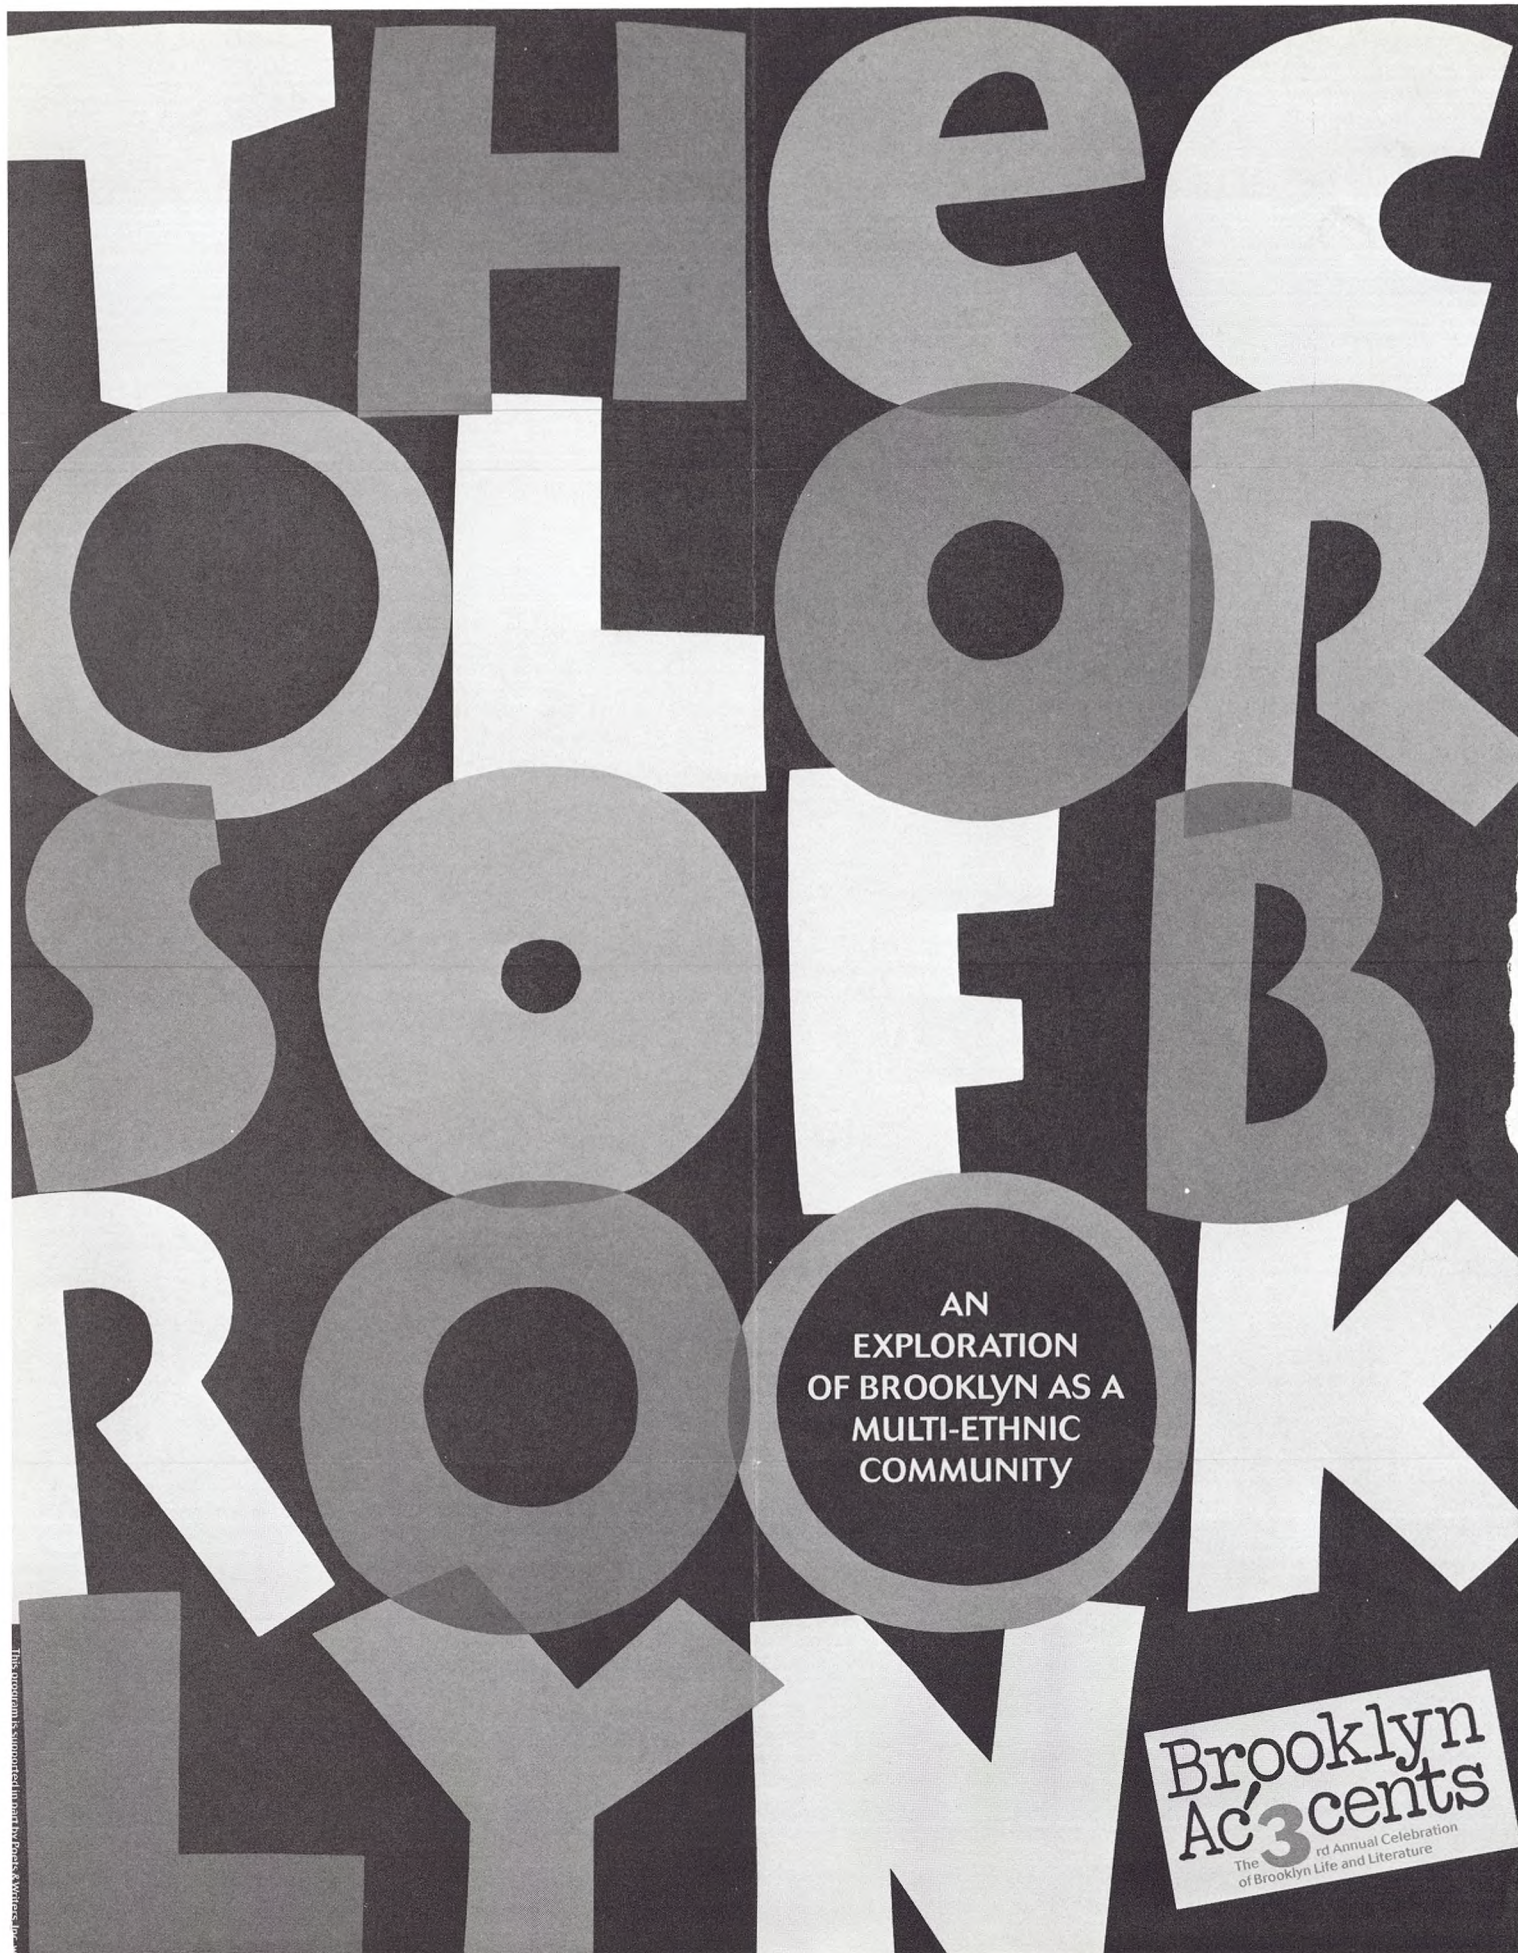

Freshman Orientation takes place days before school begins. It is an event that allows freshman to become acquainted with the school. The day starts off with a warm welcome from Brother Donald and continues with a tour of the school. The emphasis of the tour being the direction in which the escalators run. The tour ended on 1M "the activity level," here the opportunity was given to sign up for clubs and organizations. After all the formalities of the day were over, the class of 93 were invited to partake in one of St. Francis' most liked and enjoyed event: Free lunch, D.J., and Partying.

Brooklyn  
Ac3cents  
The 3rd Annual Celebration  
of Brooklyn Life and Literature

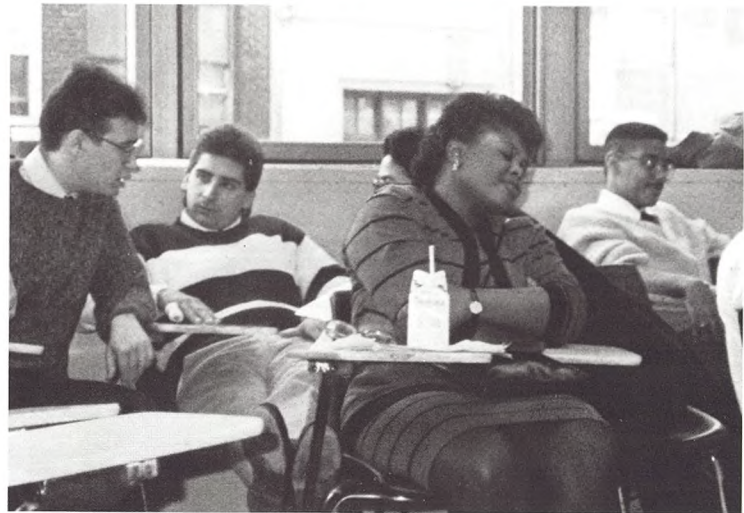

Brooklyn Accents 3: The Colors of Brooklyn is a symposium which explored various aspects of Brooklyn as a multi-ethnic community. The symposium began with Brooklyn writers and poets reading their work and discussing their writing lives and Brooklyn experiences. This session began with four winners of the St. Francis-sponsored high school writing contest, the topic which was "Race and Ethnic Relations in My Community," reading their essay. The closing of the symposium was a luncheon roundtable discussion on media coverage of race relations. A distinguished group of journalists and community leaders were at the college to discuss this important issue.

# MOOT COURT

The St. Thomas More Law Society sponsors an annual Moot Court. Moot Court gives members the opportunity to use their knowledge of the law practically. It enables members to gain experience and knowledge of the mechanics of the court room. This year's Moot Court took place on November 4, 1989. Both the prosecution and defendants portrayed excellent ability. The final verdict was decided by the jury, which was compiled of members and students. The day proved to be meaningful as well as enjoyable to all who attended and participated.

# A.P.D. BLOOD DRIVE

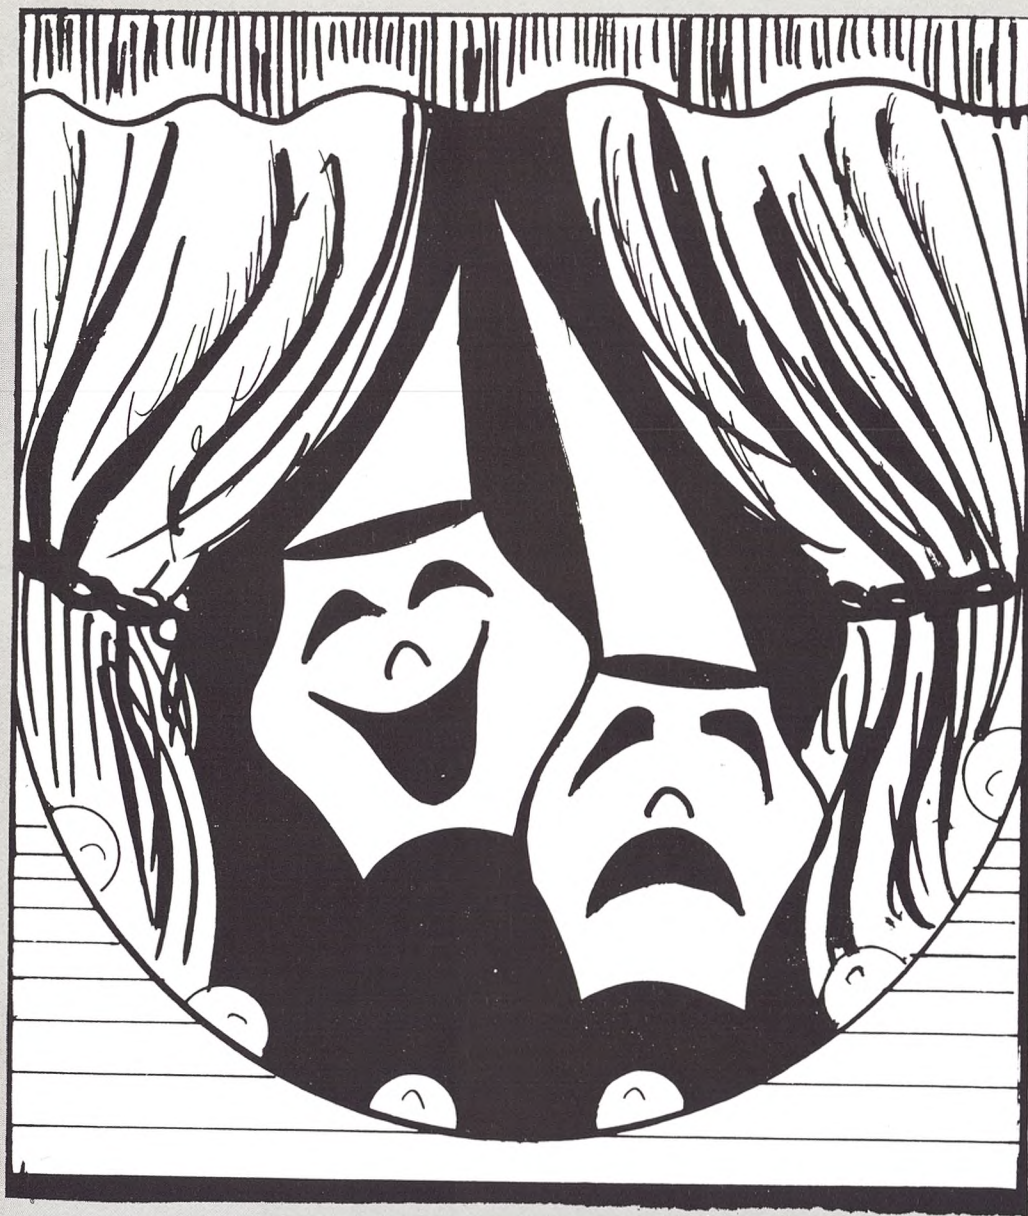

The brothers of Alpha Phi Delta co-sponsored a blood drive, with the student Health Department, on October 4, 1989. The theme for this year's drive was "Jhonathan was born with a hole in his heart. Ten of you saved his life." Mark Bertman, a representative of the Greater New York Blood Program, assisted the brothers and Nurse Ford by preparing a presentation, in McArdle Lounge, on the safeness and easiness of donating blood. The Greater New York Blood Program provided the beds, nursing staff and refreshments for the donors. On October 4, 1989 a total of 30 pints were donated. Alpha Phi Delta reminds you that someday you, a friend, or relative may need blood, so please donate.

The Troupers is an organization on campus that allows artistic students an outlet. It also allows us a sneak peek at the talent and stars of tomorrow. Featured in the next pages is the Fall 1989 production, "An Evening of One Acts." The first act was entitled "An Actors Nightmare," by Christopher Sweeny. This was about an actor who finds himself the lead of several plays and unaware of his lines. The second was entitled "Next," by Terrence McNally. This was about the drafting of an overaged, overweight man, Marion Cheever. The third was entitled "Remedial English," by Evan Smith. This was about a high school boy in search of love with a fellow high school boy. All the actors were magnificent and the evening was definitely a success.

Congratulations Sis! I'm so proud of you and all that you have accomplished! The True teacher is one who gently uses patience and understanding to aid others in seeing their worth. You have always done these things and more and I know you will do wonders in the profession you've worked so hard to reach. Thank you for teaching me the meaning of friendship, love and understanding. Much happiness and success in all you do.  
Love,  
Jennifer

Jail Gilroy,  
On behalf of the homeless, the deprived and unfortunates of our society, I'd like to take this opportunity to thank you for them. It's people like you who remind people like me that there is a higher god than gucci . . . Don't forget to teach your students the extracurricular subjects!  
Love ya, Bay Ridge Bim,  
Lizabeth Amato, May 1990

Tara Santore,  
No matter what I have preached remember: Every female is a "Bunny" at heart . . . Good luck in grad school and when it gets tough, put your two fingers to your head and think of that special group of bright young women who made up the Honors Program; your guaranteed to smile! Quilt, Washington, Honors class giggles, Trapped in elevator, Men! Men! Men!  
Love,  
Lizabeth Amato, May 1990

Nicia Canal and Vinny Malozzi;  
Congratulations! One of the most memorable times I had at S.F.C. was Bahamas Spring Break '87 with Jill. Little did we know then that you two were destined for marriage. I guess we were too busy singing the Peter Catalano, Crunchy Catalano theme song! You two are great, and I wish you much love and happiness always.  
Love,  
Lizabeth Amato, May 1990

Tony Layne,  
You'll never know how much you have affected my life. Thank you so very much. One day we'll meet again. Be happy Tony.

David Behar,  
On a serious note  
I'd like to say  
I hope you do well on the C.P.A.  
Because my money I like to spend  
and I dread doing taxes at the year's end.  
To my financial matters you can tend  
because I know you are my friend,  
And in return I'll help you out  
in a flash without a doubt  
Although as an attorney I'll have lots to do  
but I'll help you if you want to sue.  
Good Luck. You sarcastic accountant!  
Lizabeth Amato, May 1990

Merry Leonardi,  
"You know you've got to slow down, you've been working too hard and that's a fact, sit back and relax a while, take some time to laugh and smile . . ." John Flannigan,  
Thanks for all the times that the baskets were for me — You'll never know what a rush it was to watch you play . . . The real John Flannigan is truly a treasure and a most valuable friend. Thanks for all the advice — you certainly are the smartest guy I know! . . . Hold on to Dawn because besides being so beautiful, she is your lucky charm . . . Always be happy and remember, you've got a friend in Bay Ridge whose door is always open.

Love,  
Dawn

Dawn Lanzaro,  
This was the 1st great year of our lives together.  
Love Always,  
John

Alicia Switzer,

You are the best person I met in college; the only one who understood my philosophy or my attitude. The level on which we conversed was way beyond so many. Forever etched in my mind will be all the activities, strategies, plans, decisions, heartbreaks and laughs shared inside that little office on 1M. Although we both realize our special "collegiate friendship" can never be recaptured, we look eagerly to the future and to continuing a friendship of a different dimension . . . Aleee — there's no way I could ever express my gratitude for all you've done for me in a yearbook ad. I've got more class than that, please! (I mean that would be mortification at its peak!) Hey A-Lee-Cee-A get psyched, we're graduating! Remember: Bedrox, Moot Court, late nite Albany calls, campaign posters you never saw, Callahans, alcohol policy, middle states, Curr. committee, Freshman Orientation furniture moving, 1M student govt. office or bordello?, amendments, Kaplan (should be called immigration headquarters), LSATs, McDonald's vanilla thick shakes, street fair, I'll have a cherry ice, and that damn yellow campaign shirt, seabreezes and R • E • S • P • E • C • T!

Love,

Lizbeth Amato, May 1990

Lizbeth Amato . . . Thanks to my family — for without them, my life would have no meaning: Doug, Mom, Gram, Rudy, Jessica, Deborah, Peter James, and Maureen . . . Mom and Doug thanks for believing in me and for the financial support to see me through college. So how does it feel now that ALL of your children are successful college graduates? . . . Jessica, Deborah, Peter James and Maureen: each of you are special in my heart. You're not just siblings, but my best friends too. You guys will never know how much I derive from your lives to fulfill my own. The best party is when we are all together. Let's stay as close as we are today, forever . . . Cindy, congratulations on your college graduation, too. I've come to love you as my sister and when my brother finally gives you the ring I'll be overjoyed . . . So Family Thank you for the Love and Encouragement, it has meant the world to me.

Love The "Princess" Herself,

Lizbeth Ann

Jerome,

Don't let the sky be your limit.

Jerry

Congratulations Collette: Good Luck  
Congratulations Jerome: Hang Tough

Anne Marie

Jennifer Gilroy,

You'll never know how much you were missed this year or how much I value the day we met. If ever there was a virtuous person who could represent the essence of "Franciscan Ways," it was you. I am proud to be your friend.

Lizbeth Amato, May 1990

Kathleen Corrigan and Jimmy Legs,

I think it's about time you two got engaged! Success and Happiness Always.

Love,

Lizbeth Amato, May 1990

Vicki Cooke,

You'll never know how much I value your friendship. Thanks for being there.

Love,

Lizbeth Amato, May 1990

Theresa Campisi,

You with a perfect 4.0 (Valedictorian) and me with a 3.5, you would expect a profound message . . . In the scene in the Wizard of Oz, Dorothy finds it "Hardest of All" to say goodbye and leave her friend the scarecrow because she has grown so close to him. However, she tearfully says goodbye and claims they will meet again . . . Hey Scarecrow, here's to the future!

Love,

Lizbeth Amato, May 1990

Christina Clinton,

A friend is someone who knows all about you and loves you just the same . . . Thanks for being my friend, (I know at times it wasn't easy!!) Thanks for all the support and for never editing my articles. (Gee the power of the pen is certainly something, isn't it?) Good luck next year.

Love,

Lizbeth Amato, May 1990

Josephine Colombo,

In the future, I can only hope to aspire to be as good as a person as you are. When you run for political office count on me to be your campaign manager. Come to think of it, you can count on me being there whatever you do. You are truly a great friend.

Love,

Lizbeth Amato, May 1990

Anthony,  
From Brooklyn to Long Island, Newburgh, Wash. D.C., Florida, Albany and finally back to Brooklyn. You've supported me right from the start. All of my achievements and accomplishments would not have been complete if not for you being there to share in the moment with me. Always remember that "You give me reason to live!" Oh by the way don't forget we have a date in September 3:00 pm sharp! I can't wait. I'll always love you!  
Always,  
Alicia

Mom and Dad,  
To the two people who truly are "The Wind Beneath My Wings." You're the inspiration in my life. All of the love, support and encouragement has enabled me to strive to be the best. Thank you for always being there for me no matter what, when or where. I hope that one day I'll give you back some of the happiness that you have given me all my life. I love you with all of my heart. I DID IT!  
Always,  
Alicia

P.S. I have one question will you still be paying for Law School after I'm married? Well I tried! *Otay Panky!*

Christina,  
We have been through so much together in the short time we've been friends. All in all it has created a stronger bond between us. A friendship based on trust, loyalty and love. Who could ask for anything else? I'm gonna miss you. Memories . . . Do Do Do . . . School break, Wash. D.C., Orlando, Billy Joel, The Weirdos, Callahans, Surprise birthdays are not like they used to be. One more year for you. Good Luck. Don't give up, give in, or give out. We really have no luck with cops. Maybe it's just you. Think about it. Friends Forever. Love ya.  
Always,  
Alicia

Tony,  
I am going to miss you so much. Thanks for your honesty and your friendship. In all actuality you are still a child at heart caught in a man's body. But I love you anyway.  
Love,  
Alicia

Pete,  
Now what are you going to do without someone to keep you awake in classes. I guess that really doesn't matter cause how often have I been in class anyway? Thanks for the many good times. One more year Pete and then Law School. I know you'll do it. The only difference is you'll be working your butt off to get there and I'll be breezing right by. Some things will never change.  
Love,  
Alicia

Lizbeth,  
Piazan We're outta here! No sentimental goodbyes here. We're just moving on the next Plateau in life. Here's to the many good times, Callahans, Bedrox, Montague Saloon, Kaplan, Spring Break, Dude Ranch, St. Johns S.I., St. Thomas Moore, Summer School, Graduation, Marriage, Law School. Liz this is definitely mortification at its peak. By the way you never did tell me who that hot looking man was that came to pick you up. Don't forget never stand over someone on a train chewing gum and trying to blow a bubble.  
Always,  
Alicia  
P.S. May we never go up against one another in a court of law. It will make the papers. I'll call you tomorrow in the afternoon (I will not be calling in the morning anymore your friends always Alicea!)

Kathleen,  
Always remember good friends like Evelyn, Cecilia, Dawn and Cathy. How about pick-pocketing the wrong person, Irish soda bread, getting mugged, General Hospital, phone calls. So when's the wedding? Tell Jimbo to bring the absolute and let's go 'cruisin. You're a good friend. I'm gonna miss you especially your phone calls. Love ya.  
Always,  
Alicia

Maria,  
Well when are we going out? Want me to call you, forget it we know what happens then. You are the best! May we stay friends forever. I can't believe it's finally over! You have to come to Brklyn cause I'm not driving to Jersey. Forget it pal! Love ya. Call me?  
Always,  
Alicia

"Doc" Corrigan,  
What can I say? You have kept me sane so many times. Thank you for all you have done for me. May your classes of the future never compare to the ones you had while I was there. (And I know they won't).  
Love,  
The Boss Lady

Maura Smith,  
Just wanted to say thanks and good luck. If you ever become famous let me know I like having connections. T&M would have been a real success by now if you and I were still there they just don't know it yet. But as long as we do that's all that matters.  
Love,  
Alicia

John,  
Just want to tell you that I miss you a lot. I hope we can keep building where we left off because it's never to late.  
Love ya.

Always your sis,  
Alicia

Sandra (AKA — Brklyn Attitude),

Always,  
Alicia

Billy,  
Congratulations! You finally did it! I knew all along it was meant to be. I wish you the best of luck. I know you'll be the best. Love Ya.

Congratulations to the Class of 1990,

May you have continued success in the decades to come!

Jerome Roberson,

Senior Class President

Your cheery face in the morning, your ethical ways, and your keen integrity made me so proud to call you a friend. That laid back attitude of yours while I was so stressed about something made me calmer, and slow down my rattling speech. La Traviata, Grace Court, walks along the Promenade, the Woolworth building, roof top views, Chinese food and the rain is what I'll remember. You have been my source of strength and energy. You're my friend, confidante, buddy and brother. You taught me patience, I test yours.

Whatever you choose to do, and the destiny that it may bring, I hope to always be there for you.

T.C.

(5-23-89)

I remember when I first saw you. You were wearing a red sweater and all aglow with your true beauty.

Ah yes, I remember it well.

Our first date was filled with light and festivity; the entire evening was fulfilling with all the arts of the city — especially architecture.

Ah yes, I remember it well.

Soon I was destined to leave, however; that didn't shake us up — no siree. We kept it going through the most fragile time of a relationship.

Ah, I remember those letters well.

When I returned, we celebrated all year long; the Marlin Brando look was out and ours was in style. School started and we both were hard at work.

Ah, I remember it well.

Since the day we met, my dreams have been filled with you. Even though my memory is like a sieve the joy and happiness I have had with you is forever seared in my heart.

Ah, I remember it all so well and will keep remembering for all of our tomorrows.

Love to my dearest.

Partia

Pontdexter,

Maybe in another place and time. You had power right in the palm of your hands.

Zelda

Liz Amato,

Love,  
Jenn
