I just want you to know that you are one of the greatest people I have ever met. I'm really glad we met because you have made my almost last year memorable. Thanks for being there when I needed you.

To My Friends who I will miss dearly:

I'll miss all the parties we've went to together. All the times we celebrated each other's birthdays by going to dinner (Not!) (The only problem was that the franks and beans kept getting cold). I'll miss us going to the movies, sight-seeing. Long drives and walks, and especially "designer" shopping. By the way, you know how funny I can be so take it as a joke. Everything you do is done with "CLASS." Congrat. on your Athletic (tennis) Award and degree.

Love, NA

To My Best Friends,

We have grown together, shared together and matured together. I don't know what I would have done without true friends. We have been through so much in so little time. My life has been rocked by trauma and you have stood by me. I'll always remember the love and support you gave me. You will always have a special place in my heart. You take the bad in life and make it good: Take care and stay sweet.

Marina: To when is your restaurant opening up?
Congrat. on your wedding and Pace. Miss you!

Bappi: What's cookin' good lookin'? Lots of luck and success in the future. Wear your Armani and let's go partying.

Love, Naja

Looking back these 4 years, I have seen laughter, tears, joy, sadness and madness. I'll always remember — lunch Promenade, Award night, and New Year's Eve parties. Yet we have seen sad times like Eco., HR, and the time you had to go back home (those lonely summer nights) and let's not forget families and friends leaving us behind. We have come this far but we can go even farther. Congrat. Boppi and Rabbi (2R's) and see you at SJU for our MBA.

Your friend, NA

Yvonne:

Even though you are not graduating, this is your book. I'm very proud of you, Yvonne. You'll be out of here soon. Congratulations! You deserve the best in life. When I look back at the five years we've been friends, I can truly say that you've been a real, true friend. You have *always* been there for me. You were always ready to hear me complain (which was
