

Franciscan Auction

Every school year the St. Francis College community sends members of the student body on a pilgrimage to the birthplace of our patron saint, St. Francis. This pilgrimage is a ten day visit to Assisi to follow in the footsteps of St.

Francis in the hopes that by understanding more about his life and ministry, that we may also understand his compassion and spirit.

On April 6, 2006 the Franciscan Forum, organized by Alicia Blake, was established as a silent auction designed to sell photographs taken by this year's pilgrims in an effort to raise money for future pilgrimages and to give back to the SFC community. This year's pilgrims included Alicia Blake, Dave Corbino, and Megan Day.

Relay for Life

On April 7th 2006 St. Francis, as well as other colleges in the community, took part in one of our largest events, the Relay for Life. What made it even more memorable was that St. Francis had the distinct privilege of hosting Brooklyn's first intercollegiate "Relay for Life."

This relay was an opportunity to come together in the spirit of St. Francis to raise awareness and funds for the fight against cancer.

The event began at 3PM with registration and had a survivor's lap to kick off the event, where anyone who has survived cancer or is currently fighting was invited to walk the first lap around the track. The relay continued into the night with various entertainment including cultural dancers, local student bands and even free ice cream. Once again the members of the SFC community were able to come together and support a great cause.
