

Omega Delta

Chi

Founded in 1960 by ten St. Francis men, Omega is basically a social fraternity. It has, in the past, and will continue in the future, to offer to each of its brothers both fraternal friendship and social life throughout their academic years.

Under the chancellorship of Bill Tully, Omega has prospered. Scheduled for the year was a Beer Blast to end all Beer Blasts and a special event for the Brothers of Omega, both old and new, was the Tenth Annual Reunion which consisted of a dinner-dance and much reminiscing.

Since Omega is an adjunct organization of St. Francis, it has always strived to meet its obligations to the college and especially the student body. Omega offers its members more than a place to sit and drink beer; it offers friendship, cooperation, loyalty, and above all brotherhood.
