

STUDENT COUNCIL

JOSEPH MURPHY
President

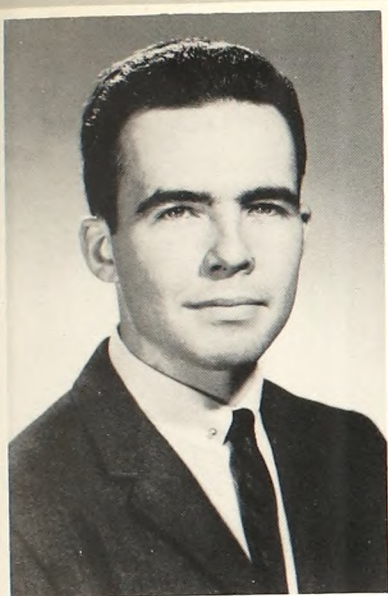

The Student Council is constituted to coordinate and administrate the extracurricular activities of the college. It is a representative organization whose delegates are chosen by popular election from the individual clubs and classes. The Council is responsible for the formulation of the official scholastic social calendar, and handles the Student Activities, Franciscan Spirit and Who's Who awards as well as the Blood Drive, appointment of Student Group Leaders and the annual participation in the St. Patrick's Day Parade.

The Student Council was instrumental in obtaining needed improvements by intercession for the student body to the Administration. Likewise, the Council obtained student parking privileges, encouraged the addition of a student lounge to the Court Street facilities, and initiated the Loyalty Fund Drive. Sunday stag dances were another Council innovation.

The goal of the Student Council is adequate and effective representation for the clubs and the individual student. Diligent exercise of its representative powers is the measure of its success.

Members of the Franciscan Spirit Award Committee chose fourteen winners; Council members added two more. John Ferguson, Sal Allocco, Joe Murphy, Dick Flynn, Sal Messineo and John O'Connor composed the committee.
