

"You want to go to the bathroom now?"

John Bruno sweeps the end.

Large turnout for the St. John's game.

Little Dunne gets around.

"Get back in there and 'Kill' the way you're supposed to!"

THE END

# TERRIERS sprint forward

*Kneeling:* Brian Clancy, Mike Shannon, Charlie Randall.  
*Standing:* Mgr. Van Cerutti, John Serrao (Capt.), Phil Spinatto, Kevin Kempf, Charles Leykum and Don Miserandino.

John Serrao illustrates the starting position as Van Cerutti illustrates the clocking position.

After a winless 1966 season, the St. Francis Cross Country team avenged itself this year and compiled an improved record of eight (8) wins and ten (10) losses. Such teams as New York Tech, Sacred Heart, Hunter and Pace were literally left in the dust. Our biggest victory however, was a shutout over our neighbor Brooklyn Polytech.

Coach Larry Bonelli's grueling workouts at Prospect Park, coupled with the strong desire and perseverance of the team members allowed the team to amass even these few victories; the change was a definite and noticeable improvement. Returning from last year's squad were Van Cerutti, team manager, Brian Clancy, Kevin Kempf and John Serrao, team captain. In addition, newcomers Charlie Randall, Phil Spinatto, Mike Shannon and Charlie Leykum ran well and showed great potential for the future.

If the team continues to show the zesty spirit that stayed with them this past year, next year might well prove to be a boom for the Track Team and a sad sorry time for the opposition.
