

Alpha Psi Omega

Alpha Psi Omega is a national honor fraternity dedicated to the production of drama on college campuses. Last year, the Pi Zeta chapter was officially recognized at St. Francis College. Under the leadership of its moderator, Brother Lawrence Drowne, and with an active membership which has grown within past years, Alpha Psi Omega has provided a compact interest group that provides and maintains enthusiasm in the theater program, raised the prestige of college-theater activity, and recognized individual achievement and devotion to the theater.

Alpha Psi Omega hopes to increase its standards of excellence in the future years through the aesthetic, intellectual, and humanistic influence of dramatic literature.
