Dennis Christy comes from the bottom of the sea to score a Terrier goal.

The determined charges of Coach Charlie Schaem again captured the Eastern Collegiate Water Polo Conference championship. Highlighted by an outstanding team effort, the Terriers compiled an excellent 18-5 record for the entire campaign. Their travels brought them to such places as Montreal for international competition in the North American Cup Championship, where they finished fifth, and West Point for the Academy's intercollegiate tournament, where they copped second place laurels.

Sparked by the fantastic scoring efforts of Dennis Christy, Bill Harris and Bill Flinter, stabilized by the bulldog defense of the amazing trio of Joe Svirida, Tom Murphy and Ed Haggerty, and topped off by the brilliant goaltending of Tom Walsh, the Terriers garnered an unblemished 8-0 slate in league play for the crown. Christy ripped the nets for 93 goals in 23 games to gain first team All Star recognition along with Harris, Walsh and Svirida. Ed Haggerty was placed on the second team. Stan Gasior, Pete Cresci, Dom Tricarico, Myles Kellaher and Bob Bombara provided ample reserve strength for Coach Schaem.
