

FRANCISCAN

A black and white photograph of the St. Francis College suspension bridge tower. The tower is a tall, dark structure with two large, arched openings. It is supported by several thick cables that fan out to the bridge deck. In the background, there are several multi-story buildings, likely residential or commercial, and a body of water in the foreground. The overall scene is a mix of urban architecture and infrastructure.

EVENTS

Halloween Party '92

John Stupakis dressed as a baby. His costume was original and provided the throes of party-goers with hours of laughter and entertainment. He came close to having the best costume. Nevertheless, John's choice of attire was the right one.

The high point of the evening was when Ken Stafford won first prize in the costume contest. Ken dressed as The Terminator and won \$50 for his inventive costume.

Rocking at the Halloween Party '92

Halloween '92 was celebrated with style at St. Francis. The annual Halloween bash was the best ever. The dance floor was packed all night long. The music was sensational and the crowd was charged. It was definitely an evening to remember!!!

S.F.C. PRESIDENTIAL DEBATE

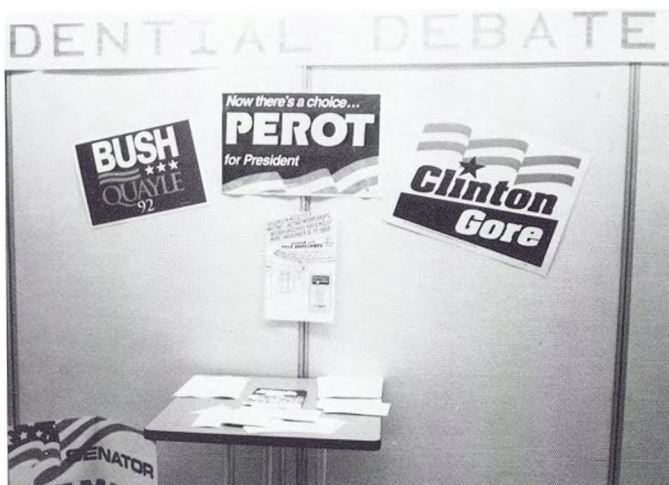

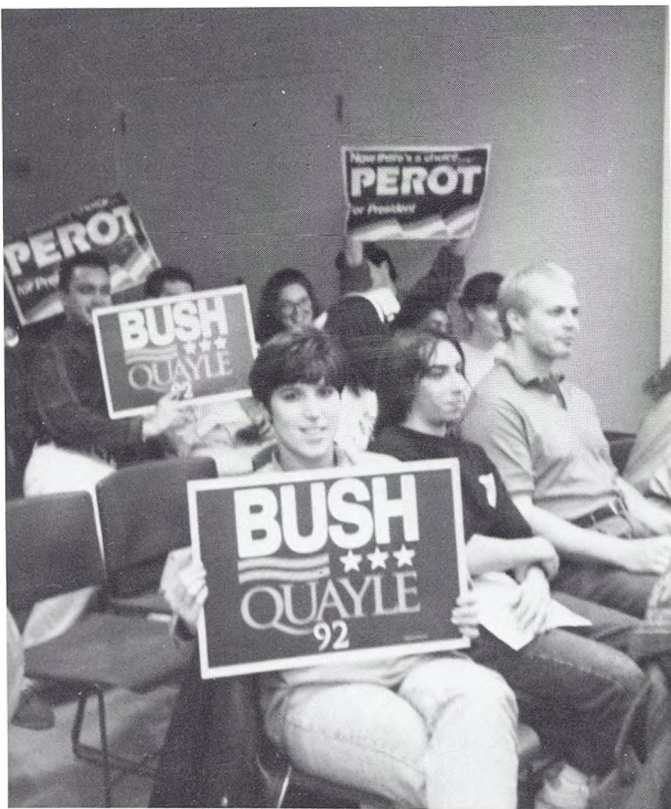

The diverse political ideologies were represented at the Presidential Debate.

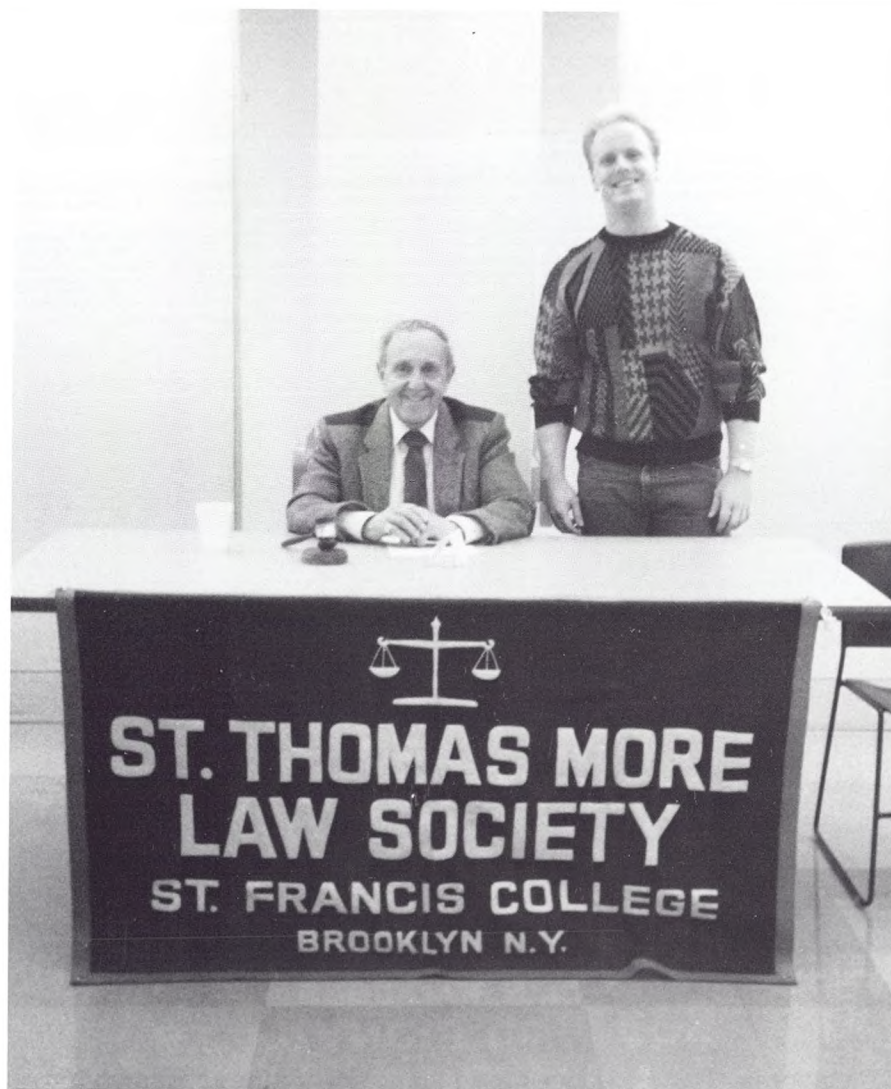

AT THE PRESIDENTIAL DEBATE

1992 can best be remembered as the year of change in politics. St. Francis sponsored a Presidential Debate which was held in the Callahan Conference Center. Representatives from Clinton, Bush and Perot headquarters informed the throngs of students about their respective candidate's platform through answers to questions posed by a panel of S.F.C. students. The representatives answered questions from the audience. The supporters for all three candidates voiced their approval loudly as each tried to outdo one another. It was an extremely informative and beneficial day for all involved.

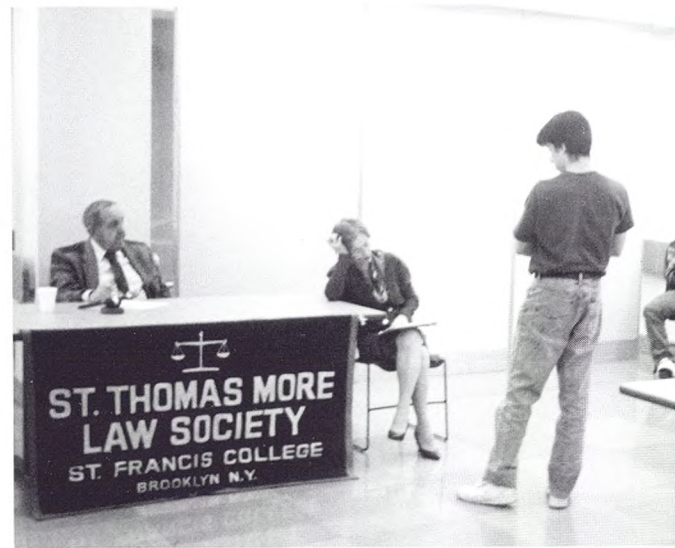

Moot Court

Do you have any closing arguments?

This year's Moot Court proved to be the most exciting one yet. The case this time was State v. Brown which was a rape case. The defense won due to its sparkling argumentative ability. It was a tense and emotional trial. The high point of the trial was when the prosecutor wanted to impeach a witness for perjury. Of course this was not allowed. Congratulations to all who participated in this show of due process. All involved showed true legal abilities, especially Rusty the bailiff, who for the second year in a row kept the courtroom orderly and in check. Thanks again Rusty!!

The Mock Trial

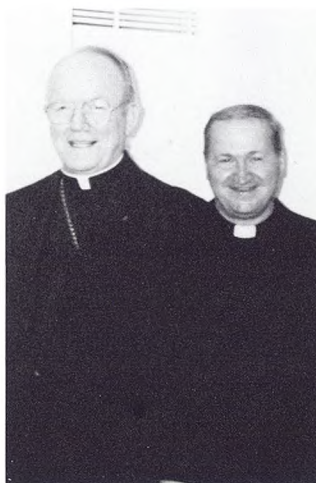

St. Francis of Assisi Celebration

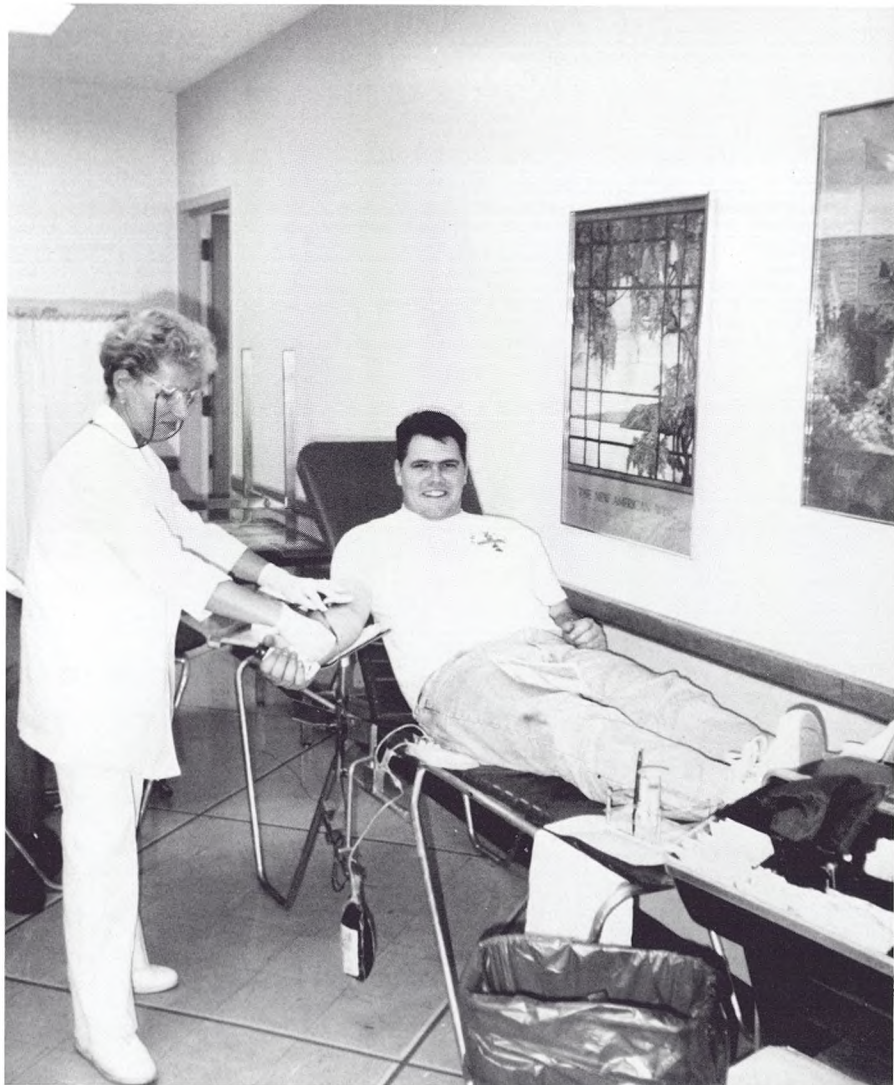

The statue of St. Francis of Assisi was dedicated to the memory of the deceased Brothers of the Third Order Regular of St. Francis who founded and served St. Francis College.

BLOOD DRIVE

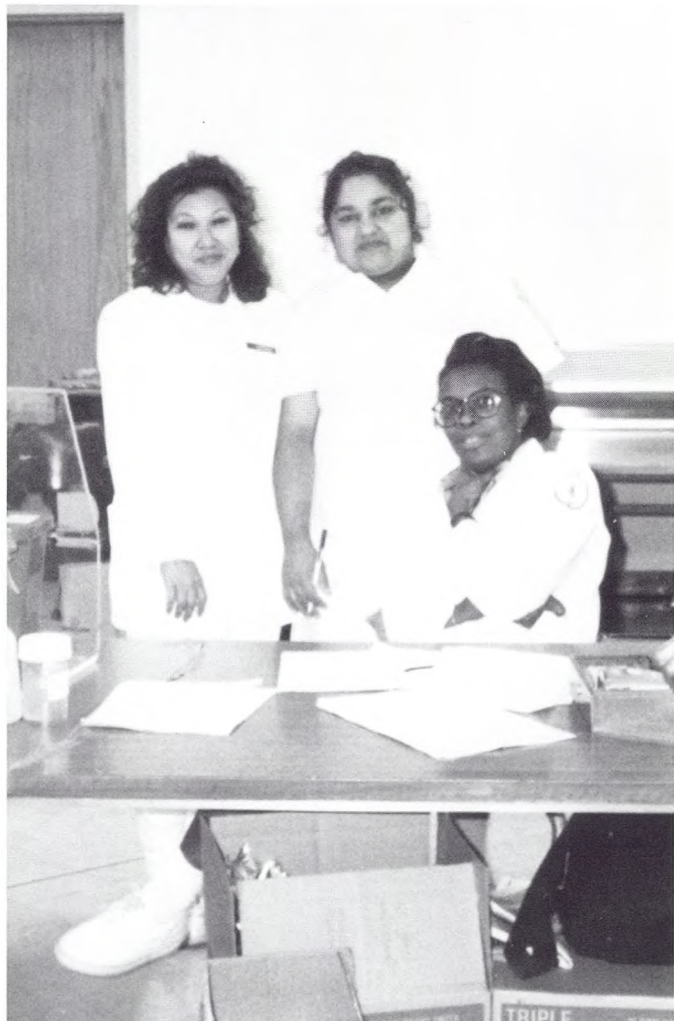

A brave soul gives
the gift of life.

Donating to the Gift of Life

This year's blood drive was a huge success. It was sponsored by Alpha Phi Delta fraternity. Many people came down to give the gift of life. Those who donated blood were treated to a snack of cookies and given a free radio. Thanks to all who gave.

OPEN HOUSE

A mixture of faculty, administration, and students participate in open house activities.

Freshmen Explore the Opportunities

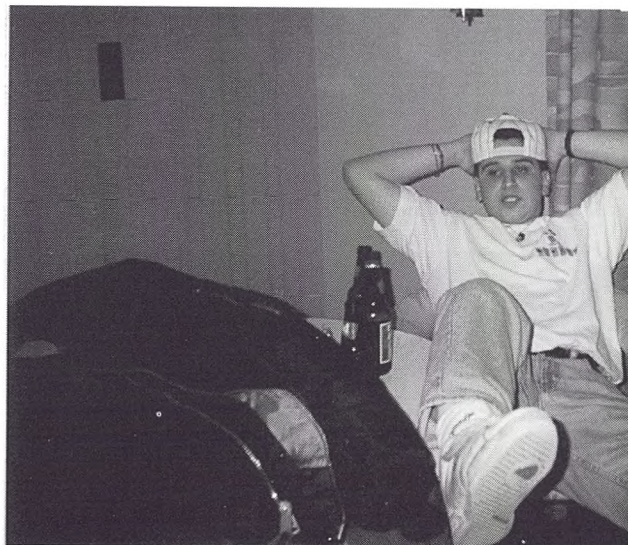

Open house is a once a year treat for those prospective freshmen to get an inside view of what's going on, what's new, and especially of what is to be. Every September the president of the student body, members of each publication: the Franciscan, Montage, and the Voice, and members of clubs and organizations of the Saint Francis community give guided tours of our college. Students and faculty alike are also encouraged and welcomed to participate in this sociable event.

The 1993 Franciscan is a labor of love for all of the staff. We have all worked hard to give the Class of 1993 something to remember and cherish forever.

I sincerely hope that when you look back on all the memories you do so with a genuine fondness. The Franciscan tradition is something to be proud of so good luck and always remember these very important years of your life.

Terry:

Thanks for being there for so many years. You are a true friend. We're down to the home stretch. Always remember all the good, psychotic times. I love you!

Love Always, Yvonne

Vianca:

We have made it through another year and it's amazing how all the bickering and arguments ceased. I wonder why? Seriously, I love you sooo much. I never could have asked for a more perfect friend. You compliment my bitchy, psychotic nature well. Stay the way you are.

Love Always, Yvonne

Claude:

Well, wonder boy it's all yours now! Good luck next year. Thank you for everything. You are a good guy (even though you practically looked up the entire office). I know that you will do an awesome job as editor (if you don't, then I'll have to kill you). If you ever need me, I'm there.

J'Taime, Yvonne

Dave:

I'm going to miss you a whole lot. You are one of the best friends I could ask for. Thanks for being there at a very bad time in my life. I know that you will be one of the most successful people I know. You will make it because you are "solid gold!" I love you!

Love Always, Yvonne

To all the wonderful people I know: I love you!

Mom and Dad, I can't thank you enough for your love and support! Thanks for believing in me, but more important you taught me to believe IN MYSELF and be independent!

Love, Marlene

To Joy Marable, even though our lives will lead us to different paths, it can never change the "Joy" you have brought into my life. Congratulations and success always

Denise Landrau

Dear Anthony:

Well, what do you know, it's finally over. What am I going to do without you? You better watch out, I'm right behind you. Good luck in your future, I know you will go far in life. "Don't Stop Believing." Today you start your new life. Stand up straight, look straight ahead, and dive right into success. I will meet you on top, together we'll stand.

Love Always, Geri

P.S. I Love You!

To My buddies James, Michelle, Frank, Bill George, Tom, Mike, Eric and Steve:

We have shared so many great times. Just remember: water balloon fights, Hampton Bay summers (they were the best!), 3rd avenue festivals, Frank's place, sticks, super bowl parties, kegs, skits and many laughs! I love you guys!

Marlene

Dear James:

I just wanted to let you know that I am **really** happy! Thanks for enhancing my life and being there for me! You've been with me before college even began and I know we will always be together (after all, what's peanut butter without the jelly . . .?)! I love you!

Marlene

P.S. Yes, it is definitely forty time! The future is very bright!

To My Friends at SFC:

We had some great times — hold on to the memories!

Love, Marlene

Bernardo:

Four years have gone by so quick — I am really going to miss you! Never forget: education classes, Logic (we had a ball — remember my love with the funky threads), "being cut off by Jessie," cramming in the library, History classes, finals, great political and religious debates in the library, video games, NTE's, History and Political Science Society, Phi Alpha Theta, Presidential Debate '92, P.A.T. induction, hospital, toy shopping with Eddie M., newspaper, some really strange conversations, old books to new homes, and of course, STUDENT TEACHING (what an experience!). You're a great person and I know you will make a great teacher (or lawyer or . . .). I wish you nothing but luck and happiness throughout your life!

Love, Marlene

Tom:

I'm so happy I get to spend yet another year with you. Thanks for your sense of humor. Remember the ski trip and the "ruby slippers." I love you lots!
Love always,
Yvonne

Lenny:

Thanks for always being there. I never met anyone quite like you. I can honestly say that you are one of the few people who know me well. I'm really glad we're friends. I love you!
Love always,
Yvonne

Dear Laura,

Congratulations on your graduation. I'm glad we stayed friends, good luck in your field of study. "T"

Dear Yvonne, Vianca and Terry,

Another good year you guys are great friends, always stay sweet.
Love, Tommy T

Cynthia,

It's been a great year and I'm glad we met. You made 1993 worth staying in school.
Love always and forever
Tom

Yvonne and Vianca:

We Finally did it! Another yearbook completed. This was definitely the best book ever. Nobody knows the hard work that goes into the production of the yearbook, but we do and that's all that counts. Through all the arguments and stress, we pulled through, like I knew we would, and successfully finished this book. Cheers to a job well done.
Love always, Terry

Tom Kehoe: Thanks for all your support. You've always provided us with the help we needed at any time. And most of all, thanks for putting up with all of us at St. Francis.

Sincerely,
The Franciscan Staff 1993

Tommy "T"

After all we've been through, we're still friends. Thanks for putting up with me when the times got rough. Stay cool!
Love Ya, Terry

Kristin and Jiselle: I haven't known you for too long, but I know you're going to be great friends and true sisters.

Love, Terry

Diana,

It's been fun hanging out. Stay cool! Love ya,
Terry

Sal,

Congratulations on graduating. I'm glad we met. Stay in touch.
Love always, Terry

Jessica:

I can't believe we are graduating already — how time flies! When you look back on these years I hope you smile and remember: the freshman four, serious and not so serious talks in the lounge, ranking out Bernardo, cutting off Bernardo and religious discussions. Also, Jello, turning 21, Daisy's apartment, the maid, Ben, Tonni, Ada, Anne O'Flan, NTE's, and student teaching. Best of luck in all you do! Take care and when you get a chance, call me — We'll share our teaching antics!

Love, Marlene

Watch out for those Piggies in a blanket!!!

Irene:

Well, you have finally done it! Congrats to a person who knows what true sisterhood is. I wish you all the luck and success in your future. Thanks for giving me my start in the "publication business." I appreciate it. Stay the way you are.

Love, Yvonne

Louie:

I wish you nothing but happiness and success in your future. Happy graduation.

Love, Yvonne

Dearest Alpha Phi Delta:

Thank you so much for providing me laughter and aggravation throughout my tenure. I don't know what I would do without all of you. I appreciate the use of the office. The phone is yours. I love you all!

Yvonne

Feed the pig! Feed the pig!

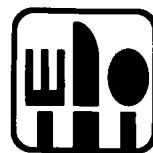

Rob Nelson:

I've watched you for four years and I have liked what I saw. Good luck in your future, it's a shame we didn't get a chance to know one another better.

I would like to thank everyone associated with the 1993 Franciscan. This hard-working group of people have created a great publication. We have had a lot of help along the way from many people. Thanks to: Michael Curcio, Dave "The Man" Romano, Lenny Kaplan, Danielle Dooreman, Erin O'Reilly, and William Mallett. Without all of you, this book would not be.
