

Are you serious, do we really have to shoot against that team?

You hit my target and I'll hit yours.

Sitting: Larry Kelly and Bob Pagano. Standing: Pete Waters, John Gebhard, Mike Greed, Lou Juhasz, John Belina.

KEGLERS SURGE

After an opening day sweep of three points to none over Yeshiva, the St. Francis bowling team presently finds itself in tenth place in the seventeen team Eastern Intercollegiate Bowling Conference. At this writing only nine points separate the Terriers from first place. The only other sweep the team had was over Fordham. A series of close losses has kept them from entering the first division.

In the fall, the Keglers had a disappointing finish while defending the M.E.C.A.A. title. However, they did manage to salvage the high individual game of the tourney. John Kolb, who is no longer with the team, rolled a big 247 game.

The Terriers have a record of twenty wins and twenty-two losses in regular weekly action. The team's high game is 1013 and high three game set is 2869. Bob Pagano holds all of the individual team honors.

The regular Keglers include: Juniors John Gebbhard and captain Lou Juhasz; Sophomores Charlie Parente, Bob Pagano and Mike Creed; and Freshman Larry Kelly. Kelly's fine bowling earned him a place on the starting squad. With none of the bowlers graduating this June, the team feels that they may be a contender for next year's league championship.
