Paul,
I read this sign and you were not hired for your looks. Nice
job.
B.G.

Father Murphy,
Thanks for all you ever did for us (the keys, rooms and the
privacy.) You've been a great friend throughout. Thanks
also to your long talks. Love you always,
A Member of your Church

To a very dear B.I.B.,
We've had a lot of great times together and those memories
will always be very special to me. I hope someday it will be
the right timing for both of us; for it was "too right for it to
be so wrong!" All my love and best wishes in your future.
All my love,
"Grace"

Yoli,
You are a great friend. One day I'll learn Spanish. Please
stay out of trouble!
Love, Ree
