

ALPHA KAPPA PSI

Since its founding in May, 1964, the Zeta Iota chapter of Alpha Kappa Psi has distinguished itself at St. Francis College. Zeta Iota combines its business activities with an active social calendar.

During the past year, the fraternity has held luncheons in the Hamilton Restaurant. Our last speaker was Mr. Humm of the brokerage house Merrill Lynch, Pierce, Fenner & Smith. As a whole, all of the professional meetings of the fraternity were informative and provided the brothers with deeper insight into the business world.

Throughout the year, Zeta Iota has performed many activities in the College. Some of which were: sponsoring of the first bus ride in support of the club football team, two successful dances in the school lounge and helped play an active part in establishing the Red and Blue Q.

The Alumni association has also assisted us in helping to make the Fifth Annual Christmas Dance at the JFK International Hotel a tremendous success.

The brothers of Zeta Iota were proud to have as their newest faculty member Prof. Michael Casey, Chairman of the Economics Dept. Prof. Casey has shown a tremendous amount of interest in the fraternity by attending meetings, social affairs and our Christmas Formal.

The brothers of Zeta Iota joined with the brothers of Fordham U. for our regional convention which proved to be profitable both educationally and socially.
