

Phil Mercorella, club president, at a business club social.

Under the presidency of Phil Mercorella, the Business had another successful year in all areas of its activities.

Meetings providing assistance to members in many areas of business were well accepted and attended. As in past years, the socials run by the B.B.A. men gave St. Francis good reason to believe that it is sending well-equipped men into the business community of tomorrow. The annual 'phon-a-thon' was another success as it helped the college in its drive for greater alumni participation in the expansion program.

BUSINESS CLUB SCORES SUCCESS

'Watch it guys, it's that nosy guy from the year-book with his camera again!'

Dr. Charles Savage
Moderator of the Business Club

Club officers and members take time out to pose for our photographer.
