**Sand sifting down
grain by grain
flowing
on
building
year by year
a man's lifetime.
-Raymond J. Harms**

**They buried the time capsule
for future generations to see
The kind of world we lived in
in the twentieth century.
So they put into the capsule
a cross section of our very best.
But it would have been far better
to have buried it with all the rest.
-Al Hutt**

Loretta Sharkey
