WHAT WOULD YOU DO?

If Our Divine Lord again graced this earth as man;
If you knew Him and loved Him dearly as you say you do;
If He asked your assistance in the work of Saving Souls
Would you Refuse His Plea?

There are thousands; followers of Christ, ever busy in the work
of saving souls in our Mission lands at home and abroad.
They labor amidst poverty and want, unmindful of selves.

They need your help very much.
Would You Refuse Them?

“What you do to one of these.....you do to Me.”
