

# Farewell to Dean Adams

Dr. James Adams is one of the most distinguished and well known administrators here at St. Francis College. This fall Dean Adams retired from his duties here at SFC to finally take some well deserved relaxation and to be with his family. The SFC community is sad to say goodbye to Dean Adams and thanked him for all his dedication and service to the community during his tenor here at the college. The students and faculty both joined together to honor him, share fond memories of their experiences with him and to simply just say goodbye to their professor, mentor and friend.
