

## June 3, 1996 - Graduation Day

The stage looks empty - but we took care of that.

The Marshal of Candidates was none other than your favorite and mine . . . Dr. Nino Langiulli.

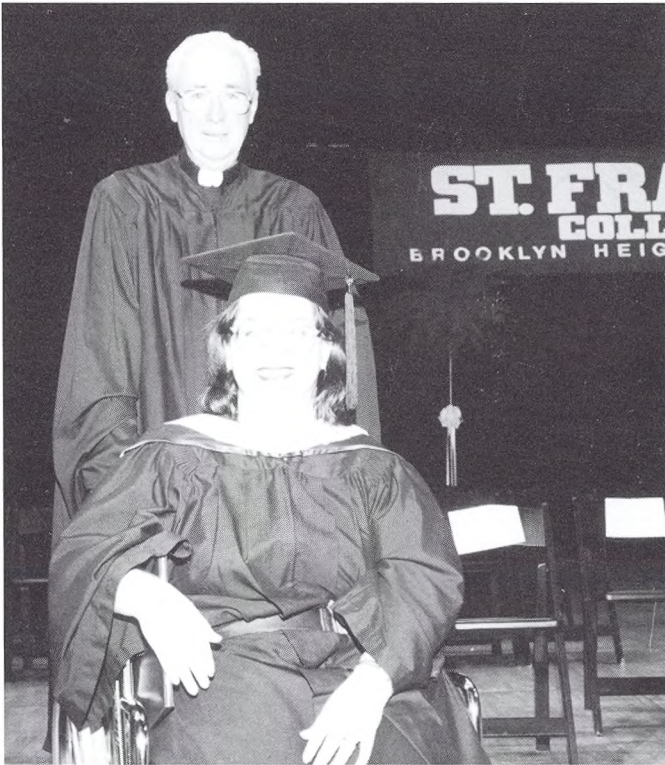

What do you mean I can't leave the stage?

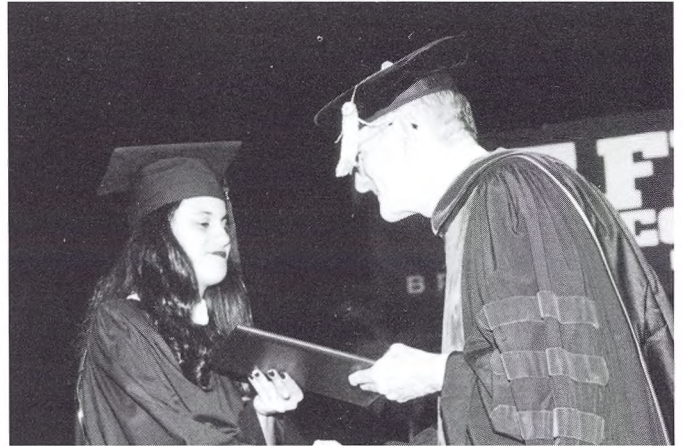

This one is for the Monday Night Psychology class with Prof. Magdeleno.

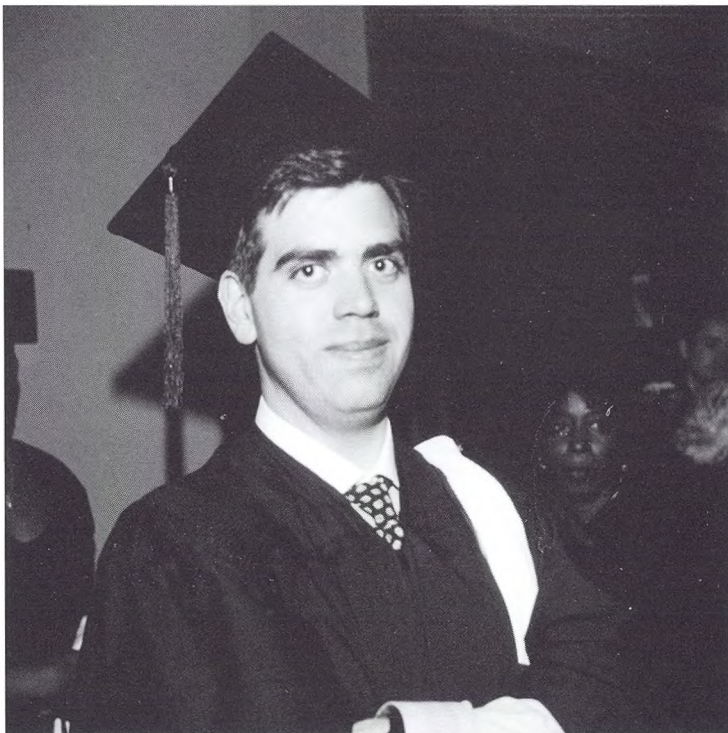

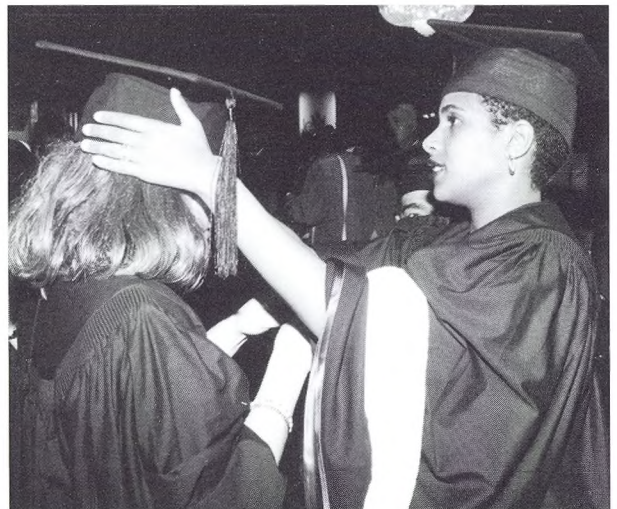

Brother George was certainly a busy man this day.

Does this make me official?

Today - Everyone's a star.

In College - we definitely learned one important rule - We take care of our own!
