Phi Rho Pi, the oldest national fraternity at St. Francis, founded in 1924, has just witnessed one of its most successful academic years in its history. Strictly classified as a social fraternity, Phi Rho Pi has sponsored its annual Christmas Toy Drive for the orphanage which turned out more toys than ever before.

The Annual Phi Rho Pi Blood Drive contributed another large amount of blood to the St. Francis blood bank. Because of its success we have been asked to sponsor a spring blood drive which we are confident will arouse as much enthusiasm as in previous years.

The academic year was opened with one of the social events of the year. The traditional Pre-School Blast set the mood for a quick moving and lively year. In November, Phi Rho Pi held another Cotillion dance which proved to be equal to its forerunner. At this time of the year, in preparation for the "Annual Faculty Night," brothers of Phi Rho Pi initiated badly needed reforms on the interior of their fraternity house.

John Sullivan fell into the category of "past praetors" as Frank Marzullo took over the reins, commencing with the 1968 elections.

Phi Rho was fortunate this year in having four brothers receive the Who's Who Award including John Sullivan, Kenneth O'Brien, Don Hayward and Raymond Sullivan.

Six brothers were also fortunate to receive the Franciscan Spirit Award. They are: Thomas Killeen, Donald Hayward, John Sullivan, Raymond Sullivan, Kenneth O'Brien and William Rooney.

This couldn't possibly be dogging 'a-la-Phi-
