

Swimming Team

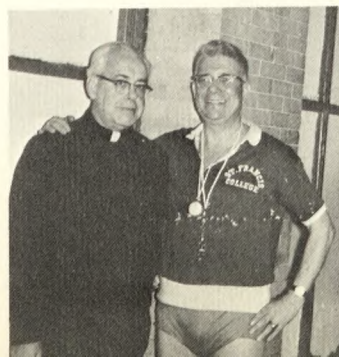

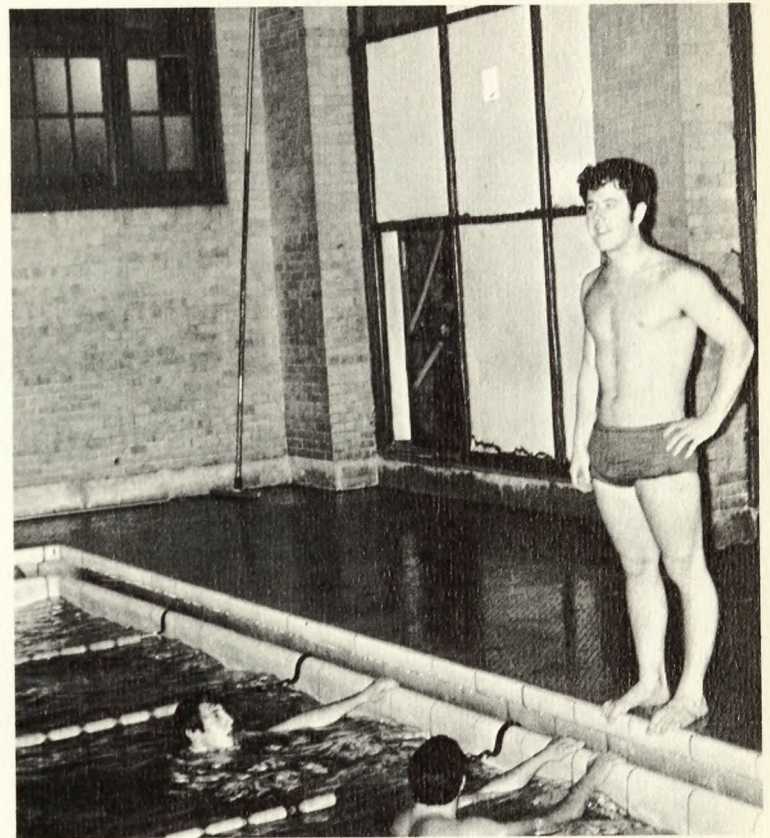

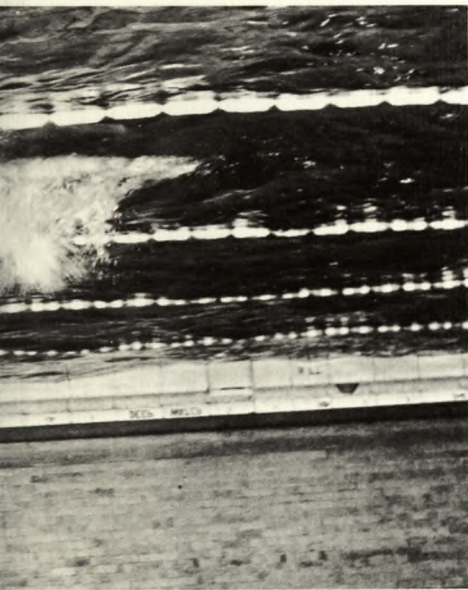

The S.F.C. varsity swimming team clinched its first intercollegiate swimming title in thirty one years with a decisive 62—42 victory over Hunter College.

The Terriers in winning the championship of division 11 of the Metropolitan swimming conference finished with a 7—0 record. In addition the terriers have two victories over non-conference opponents.

In beating Hunter College, seven new records were set. Coach Charles Schaem, himself a member of the 1939 championship team believes that this is the best we've ever had.
