

SAINT THOMAS MORE LAW SOCIETY

The St. Thomas More Pre-Law Society provides a common bond for prospective law students. It attempts to familiarize all the students at St. Francis with the relationship between law and their major field of study. The society acquaints its members with the requirements for entrance to schools of law and the curricula offered at law schools, as well as prospects for employment in the legal profession.

Membership in the Law Society is open to all undergraduates of St. Francis. The only requirement is that a student maintain an interest in the workings of the law and legal profession.

SPANISH CLUB

A new organization to Saint Francis College, the Spanish Club under its moderator Professor Garcia has launched a campaign to foster Spanish culture in Saint Francis. To accomplish this aim the Club has sponsored and will sponsor lectures, movies and discussions on Spanish culture.

The Club was formed following the performance of a group of Spanish dancers at Saint Francis. Because of the excellent reception of these dancers, a handful of students formed the Spanish Club to bring Spanish Culture to Saint Francis. The Club's major project was to bring the Spanish saturation program from Xaverian high school to entertain the student body before Christmas with a medley of Spanish songs and carols. Presently a series of student lectures is being prepared between the members of this club and neighboring colleges.

Although the club is on a formative basis, great strides have been made to bring Spanish Culture to Saint Francis and the members are looking forward to a new semester.
