

# The St. Bonaventure Philosophical Society

Under the guidance of its very competent president, John McDermott, the society has had a fruitful year. At the meetings all phases of contemporary philosophical thought in relation to scholastic philosophy were discussed.

St. Francis College is represented in the National Federation of Catholic College Students by a group of student representatives elected at the beginning of every school year by the Student Council. The Federation was formed to develop lay Catholic leadership among college students.

## National Federation of Catholic College Students

# The Mendel Society

The Society was founded in 1936. Its purpose is to acquaint the student biologist with the latest discoveries made in the various fields of biology, and give him ample opportunity to do research in his chosen field.

The American Chemical Society is an organization composed of students in the Chemistry department who work to foster independent research in the field of Chemistry.
