Sigma Gamma Pi, the newest fraternal addition to Saint Francis College, is rapidly establishing itself as one of the most active fraternities on campus. The brothers have shown their interest in school activities through participation in the intramural program, the Blood Drive and their annual Easter Clothing Drive.

The intramural program seems to have captured the greatest interest. The Brothers have won the championships in both football and volleyball. They hope that this is only the beginning of athletic supremacy in the College.

The Blood Drive provided another opportunity for the Brothers to show their school spirit. In their first year, they donated the second largest amount of blood of all organizations in the school that participate actively.

The Annual Easter Clothing Drive, sponsored by Sigma Gamma Pi, was a great success in its initial year. This year should prove to be an even greater success with the support of many outside organizations.

Through all these activities, it is evident that Sigma Gamma Pi maintains one of the highest positions in regard to social activities and services it may provide to the College.

STRENGTH THROUGH BROTHERHOOD AND LOVE

Front Row: D. Bacchioni, J. Martinez, S. Trentacosta. Second Row: M. Stallone, J. Nickle, T. Quinn, J. Szabo, E. Groake, F. Del Guidice, A. Hoffman, R. McHugh. Third Row: J. Tuomey, T. Ryan, P. Bauernhuber, S. Skorowicz, J. Jacques, K. McQuade. Fourth Row: R. Friedman, J. De Varso, P. Marano, R. Mignone, G. Rossiello, J. Barkocy. Back Row: A. Miller, T. Litavec, X. Castelli, P. Kiernan, J. Collins, J. Byrne.
