

No two Seniors are exactly alike, nor is there one man that is average among them, but if there were Tom McNiff would be the man. An ex-G. I., a good student, and a fine athlete, Tom's day at the college might well be yours.

First stop of the day is the bulletin board to check on the latest news, notices, and cut list.

"Are those Math problems 1-50 inclusive?"

A free period finds Tom talking over the last class with Tom Heath and Frank Bucaro.
