

# OMICRON DELTA EPSILON

*In 1961 the Eta Chapter of the National Honor Fraternity in Economics was formed at St. Francis. The fraternity is dedicated to promulgating an appreciation of the current trends in the area of political economy. The society also seeks to develop among its members a keen awareness of the use of and relevance of the analytical tools of economic research.*

*Inasmuch as it is an honor fraternity, membership is contingent on scholastic achievement. A student must be an economics major and possess a cumulative of 3.00. Because of these strict requirements, the Fraternity's moderator, Dr. Joseph Ford, is able to insure that only deserving students of exceptional ability receive this honor.*

# PHI ALPHA THETA

*Phi Alpha Theta, the National History Honor Society, is represented on campus by the Theta-Nu chapter of St. Francis College. Under the direction of Dr. James Flynn of the History Department the fraternity has prospered during the past year. Among its activities this year the society will be holding its annual convention at which vital topics in the various areas of history will be discussed and fruitful new insights garnered. With its large membership of promising historians Phi Alpha Theta anxiously looks forward to next year.*
