**S**ERVICE — Scholarship — Character. These three principles form the firm foundation of leadership in all strata of society. In this age when each day brings a change in the course of civilization, we realize only too poignantly the dearth of leaders which exists. And so the Duns Scotus Honor Society, named in honor of one of the outstanding thinkers of the Church, attempts to do its part in the quest for able leadership.

This most coveted honor, of membership in the society, is attained by a student only after he has demonstrated to the faculty his integrity of character, love of scholarship and desire to serve others well. The member's reward lies in the recognition which is accorded to him, symbolized by the Duns Scotus gold key.

Senior members of Duns Scotus are J. Vincent Gallagher, President; Robert J. Kirwin Vice President; Roy Avvocato, John Murphy, William McGuire, Albert Paganini, Junior members are: Bro. Kenneth, Bro. Roger, Raymond Hermida, Donal Mahoney and Joseph Panzarella.
