

SIGMA GAMMA PI

Sigma Gamma Pi founded in 1967 is the newest social fraternity on campus. Throughout the past year its members have maintained an active participation in every phase of college life. Dedicated to the ideal of strength through brotherhood its members have been fierce competitors in the college intramural program. In their first year the brothers of Sigma Gamma won the football, volleyball and softball championships. This year the team took second place in football.

The hallmark of the members of Sigma Gamma Pi is their ability to do things together whether it be furnishing their new house at 118 Court Street or running their highly successfully Easter Clothing Drive for the needy.

The brothers are very proud of their new frat house which they occupied for the first time this September. It is both larger and better equipped than the previous house. Because of the number of highly successful open parties that have been held there it has become known as "The Place to be on Friday Night."
