Golf

ON OCTOBER 13, 1960, the Golf Team, composed of Bob Bazzone, Captain, Artie Beyer, Brian McCartney and Joe Harte, began its cycle by participating in the Middle Eastern College Golf Tournament.

Mostly because of inclement weather, the team took a fifth place, which was only four strokes behind St. Peter's. The Terrier golfers pitted their skills against other formidable foes, such as host college Siena, Kings College and LeMoyné.

"I'LL SPOT YOU TWENTY." Moderator Brother Roger offers team members Joe Harte (left) and Artie Beyer a sporting handicap, but the boys look reluctant. Is there money involved?

TEEING OFF FOR ST. FRANCIS, Buzz Bazzone loses one down the fairway. Buzz graduates in June, leaving an open spot for up-and-coming Masters champs.

Tennis

THIS FALL, the Terrier Tennis Team competed in the Middle Eastern College Sports Festival. The festival was held in Albany, New York, on Thursday and Friday, October 13th and 14th. Since golf is a Fall and Spring sport, and with competition predominantly against metropolitan colleges, the lack of adequate practice facilities has hampered the ability of the Terriers to achieve success.

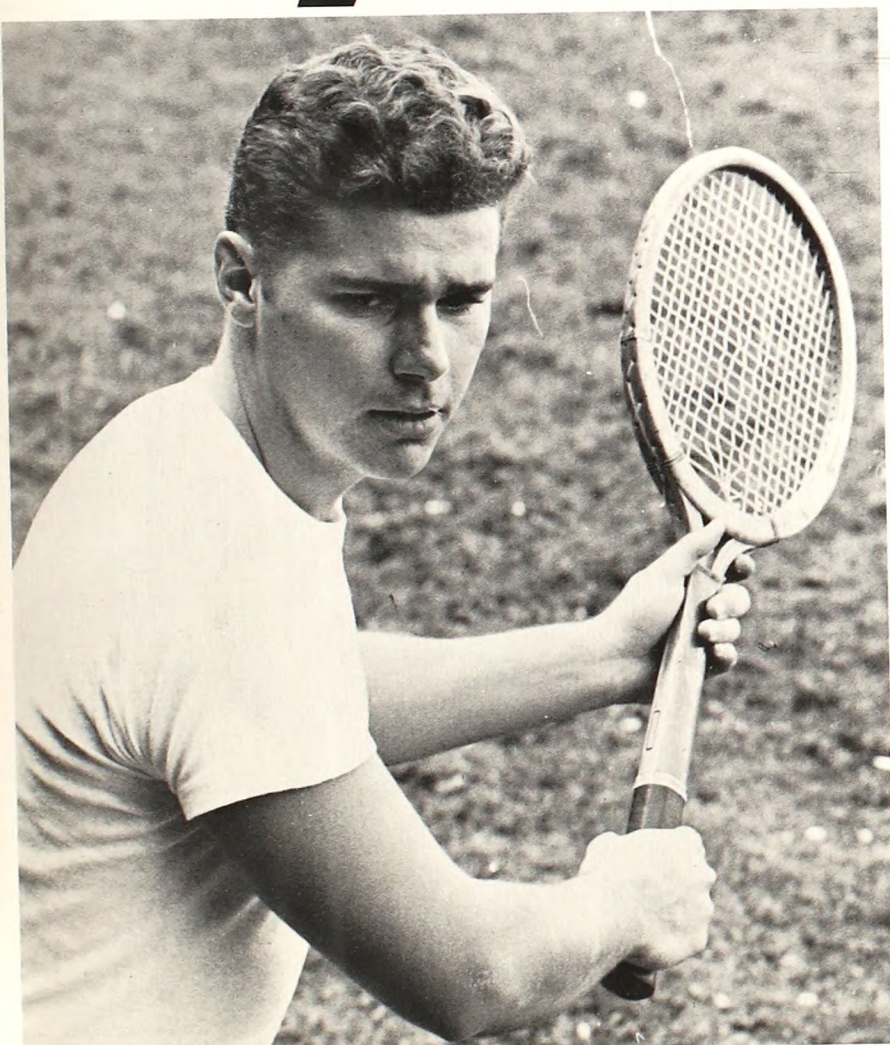

While the team's record during the '60-'61 season is not an impressive one, the presence of five new and promising rookies gives the future of the Terrier team a bright outlook.

YOU CAN BANK ON FRANK to fire back those tough line shots. Here Mr. Ryan strikes a pose calculated to alarm the opposition.

HURRY, MURRAY!" Jim scrambles to return a serve. Vice-Praetor of Phi Rho Pi Fraternity, he capped his Junior year with his election to the presidency of the International Relations Club.
