Mayer, Ed Hayes, and Joe Sydlansky leading the scorers, the Class of '44 boasts of the fastest Frosh basketball team to yet appear at the college. The ranks of the track team were swelled by the appearance of John Troy and Francis Whitmore who are regarded by Coach Miles as future racing stars who will actuate his fondest hopes. Sylvester Miccio, Richard Grego, and T. Gordon Maher are the main reasons for the dimples in Swimming Coach Tom Booras' cheeks.

The recent successes of the Glee Club were aided and abetted by the vocal rantings of Arthur Lochhead, T. Gordon Maher, Oliver Hamill, Seymour Jamieson, and Francis Whitmore, while Paul Sammon, a member of the Debating Society, represented the Class in this year's Oratorical Contest.

Judging from the results of their primary collegiate efforts, the Class of '44 anticipates a more full and promising year, while the distant glimmer of Commencement Night has already been perceived.
