Me and SFC

Why me was asked
to take the task
of writing poetry for here
me just don't know
'Cause me don't know
if A-L-I-E-N-A-T-I-O-N
spells it right
but me sure knows
it tells it right
as me is always talking to himself
—that's why me is quiet!
—that's why me wears tinted glasses
'Cause me lost eye
When me got tired of seeing
and asking
and of the silence that follows.
but he asked me to write poetry
so me must be all right guy right?
right? . . . right?
gee, me sure feels alienated!
