1, 2, 3; Indicator Club 1, 2, 3; Math
Club 4; Voice Editor 3; Dean's List
1, 2, 3, 4.

Joe, who has just returned from the service to the Senior Class, is still the Class youngster. As a conversationalist, there are few who can compare with him—a master of logic and satire. His charming, possessive manner, his unfailing spirit of cooperation and his brilliant scholastic record have won for him the fond respect of all those with whom he has come in contact. He is one student who has left us with a fond memory which we shall ever cherish.
