

Terrier Tuesday

Every year starts with an opening celebration here at St. Francis College. Terrier Tuesday is a celebration that helps to welcome the new incoming freshmen into our community, help them get involved and most importantly, help them to meet new people. Held on the first Tuesday before the official start of classes, Terrier Tuesday was a coming together of all the different clubs and activities at the Activities Fair in the Genovesi Center to help them attract new members and to network. Also, the freshmen were given the chance to play Think Fast, an interactive trivia game between different teams; they were able to compete for prizes with the highest team sharing a cash prize.

Blood Drive

Every October St. Francis College students show their true Franciscan spirit by coming down to the Callahan Center to give the “gift of life.” The Blood Drive draws students and faculty from all walks of life to donate their time and much needed blood to the New York Blood Center to be distributed to those who need it most around the city. It is a true testament to the spirit here at SFC showing that when the need comes, they are able to unite together for a common cause.
