*"The detail of the pattern is movement,  
As in the figure of the ten stairs.  
Desire itself is movement  
Not in itself desirable;  
Love is itself unmoving,  
Only the cause and end of movement,  
Timeless, and undesiring  
Except in the aspect of time  
Caught in the form of limitation  
Between un-being and being.  
Sudden in a shaft of sunlight  
Even while the dust moves  
There rises the hidden laughter  
Of children in the foliage  
Quick now, here, now, always-  
Ridiculous the waste sad time  
Stretching before and after."*

*T.S. Eliot  
"Burnt Norton"*
