The Guild Studios

THE GUILD STUDIOS were established to foster the advancement of Catholic ideals and Christian art in all its beauty, splendor and dignity. They are designed to meet the most exacting religious needs, artistic or devotional, in distinguished quality, and at very reasonable prices. In either of these quiet, restful Studios, the devoted Catholic, the book-minded and the lover of the unusual in religious articles, will find an extensive and careful selection of Catholic literature, choice aids to devotion, and reproductions in picture, plaque and statue.

Our telephone shopping service is entrusted to experienced representatives who will execute promptly, efficiently and economically the wishes of busy people unable to do their own personal shopping. The Management cordially invites you to visit the Studios any time.
