# PI ALPHA

In 1906, Pi Alpha Fraternity was established. The twofold purpose for its inception was to promote friendship and loyalty. Through the seventy years that Pi Alpha has been in existence within St. Francis, the brothers have striven to fulfill these goals. Being a socially oriented fraternity, open parties for all brothers, students and friends of St. Francis College are thrown throughout the year. Three important events held annually are the two pledging periods and the Pi Alpha Ball which is held in early May.
