

S.A.C.

The Student Activities Assembly under the direction of Joseph Forte completed an enquiring year in the 68-69 semesters. The Assembly composed of representatives from each club in the school, investigated the budget of student activities, and was instrumental in placing several students on various faculty committees.

The Assembly is in charge of regulating the activities of all the clubs on campus and was effective in this work. The assembly's bi-weekly meetings were effective in handling the business at hand though the common complaint was that the Assembly was bogged down, in a mass of parliamentary procedure which hampered its effectiveness. The Assembly did however provide a sounding board for the gripes of the various activities in the College and as such enjoyed a successful year.
