

Sigma Delta Pi

Zeta Theta, the St. Francis College chapter of Sigma Delta Pi, Spanish National Honor Society was formally inaugurated on the 19th of May, 1967. The chapter was sponsored by Brooklyn College (Beta Gamma chapter, established 1945). Dr. Francisco Lacosta, the present advisor at Brooklyn College represented his chapter at the initial ceremony.

Dr. Hose Martel, Professor Emeritus of City University and Vice-President of the northeast region honored the chapter by assisting in the ceremonial rituals and delivery of a talk on the linguistic unity of the Spanish speaking world.

Necessary steps and negotiations for the authorization of the chapter were begun by Professor John Allegra in the month of January, 1967 and came to fruition in late April. On the average of eight students are received each year. The chapter also numbers the following faculty as honorary members: Dr. Joseph Palisi, Dr. Nicholas Spadaccini, Dr. Enildo Garcia, Associate Member.

Kappa Mu Epsilon, New York Theta Chapter is a mathematical honor society which is in its second year of existence at St. Francis College. The purpose of the society is to foster an appreciation of the natural beauties of mathematics and its applications.

In conjunction with the Math Club, Kappa Mu Epsilon sponsored an Intercollegiate Math Bowl against Molloy College. Other activities consist of career nights and field trips. The weekly meetings included such things as student and faculty lectures, films, problem solving and graduate school seminars.
