# Intramurals

This year initiated a vast program of intramural sports unequalled in the history of St. Francis College. Under the excellent supervision of Brother Roger, Director of Athletics, the improved schedule was put into effect on October 10.

By scoring nineteen points the freshman harriers almost obtained an upset in the annual track and field events. The I. R. C., doing its usual best, scored twenty-one points and won the meet. Pi Alpha was third with eighteen. Vern Stokes was big man in the I. R. C. attack, scoring ten points. He won the broad jump, sailing 19 feet, with McMurrer and Crofton right behind him. He also won the 880 yard run in 2 min. 32 seconds. Charles Bachi of the I. R. C. galloped to a 11.1 second finish in the 100 yard dash. Don Jones was leader for the Frosh, scoring five points in the 440 yard run and running anchor man in the relay to blaze home in victory.

The I. R. C. came through again and captured the swimming laurels at the K. of C. pool on October 25. Paced by Vern Stokes, Jack Prenderville and Jerry Baxter they romped over the Frosh and Phi Rho Pi teams. Stokes did 21.9 seconds in the 50 yard freestyle event and Jerry Baxter won the 50 yard backstroke in 30 seconds. The Frosh captured the breaststroke with Norman Oakes first in 31.2 seconds. Dave Campbell was only one second behind Ed Weis to finish third. The medley relay was won by the I. R. C. in 1.25. The winning I. R. C. rolled up 20 points to gain an easy victory over their outclassed opponents.
