FOOD SERVICE DIRECTORS

The 1970 FRANCISCAN is completed. This is truly an event worthy of the highest celebration. The tightly packed schedules, the ever present deadlines, and the inevitable personality conflicts are all things of the past. In retrospect, we must admit of mixed emotions. There is a certain amount of bitterness for all the things which could have been different. Sometimes everything around seemed to be driving us further from our goal. But then there were times when the stars smiled, the most important being final submission in early March. The reward for our efforts are here in the 211 pages you have already seen. We have tried to capture the spirit of St. Francis during the past year.

We hope that you derive the same amount of satisfaction from reading the FRANCISCAN/ as we have in producing it.

Sincerely,

A handwritten signature in black ink that reads "Charles Robert Randall". The script is cursive and fluid, with the first letter of each name being capitalized and prominent.
