RIFLE TEAM

Team moderator and Coach Brother Aubert and Pat Sullivan line up their shots.

This year's rifle team seemed to have two different seasons as the luck of the team took a definite turn for the better as they followed four straight losses with two victories in succession over Iona and Brooklyn Poly. The second half of the season saw 'Lady Luck' continue as the team took on five more victories over C. W. Post, Pratt, Brooklyn Poly and Pace among others.

Under the leadership of Captain Pat Sullivan, the members of the team conducted a vigorous recruiting program which will see the loss of only two seniors at the end of this year. The future looks especially bright as high scorer Marty Taschdjian can be counted on for more and better seasons ahead as the team's high scorer.

Brother Aubert sets his scope as team captain Pat Sullivan looks on.

What some guys won't do to hit the bull's eye!
