

REVEREND BROTHER URBAN, O.S.F., Ph.D.
President

The President is the highest officer of Administration. To his office is assigned the task of coordinating all functions of college administration from day-to-day operations to the formulation and execution of long-range plans.

Brother Urban has been the impetus behind the expansion and development program, which has included recent accreditation as a major achievement. Physical expansion of facilities and a continued drive toward scholastic excellence motivate his every effort.

Brother Urban places last year's *Franciscan* among previous annals of college history with the aid of his secretary, Mrs. Ann Tritini.

The title President Emeritus is bestowed upon a man as an honor for his past accomplishments and his continuing efforts in behalf of the college and her students.

Few men have reached, or will ever reach, the stature of Brother Columba, a man whose very presence is felt by all around him. Dedicated to Franciscan ideals, Brother Columba has given to us a full measure of the man of God. His teaching, his guidance, his friendship and friendliness are more a part of St. Francis College, more a trade-mark of true Franciscanism, than mere words can convey.
