

**STUDENT
GOVERNMENT . . .**

Student Government

The Student Government of St. Francis College is concerned with the affairs of the student body in their relations with the College and the surrounding communities. The purpose of Student Government is to act as a sounding board for all student interests, while at the same time assuming the task of providing efficient and productive leadership for the student body.

Elected annually by the student body, the Student Government derives its power from and is essentially responsible to the students of the College. It is the responsibility of the Student Government to act as the legitimate representatives of the student body before the various groups involved with the College community.

The powers and duties of the Student Government are vested in a Student Government Constitution. The Student Government is composed of three branches: an Executive Branch, a Legislative Branch, and a Judicial Branch. Members of the Executive and Legislative Branches are elected each Spring (except for Freshmen Officers) according to provisions of the Student Government Constitution. The Student Government is funded by the collection of a Student Activity Fee paid by all Full Time Day Students of the College.
