DEAR LAST PAGE READERS,

Apparently ~ there is so little to say or it has all been mentioned and repeated so many times. Just page through this book and REMEMBER the people, this place and the feelings. EACH OF YOU might have. It is now a dream of the past. For some it should be motivation; for some its reason to forget. For others reason for disappointment; for many its joy & friendship. Whatever it is for you ~ remember its as you have seen it or as you have not.

Sincerely,
