

SFC Welcomes Class Of 2001

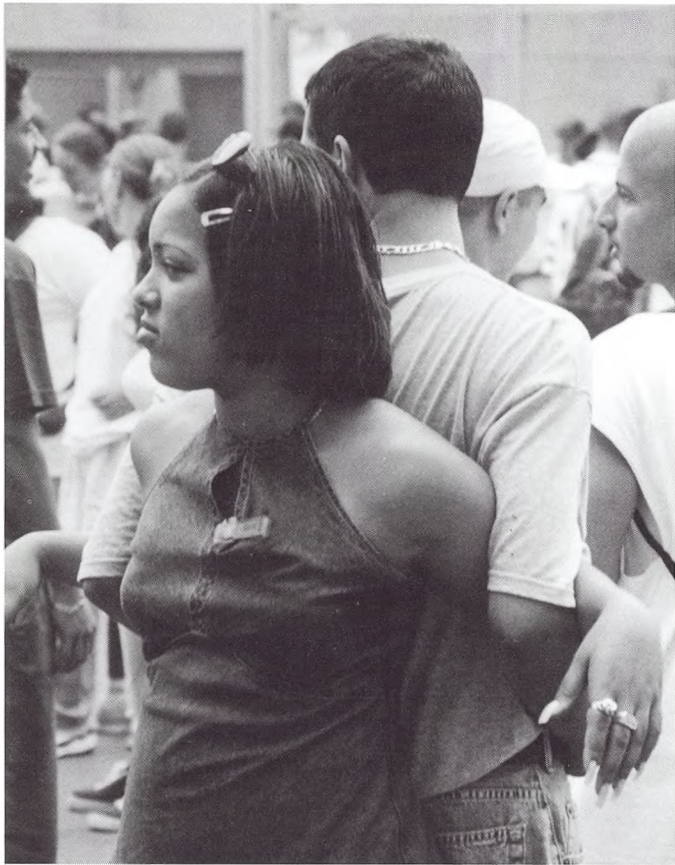

Welcome to St. Francis College, home of the Terriers.

The 1998 freshman class has over four hundred freshman, the largest in St. Francis College history.

President Macchiarola goes over some of the wonderful experiences he had, while attending the college.

A new unique way to make a friend.

I really don't want to join the congo line.

The largest freshman congo line in SFC history.
