| Sat. May 14  | West Point*                          |

\*Eastern Collegiate Water Polo Conference

Joe Vohs intercepts one for the Terriers.

Bill Harris (7) and Ed Haggerty (9) apply the winning touch.

Paul DeLoca awaits his turn on the mound.

## ***TERRIER NINE MANAGES WINNING SEASON***

The Saint Francis College baseball team made an impressive showing in the spring season of 1965 by winning four out of their first five games. They displayed great offensive potential, but stumbled midway in the season and ended up with a winning record of 8 wins and 6 losses. The season would have been more successful if errors had not caused the Terriers to lose games to C.W. Post and arc rival Saint John's University. Both of the losses were by scores of 5 to 4.

The Terriers bounced back in the Fall by defeating Pace 8-1 and 7-2, Kings College 12-5 and then losing to Iona 7-1. For the second straight year St. Francis played host to the M.E.C.C.A. Baseball Tournament. Although they played at home, the team placed third in a field of nine.

With a reasonably sound mound staff made up of Paul DeLoca, Pete Roach and Pete Scarpati, who led the squad with a 0.90 ERA and a record of 3-0, Coach Fazio had sufficient pitching depth. When it was needed, Roach provided some excellent relief pitching.

Aside from the pitching, the Terriers had good hitting from Bob Corsano, Tony Alvarez and Lou Mannerino. Alvarez led the hitting with a .340 average.

John Auditone backs up Mike Campbell for strike four.
