

# Christmas at St. Francis

Bring in the kids!...

**Every year, St. Francis College** organizes a Christmas get-together for the administration and faculty members and their families.

This year, to the delight of the students who volunteered to help dress the Gorman Dining Hall in icicles and red and gold bows, and to the delight of our Santa Claus and Misses Claus (2002 Miss and Mr. St. Francis), many children joined the party. They received many Christmas gifts and filled the hall with their joyful giggles.

The evening was another success of the organizers - Christeen Edwards and Chris Gibbons, College Relations and Special Events.

I have my present, Santa. It's on my finger.

Mammy, look! It's Santa!
