

# Division of Philosophy,

**BROTHER PASCAL KELLY, O.S.F.**  
B.A., M.A.  
Division Chairman

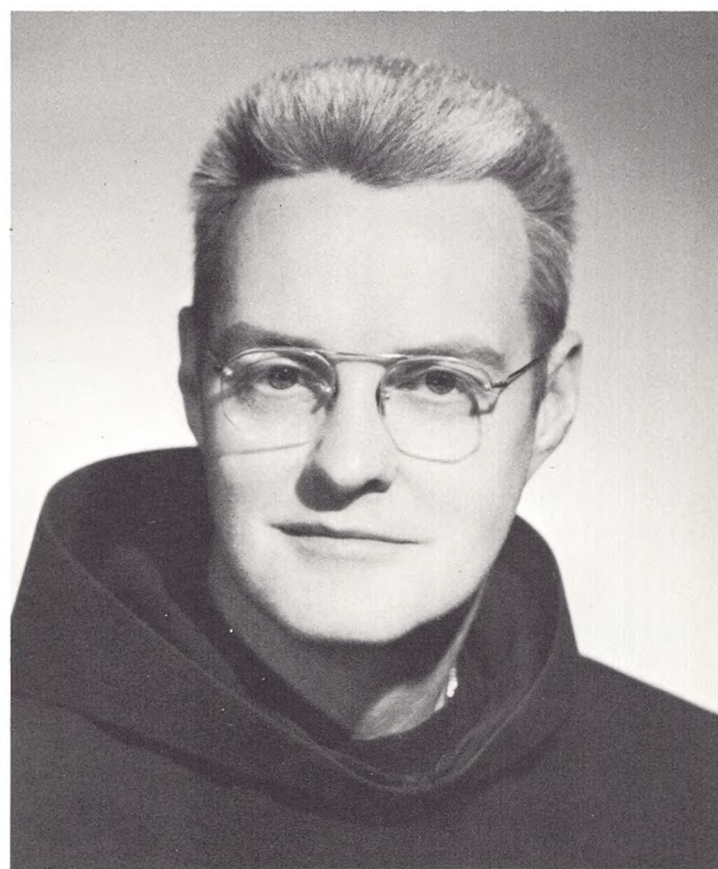

The faculty of the Philosophy, Theology and Psychology Division was increased this year with the addition of Dr. Habib Awad, Assistant Professor of Psychology.

The Psychology courses offered by the department in the Fall included Child Psychology which explores the emotional growth of the child and Social Psychology. During the Spring semester, the department offered the Psychology of Character and Personality and Psychology of Adolescence. The courses offered in the summer were also increased.

In the Theology Department, students enrolled in the Liturgy course took field trips to a synagogue and various protestant churches. The Marriage course featured two married women who discussed the problems of married life.

The Philosophy of Communism was added to the Philosophy Department Curriculum this year. The course examines the philosophical basis of Communism with emphasis on Marx and Engel's concept of the man in society.

Bishop McEntagert dedicated the new college during ceremonies last year.
