# Pre-Law Society

The St. Thomas More Pre-Law Society was founded in 1963. Its purpose is to direct and advise prospective students hoping to enter law school. During the year, representatives of law schools and other professionals address the members. In the twelve years that the society has been in ex-

istence, it has coached and prepared many students for taking the Law School Admissions test. The majority of the time, they have been successful. On May 1st, the annual Law Day Luncheon was held and the "Albert J. Conway" award was presented to an outstanding member of the law profession.

The history of the St. Francis College Ski Club has been erratic and inconsistent for the past six years. An informal club was formed last year and a weekend trip was organized by Frank Spinosa.

This year, a constitution was drawn and adopted by the club. The purpose of the club is principally to sponsor ski trips, show films, and to gather technical information on the sport in order to stimulate an interest in it. A weekend trip was held once again this year.
